## JUDGES' BREED HEALTH MONITORING (OPTIONAL)

**FIT FOR FUNCTION  
BREED WATCH**

Judges have asked to be more actively involved in the reporting process of health issues affecting those dogs exhibited under them.

The purpose of this form is to provide judges with an opportunity to raise any issue or concern with the Kennel Club. Issues can include those related to health and welfare as well as any breed specific concerns. The use of this form by the judge is optional.

The information contained in this form will be passed on to the Dog Health Group which monitors and compares trends across the breeds. Please return the completed form to the Judges Section, The Kennel Club, 1-5 Clarges Street, Piccadilly, London W1J8AB.

Thank you for taking part and contributing to the general health and improvement of breeds.
