

THE KENNEL CLUB OLYMPIA AGILITY STAKES REGULATIONS 2012 *Supported by GWF Joint Aid for Dogs*

All events must be judged under the appropriate Kennel Club regulations H & H(1) in force at the time of the event. Competitors entering any competition will be deemed to have agreed to abide by these regulations.

All heats must take place at Kennel Club licensed shows and the class name in the schedule should replicate exactly the name of the competition as stated in these regulations.

All Kennel Club supported competitions should be judged using standard marking.

If the entry for the heat exceeds the Kennel Club limit for a judge in a day, then the class will be equally split and another judge appointed for the second part. Qualifiers and reserves from that heat will be taken in equal proportion from each part, giving the total number originally required from that heat (except where individual competition rules state differently). Rosettes and awards remain unchanged if the heat is split.

Dogs entered in any heats must be eligible for the competition entered and judges retain the right to check the height of any dog or ask to see the height stated in the Kennel Club Record Book.

Competitors can qualify for any Olympia final but it must be with different dogs. The first final a handler qualifies a dog for will be the final that particular dog competes in at Olympia.

(These rules would be amended if any changes are made to Kennel Club agility regulations during the course of the competition year).

THE KENNEL CLUB OLYMPIA LARGE DOG AGILITY STAKES *Supported by GWF Joint Aid for Dogs*

Competitors may enter more than one dog in a heat. Competitors may qualify more than one dog for a semi-final. Only one dog may qualify for the final (the first dog qualified at the semi-final). Once a dog has qualified for the final/semi-final, further heats may be entered for competition although any placings in these further heats will not affect the dog's eligibility for the final/semi finals.

The first five previously unqualified placed dogs from each heat will go forward to one of the two semi-finals at the City of Birmingham Championship Show at Stoneleigh the first eighteen dogs from each semi-final will qualify for the final at Olympia.

The 36 dogs who qualify for Olympia will be invited to compete in a further semi final at Olympia. The top ten highest placed dogs in the Olympia semi final will qualify for the evening grand final at Olympia.

CRUFTS TEAM FLYBALL 2012 / 2013

These rules are for the Crufts Team Flyball event and should be run in conjunction with the specific flyball regulations H(2).

This is a team competition (knockout). Two teams will compete against each other on separate equipment. The best two of either three or five runs will decide the winner to go into the next round in the heats. In the final at Crufts 2013 the best of three runs will decide the winner to go into the next round.

Each team shall consist of four handlers and dogs plus two reserves. A club may enter more than one team, and a club may qualify more than one team for the final. No handler or dog can enter/compete in more than one team. All dogs entering in KC licensed Flyball competitions must be Kennel Club registered.

Teams should note that each team must have at least one ABC (anything but a collie) dog in the team. To ensure clarity, the ABC dog should not be a Border Collie, Working Sheepdog or a cross of these. In the event of a dispute at the heats or Crufts final over the parentage of a dog, a decision will be left to the judge's discretion.

(this dog should be an active member of the team not just a listed reserve)

The two highest placed teams will be invited from each heat to compete in the semi final/final at Crufts 2013. Teams that have previously qualified cannot enter further heats for competition.

Flyball boxes to be used in this competition will be the commercially available flat fronted type and all teams will provide their own flyball box and tennis balls for any Crufts flyball competition entered which will include the final at Crufts 2013. Clubs holding heats will be expected to have a spare approved box available should it be required. The host club will also provide all other equipment needed to run the event eg. Hurdles (12"/30.9cm) high, backstops, etc.

This competition is governed by Kennel Club regulations for Flyball in force at the time of the heat/final. Only handlers who are members of the original team, or named as reserves on the entry form, will be allowed to compete in the final at the organiser's discretion (exceptional circumstances).
