

Mrs J Organ

My involvement in Pointer and Setter Field Trials began in the late 1970's. In 1980 I became Field Trial Manager for the Southern Pointer Club and later Field Trial Secretary for the International Gundog League Pointer and Setter Society, for 28 years in total.

I have served on many committees, including 20 years on the Kennel Club Field Trials Sub-Committee. I am now retired from these commitments, but still actively involved in competing and judging.

I am an A Panel Judge for Pointers and Setters and also an A Panel Judge for Pointers Championship Shows. I am President of the International Gundog League Pointer and Setter Society, and Vice-President of the Gordon Setter Field Trial Society. I have served on the Field Trials Liaison Council for 25 years.
