

Mrs J Hay

I first became involved with Golden Retrievers through showing them, and after becoming interested in promoting their working ability was appointed Working Test Secretary for the Golden Retriever Club of Northumbria 25 years ago – later taking on the posts of both Field Trial Secretary and Treasurer. In 1989 my first two working Golden Retrievers came into my life and now in 2010 my small family of five continues to give me a lot of love and pleasure. Those first two working dogs, FTCh Tillwood Theseus of Holywear and Lingholme Skree of Holywear changed my life forever.

I am also a B Panel Judge and have judged Gundog Working Tests and Field Trials in the U.K and on the Continent. In addition to this I am a Championship Show Judge for Golden Retrievers and judged one of the BASC competitions at Crufts in 2009, I have also awarded Challenge Certificates in Austria.
