

Catalan Sheepdog

Originating in North Eastern Spain as a sheepdog in the Spanish Pyrenees, the breed is still widely used as the flock herd and guard in that region. Known in his native country as the Gos d'atura Català, the breed has also become popular as a family companion.

What health screening is currently relevant?

Kennel Club Accredited Breeders must use, or are strongly recommended to use, the following screening schemes and/or advice for sires and dams:

- **BVA/KC Hip Dysplasia Scheme**
- **Eye testing**

ACCREDITED BREEDER SCHEME
