FIELD TRAINING DAYS FOR POINTING BREEDS

FOR KENNEL CLUB REGISTERED HPRs, POINTERS AND SETTERS

The primary aim of these weekends is to encourage more people to participate in the sport. Training will concentrate entirely on hunting and pointing. Preference will be given to beginners.

If you are planning on attending more than one weekend please could each application be made **on a separate piece of paper** with a **separate cheque**. First preference weekend should be stated. Secondary requests will be placed on a waiting list.

As last year, we are hoping to organise a dinner on the Saturday night of each weekend, 3 March, 17 March and 14 April. Please note that payment for this dinner is payable **in advance**.

Show Gundog Working Certificate (Pointers and Setters only)

Participants wishing to take the Show Gundog Working Certificate at a weekend will need to attend for the whole weekend before taking the Certificate on the Sunday. **A fee of £10.00 will be charged** which is payable on the day.

Working Gundog Certificate

Participants can also be assessed for the Working Gundog Certificate at these weekends but should indicate this on the booking form. Please note this is an assessment of the partnership between the handler and the dog. **A fee of £10.00 will be charged** which is payable on the day.

These certificates are **only** available at the March training weekends.

Young Handlers

We are pleased to be able to announce that three free training places are being made available to each training event for Young Handlers up to the age of 18 years. Should the handler be under 16 they should be accompanied by a responsible adult.
