Mr G Bowers

I have been training and shooting over spaniels for over forty years, trialing began for me in 1984, and since then I have won with both English Springer and Cocker Spaniels, winning the Cocker Spaniel Championship in 1996 with a home breed bitch named Lunnainneach Pepper.

I have been a committee member of the Mid-Sussex Working Spaniel Club for the past 27 years, recently retiring from the position of Field Trial Secretary to spend more time with my own dogs. I have been an A panel Judge for 14 years, having judged over 100 field trials home and abroad including the Swedish Championships.
