# Successful members 'pop-up' lounges trial

Continued from page 1

Last month, the historic occasion of King Charles III's Coronation marked a new chapter in the history of the Royal family and just 18 days later, the Royal family welcomed 1,243 Kennel Club members plus their guests and Kennel Club staff within the gardens of Buckingham Palace to celebrate the Kennel Club's 150th anniversary. What better way of keeping to our strategic aim of delivering an excellent member experience?

It's clear that the membership can come together in times of celebration, however it's vital that the membership also joins together in crucial times, such as now. This month marks the important occasion of The Kennel Club's Annual

General Meeting on June 13 at the Curzon Cinema in Mayfair. It simply cannot compete against the sheer scale of the Coronation but serves as a considerable and important occasion in The Kennel Club's future, where we aim to make a positive difference to dogs and their owners.

**Every AGM vote has the potential to ensure the financial security and sustainability of The Kennel Club**

Each and every member vote counts at the AGM, so please support our journey and vote yes to increase the price of registrations, and to allow us greater flexibility to manage our Kennel Club property. Both of which will allow us to deliver on all our strategic aims to champion the

wellbeing of dogs, as well as remain a highly prestigious, respected members club.

Over the summer, we'll be going out to dog communities and members to ask their views on our plans and

future goals, designing our solutions together, so that everyone has had an opportunity to participate, ahead of the SGM in September. But for now, your role as a member is key in steering The Kennel Club into safer waters. Your role is vital in ensuring the financial security and sustainability of the organisation for another 150 years.

### Pre-AGM Member Q&A panel sessions

Final preparations have been well underway for some time for the AGM. You will have already received your AGM papers through the post and via email. Some of you may have already cast your proxy vote but for many, you may be considering the options. For those that are still making up their minds, we are running three virtual Q&A sessions on May 30, May 31, and June 1. If you haven't signed up via the Members' Round-up email you can email us, letting us know which you would like to attend (times and links below) and we'll do the rest.

### Member conversations at pop-up lounges

Over the past six months, we have been listening to our members' feedback, making great strides in improving and prioritising customer services and communications. We trialled a pop-up lounge at Birmingham National first, to see if it would be something that members

would appreciate. Feedback was overwhelmingly, yes! In fact, over 400 guests took up the opportunity to discuss our future direction and plans recently at our new pop-up Members' Lounges at Birmingham National, Scottish Kennel Club and Bath Championship shows. Providing these small club lounges at shows is just one of the ways we are trying to communicate better with members and improve their experience.

Whilst we were there some of the conversations centred around the progress we have been making on our strategic review and direction and the six supporting aims. But the majority of conversations were around the Finance infographic we shared last month, discussing the various contributing factors that led to us making a net operating loss of £1 million last year. Members were surprised to hear this assuming that we were a cash-rich organisation. In a number of frank and open conversations, some short, others longer, members asked us questions seeking to understand how this occurred. More importantly they were curious to hear our short, medium and long terms plans, all of which work together, to ensure our future financial security.

### Last year's financial review

In last month's Journal, and also via our Members Roundup email and Facebook Members group, we shared a summary indicating our three main income sources; puppy registrations, our Petlog microchipping service and our partnerships. We also explained how we spent this income; via events, shows and training; membership services and our health and welfare services.

After a peak in puppy registrations due to the pandemic, we are seeing these returning to pre-pandemic levels with no certainty over what the lower level of registrations will be now. The pandemic also accounted

for a significant increase in business competition, with over 80 organisations now operating in at least one of our areas of expertise. Like everyone, we have suffered from the global financial situation and the increase in inflation.

We've kept registration fees at the same level for five years, but we simply cannot sustain this anymore. One of our short-term plans to help us generate more income next year, is a small rise in prices. For us to make sure we continue to make a positive difference for dogs and their owners, we have to ensure that we generate at least the same and preferably more income than we spend.

### Your vote counts

We are also looking at how we can use our property more effectively, to generate additional income without affecting any of our member experiences. You'll be able to read more about both of these in the AGM papers. And if possible, attend one of the pre-AGM Q&A sessions before you decide how to vote, either in person or by proxy.

Your vote is critical to help steer us into a more financially secure future. Only if we do that can we continue to make a positive difference for dogs and their owners.

# First judges approved through Judges Education Programme

**The first judges have been approved to award Challenge Certificates via the Judges Education Programme (Breed Shows), following assessments which took place on 21 April at The Kennel Club Building, Stoneleigh Park.**

This milestone in the new judges training scheme involved two breed-specific assessments for Border Terriers and Welsh Springer Spaniels. The assessors for Border Terriers were breed specialists Ronnie Irving and Hilary Gilpin with Stuart Plane as the non-breed specialist assessor. In the afternoon Tom Graham and David Howarth were the Welsh Springer Spaniel breed assessors with Jeff Horswell as the non-breed specialist assessor.

Nine candidates attended the assessments and each judged a mock class of five dogs and were asked to place the dogs in order and justify their placings via a written critique. Two thirds of the candidates, most of whom were breed specialist judges, successfully passed the assessments to be listed at Judges Education Programme (JEP) Level 4 to award CCs to their respective breeds.

In order to qualify to sit the Breed Specific Assessment, candidates need to have met the JEP Level 3 requirements, which include:

- Having attended a Breed Appreciation Day for their respective breed and passed a multiple-choice exam on the breed standard
- Completing a minimum of three mentoring sessions with acknowledged breed experts
- Being observed judging a breed club Open Show or championship show without CCs of a breed supported entry show
- Judging a minimum number of dogs dependent on the judging tier in which the breed is listed

Successful judges will be listed on The Kennel Club's Find a Judge website as approved to award CCs to the breed and are not required to complete any further paperwork or assessments prior to The Kennel Club approving any subsequent nominations for the respective breed.

Mark Beazley, Chief Executive at The Kennel Club said: "We are delighted that we have our first judges approved to award CCs through the Judges Education Programme. With Covid and other restrictions causing delays, this has been particularly frustrating for all concerned, however this milestone is a testament to the efforts of breed clubs, breed education co-ordinators, mentors, observers and assessors and we thank all these people for giving up their time to support the JEP."

Further assessments are planned, and more will be arranged as sufficient people progress to JEP Level 3 within the breed they wish to judge. The Kennel Club is liaising closely with Breed Education Co-ordinators to plan these events.

# Reserve Challenge Certificates to count towards the title of a Champion/Show Champion

The Kennel Club is pleased to announce that, following the May Board meeting, it has been decided that dogs which win five Reserve Challenge Certificates (RCCs) - awarded from 1 July 2023 onwards - in addition to having two Challenge Certificates (CCs), will gain the title of Champion/Show Champion.

This decision has been taken following consultation by The Kennel Club Shows Liaison Council formed of representatives from within the show scene and further supported by the Show Executive Committee and The Kennel Club Board.

This will mean that from 1 July 2023, in order to gain the title of Champion, dogs will either need to be:

- Awarded three CCs under three different judges, with at least one being awarded when the dog is over 12 months of age, or
- Awarded 2 CCs, with at least one being awarded when the dog is over 12 months of age, in addition to five RCCs awarded from 1 July 2023, with the awards coming from seven different judges
- RCCs awarded before 1 July 2023 will not count towards a Champion title.

As part of the necessary regulation amendments to facilitate this additional route to becoming a Champion/Show Champion, regulation F(A)3 has been amended as follows: *“In the following Definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion, **excluding Reserve Challenge Certificates**, under the rules of any governing body recognised by The Kennel Club e.g. CACIB, CAC, Green Star.*

And further F(A)8 has been amended as follows: *No dog is eligible for exhibition at a Limited Show or Match competition which has won a Challenge Certificate or obtained any award that counts towards the title of Champion, **excluding Reserve Challenge Certificates**, under the rules of any governing body recognised by The Kennel Club e.g. CACIB, CAC, Green Star, with the exception of the open class at breed club limited shows for Imported Register Breeds and breeds not allocated championship status in the United Kingdom.” (Additions in bold, effective 1 July 2023)*

This means that eligibility has not changed

and dogs with RCCs can continue to be entered into Post Graduate, as well at Limited shows and Matches.

Helen Kerfoot, Chief Operations Officer (Canine Activities) said “I am delighted to be able to announce this change, which recognises five RCCs, granted from 1 July onwards, as contributing to the title of Champion/Show Champion, where a dog has another 2 CCs to its name. I would like to thank the committee for the hard work that has been carried out in making this decision to be taken and hope this will be a positive change to the show scene.

“Whilst we know that there is still much to do in terms of attracting new people into this hobby, we also understand the impact of falling entries on shows, and need to strike a fine balance between ensuring that there is incentive for people who already show to continue doing so, whilst also taking care that we don't diminish the value of a Champion or Show Champion title. Judges are reminded that they have the ability to withhold awards if they deem the exhibit to lack sufficient merit.

“This additional route to gaining the Champion title is still very difficult to achieve and can only be won by champion quality dogs – with a total of 5 RCCs being accompanied by two CC wins – and so is likely to only slightly expand the pool of dogs that will gain the title. However, importantly, what it does offer is an incentive for people to try, and to enter more shows - knowing that they can take home a RCC and, in conjunction with other RCCs and CCs, it will result in a championship title. It is not creating easy winners but it is boosting and incentivising the competition, hopefully turning around those situations - for example, where there is a multi-award winning dog within a breed - where people may have decided to not compete and to stay at home.

“We know and often get feedback that changes are needed to support the show world, and there is much more to do, listening to the views of those in the hobby. This particular proposal, which came through The Kennel Club Shows Liaison Council and was one of the suggestions in the Returning to Events Questionnaire - and has been supported by Show Executive Committee and endorsed by the board - was submitted with the objective of addressing falling entries. We know there is much more to do but the spirit behind this move is help stimulate a healthy, more vibrant dog show scene.”

Paul Harding, Chairman of the Show Executive Committee, which made this decision, said: “The committee represents and discussed a broad range of views and we know that this is a departure from the single route of entry to making up a champion that we have had for so long - and we know that for some people, there is concern that it diminishes the title. However, we have also had a lot of positive input and feedback in favour of this move.

“The Reserve Challenge Certificate wording clearly emphasises that a dog is of such outstanding merit as to be worthy of the title of champion should the CC winner be disqualified, and so any dog receiving five of these awards, in addition to 2 CCs – in the opinion of seven different judges – has demonstrated its quality and, in the view of many, its right to be a champion.”

The Kennel Club is aware that there is still a backlog of awards, which are being worked through as a priority and people can continue to use their title before their certificate arrives, whether they qualify via the 3 CC route, or, from 1 July, via a combination of CCs and RCCs. # Crufts and Asda, working together to make a difference for our pets

**Crufts, organised by The Kennel Club, is excited to announce a new and unique partnership with Asda, which will celebrate pets and support pet owners.**

The collaboration, which began last month, will help celebrate pets and support all pet owners through an educational hub on the Crufts website, which provides useful resources for owners on looking after their pets. This will be twinned with value pet products available in Asda stores, as well as through a brand new online Asda Crufts Pet Show, with prizes to help celebrate and enhance life with our pets.

Information for pet owners, such as healthcare tips that could help minimise veterinary bills, as well as tips for saving pennies and home-made treats, are just a couple of examples of the resources which will be available to all pet owners on the Crufts online Pet Paw-tal. This material – which will be supported by a fun quiz to help owners see how much they really know about their pets - will also be easily accessed via QR codes in Asda stores around the country.

**“Pets do so much for us and this partnership is all about giving back to our loyal companions”**

In the spirit of celebrating what our pets do for us the partnership will also give all pets – from cats to rabbits and guinea pigs – the chance to enter the Asda Crufts Online Pet Show, taking place on the Crufts website and social channels, with prizes ranging from framed photographs to a pet friendly holiday. The first class, ‘Best pet companion’ began in May, the winner of which received a printed framed picture of their pet. Further competitions will be taking place throughout June with a best in show finale on the 23 June, where the winner will get the ultimate Crufts 2024 VIP experience.

Helen Fox, Chief Operating Officer at The Kennel Club, organisers of Crufts, said; “Pets do so much for us and this partnership is all about giving back to our loyal companions, celebrating the joy they bring to their lives and helping to support pet owners. We are excited to be working with Asda,

who shares with us our love not just for dogs, but all pets, and our values in promoting responsible pet ownership.”

Said Raj Varma, Senior Buying Manager at Asda, Pet and Paper, said: “Our pets do so much for us, so this collaboration with Crufts is our way of giving back to them, celebrating the nation’s pets and supporting owners with great value on our key brands, in what we know are challenging economic times. We are particularly excited with this partnership, bringing Crufts and Asda together - not just for dogs, but for all pets - as it’s a great chance to get behind the scenes and see what it is that people love so much about their pets, with fantastic prizes on offer, too. Through the information and advice available on the Crufts Paw-tal, and our fantastic range of products in stores and online, we hope to make a real difference in helping our customers with pets throughout the country.”

Further partnership collaboration will be included in-store and on the Crufts website [crufts.org.uk/asda-crufts-pet-quarters](https://crufts.org.uk/asda-crufts-pet-quarters)

## Three breeds given championship status

At its meeting on 13 April 2023, The Kennel Club Board agreed to allocate championship status to three breeds from 2024 – the Jack Russell Terrier, Kooikerhondje and Lagotto Romagnolo.

The following shows have been allocated Challenge Certificates (CCs) from 2024:

### JACK RUSSELL TERRIER

Crufts, National Terrier Club and Jack Russell Terrier Club.

### KOOIKERHONDJE

Crufts, British Utility Breeds Association and Kooikerhondje Club of Great Britain.

### LAGOTTO ROMAGNOLO

Crufts, National Gundog Association and Lagotto Romagnolo Association.

The breed clubs will be asked to hold their championship show at least one month apart from Crufts and the relevant group show if possible, to ensure as wide a spread of CCs throughout the year as possible. The breed club

championship show must not be held before Crufts in 2024.

In 2021, The Kennel Club introduced a phased and transparent system for the elevating of some non-CC breeds with separate classification to championship status. This begins with an annual allocation of three sets of CCs and will progress, if entry figures warrant, to seven sets and eventually, under stage 1 of the new CC allocation model, 13 sets.

The criteria used to assess if a breed should be considered for an initial three sets of CCs include:

- To have a minimum of 12 approved judges (JEP Level 4)
- An average entry of ten

dogs over a rolling three-year period at all-breed championship shows and relevant group championship shows.

Mark Beazley, Kennel Club Chief Executive, said: "We are delighted to welcome the Jack Russell Terrier, Kooikerhondje and Lagotto

Romagnolo into The Kennel Club family of breeds with championship status and look forward to seeing the first CCs awarded at Crufts 2024, where these breeds are bound to generate a lot of interest.

"This news should be a timely reminder to judges currently on breed club A3 lists that it is possible under the new system to apply to award CCs in breeds which don't currently have CC status, using the grandfathering route in place during the transitional phase of the JEP which ends on 31 December 2025. To date, a number of judges of non-CC breeds have made 176 successful grandfathering applications in total. Breed clubs are also encouraged to continue with their judges education programmes and place suitably qualified judges on their A3 list."

# Entries open for The Kennel Club International Agility Festival

**Online entry is now open for The Kennel Club International Agility Festival, the world's largest agility festival for dogs and their owners, which will return to Rutland Showground, from 10 - 13 August 2023.**

**D**uring the festival, 18 rings will be set up to host the competition, which will feature dogs of all agility grades and sizes, from all over the world, with over 200 separate classes taking place.

The Kennel Club International Agility Festival, which will be returning for the eighteenth time, is once again supported by Skinner's, who are set to continue to sponsor the event until at least 2024.

The festival welcomes all dogs and entries can be submitted online at [agilityplaza.com](https://www.agilityplaza.com) with payment open until 7 June 2023.

Ben Skinner of Skinner's said: "We are proud to be returning as the headline sponsor for the International Agility Festival. Both our Field & Trial and Get Out & Go! ranges have been nutritionally formulated to support active dogs and are ideal for performance dogs that compete in agility.

"Our team will be on hand to offer nutritional advice to competitors and visitors at Rutland Showground from 10 - 13 August 2023. Until then, we would like to wish all of those competing and training for the event the very best of luck."

Vanessa McAlpine, Events Executive at The Kennel Club said: "The Kennel Club is once again excited to be opening entries to dogs of all ages and breeds looking to compete at this year's International Agility Festival.

"The festival is wonderful opportunity for all returning dogs and their owners to display the hard work they've dedicated to agility training over the last year or for beginners to experience running in a competition ring.

"With so many rings and a wide variety of competitions, there really is something for every ability, from returning professionals to beginners – there is no better way to get started in agility than at the world's largest agility festival!"

### Classes include:

**THE BRITISH OPEN** is for all FCI grade 3 dogs, British or Irish grades 6 or 7 dogs or dogs holding a Masters or Championship Title in the USA. The top seven large dogs, seven intermediate, seven medium and seven small dogs, together with the top overseas based competitor from each size group, will compete for the British Open final which will be held on Sunday 13 August at the International Agility Festival.

**THE SPECIAL INTERNATIONAL CLASS** is open to all overseas dogs that are eligible for FCI Grade 3 classes (or equivalent), dogs holding a Masters or Championship Title in the USA. Only dogs that reside outside the UK are eligible for this class, with the winners in each height (large, intermediate, medium and small) subsequently invited to compete in the Crufts Singles at Crufts 2024.

**THE NOVICE CUP** is open for dogs graded 3, 4 and 5. Dogs and handlers who qualify for the semi-final from this qualifier, and qualifiers across the country, will compete in the semi-final on Saturday 12 August, with finalists going on to compete at Crufts 2024.

**THE STARTERS CUP** is for all grade 1 and 2 dogs. The top six large dogs, six intermediate, six medium dogs and six small dogs from the semi-final round of The Kennel Club Starters Cup will be invited to compete at the final being held at The London International Horse Show in December 2023.

**THE YOUNG KENNEL CLUB (YKC) PAIRS** is open to YKC members only, aged between 6 and 24 years. Pairs must both use the same size dog. Once a qualifier has been entered, members may not switch dogs or handlers. The pair who are placed first in each category will qualify for Crufts 2024.

**THE YOUNG KENNEL CLUB AGILITY DOG OF THE YEAR AND UNDER 18 YEARS JUMPING** are open to all YKC members aged 6-17 years. If a member and dog combination accumulate 30 points or more, they will qualify for Crufts 2024. Please note that members may only compete with one dog. Should a member qualify with more than one dog, then only one can compete, with the other only used as a reserve in the event that the first choice is unavailable.

## New date and venue for The Kennel Club Junior Warrant semi-finals and National Junior Handler of the Year final

**The Kennel Club has announced that the Junior Warrant semi-finals and the National Junior Handler of the Year finals will be taking place on Sunday 22 October 2023 at Stoneleigh.**

These two popular competitions have previously been held at Discover Dogs, but with the event not happening in 2023 - they are now taking place as stand-alone competitions at The Kennel Club building at Stoneleigh.

The Kennel Club Junior Warrant Winner of the Year competition is for dogs between the ages of 6 - 18 months and has been running since 1998. Dogs qualify at a series of heats at open shows held by general canine societies around the country during June, July and August each summer. Five dogs and one reserve will be selected from these heats and subsequently invited to the semi-finals on 22 October 2023, with the final being held at Crufts 2024.

The National Junior Handler of the Year final, organised by the Junior Handling Association, has been running since the 1970's and is one of the most hotly contested junior handling finals in the country. Three semi-final heats have already been held since December

2022 at group championship shows and another three semi-final heats are due to take place in July and August. The winners of which will take part in the final on 22 October with the winner going on to represent the UK at the Joe Cartledge Memorial International Junior Handling competition final at Crufts 2024.

Events and Education Executive at The Kennel Club, Vanessa McAlpine, said: "We are delighted to be able to continue to host these two fantastic events – both of which are not only encouraging the young generation of owners, handlers and exhibitors but also to celebrate the top young dogs in the country.

"The Junior Warrant is one of the highest levels of success for young dogs and is a great indicator of an exciting future career. The standard

of dogs competing is incredibly high and we wish owners the best of luck in making it through to the semi-finals.

"The Junior Handler of the Year final is steeped in history with many former winners going on to become top judges, breeders, exhibitors, volunteers and workers in the dog world. It's important to display the talent, enthusiasm and dedication of these young handlers in this prestigious junior handling final, of which all handlers want to win!"

For further information on the criteria for entering and dates of the Junior Warrant qualifying heats, visit the Crufts website.

For further information on how to take part in Junior Handling please visit the Junior Handling Association's Facebook page called 'Junior Handling Association'.

# Talented teenager wins Young Kennel Club Artist of the Year competition

The Young Kennel Club (YKC) has announced the winners of its annual Artist of the Year competition, with a young dog lover from Horsham scooping the top prize.

The popular art competition invited YKC members to express their creativity and showcase their dog photography skills, with all entries required to feature a dog and fit one of three themes: "Your everyday dog", "Your competing dog" and "Your working dog".

The creativity and originality of all the entries impressed the judges, but the overall winner was named as Emily Moores, aged 15, from Horsham, West Sussex, with her image, titled 'Autumn Magic'.

Emily's winning photograph, along with the four runners-up, will be displayed in The Kennel Club Art Gallery, as part of the 150th anniversary celebrations for the organisation.

Speaking of her win Emily said: "I am absolutely shocked but equally super happy and proud! I know how highly contested the YKC competitions are so I'm overjoyed to have won first place!"

Vanessa McAlpine, Kennel Club Events and Youth Development Executive added: "We were so impressed by Emily's image, it demonstrated a real talent for photography. Her picture not only met the brief of 'your everyday dog', but was a beautiful representation of the love she has for her dog, Summer.

"We would like to congratulate not only Emily, but all of our members who entered. The standard was incredibly high this year and we are so proud to have such creative young members."

The winner and runners up of the Young Kennel Club Artist of the Year competition are as follows:

**"I know how highly contested the YKC competitions are so I'm overjoyed to have won first place!"**

- **1ST PLACE:** 15-year-old Emily Moores from Horsham, West Sussex, for "Autumn Magic"
- **2ND PLACE:** 24-year-old Harris Dickenson from Salisbury, Wiltshire, for "Flying Xolo"
- **3RD PLACE:** 24-year-old Rachel Dutton from Pontefract, West Yorkshire, for "A Pixie in the Woods"

# 'Cruel' electric shock collars banned in England

In a 'historic moment for animal welfare' The Kennel Club has welcomed news that the Government has laid legislation which will completely ban the use of remote controlled electric shock collars in England, as of 1 February 2024, following a ten year campaign to #BanShockCollars.

Electric shock collars deliver an electric shock to a dog's neck via a remote control, up to a radius of two miles – meaning a dog not within sight of its owner could still be shocked – and for up to 11 seconds at a time. With five per cent of dog owners reportedly using electric shock collars, a complete ban on their use across the UK should mean half a million dogs will be saved from being trained by these highly aversive devices.

The announcement from Westminster comes thirteen years after these cruel and outdated devices were banned in Wales, under The Animal Welfare (Electronic Collars) (Wales) Regulations and they have also recently been banned in France, as of January 2023. Following a cross-welfare organisation event in Westminster in November 2022, co-hosted by The Kennel Club, the organisation also continues to see regulations introduced in Scotland – last month hosting a drop-in session for MSPs with MSP Christine Graham and the Scottish SPCA – after

**"This is a historic moment for animal welfare and will put an end to the misery and suffering of countless dogs..."**

the Scottish Government's guidance, condemning the use of shock collars in 2018, has been shown to be ineffective.

There is wide-ranging evidence demonstrating the detrimental effect that these can have on the welfare of dogs. In 2019, a study carried out by the University of Lincoln showed that electric shock collars compromised dog's well-being, even when used by 'professional' e-collar trainers, and were no more effective in training than positive reinforcement methods.

Mark Beazley, Chief Executive of The Kennel Club said: "The legislation banning electric shock collars in England, which comes into force next year, is a historic moment for animal welfare and will put an end to the misery and suffering of countless dogs who are still subject to these cruel and unnecessary devices. There is simply no excuse for using these devices, which cause physical and psychological harm, especially given the vast array of positive training methods available.

© The Kennel Club

"This is the culmination of over a decade of campaigning for us and we applaud Defra for helping to safeguard the welfare of our nation's much-loved dogs. More action is urgently needed in Scotland,

where regulations are needed to replace the ineffective guidance currently in place, and we will not rest until we see the complete ban on these devices that cause suffering and harm."

## New DNA testing scheme for Curly Coated Retrievers

The Kennel Club has approved a new official DNA test reporting scheme for Exercise-Induced Collapse (EIC) following consultation with the breed's health co-ordinator on behalf of the Curly Coated Retriever breed clubs.

**EIC leads to a defect in nerve communication during intense exercise. In affected dogs, certain factors can trigger them to collapse, including excitement, some types of exercise and changes in temperature. First clinical signs are usually noticed between five months and three years of age, but they can also appear later in life.**

This disease is described as an autosomal-recessive condition. For most breeds, this means that a dog must inherit two copies of an abnormal gene (one from its mother and one from its father) before its health is affected.

For Curly Coated Retrievers, this disease is more complex and researchers believe that environmental factors and/or other genetic influences can also contribute to whether a dog's health is affected. Having other factors that influence whether or not a dog develops this condition means that their results are not as definitive as other tests. Instead, these results are a measure of risk. For example, having two copies of the abnormal gene may increase a dog's risk but it doesn't necessarily always result in clinical disease.

Since the impact of the EIC gene test for Curly Coated Retrievers is different to EIC seen in Labradors and Clumber Spaniels, results will be recorded as EIC\_InCP.

**Tested dogs will be recorded on The Kennel Club systems as either:**

**Minimal risk (0)** These dogs do not have any copies of the EIC gene variant and are at minimal risk of developing the condition.

**Minimal risk (1)** These dogs have one copy of the EIC gene variant, but are at minimal risk of developing the condition and may pass either one copy of the normal gene, or one copy of the abnormal gene on to future puppies.

**Increased risk (2)** These dogs have two copies of the EIC gene variant and have an increased risk of developing EIC, and will pass a copy of the abnormal gene to all of their puppies.

The numbers assigned to each status indicate the number of copies of the EIC gene variant a dog has. Since this test for EIC evaluates a dog's risk, rather than giving a definitive result, The Kennel Club cannot assign progeny as 'hereditary clear' and therefore results will only be recorded for individual dogs.

Test results will be added to the dog's registration details which will trigger the publication of the result in the next available Breed Records Supplement and can also be viewed by visiting The Kennel Club website.

Results for dogs already tested can also be recorded, but owners will need to submit copies of the DNA certificates themselves. DNA test certificates should be scanned and emailed to Health results (The Kennel Club).

**Owners are reminded that:**

- From August 2018, it is mandatory that the dog's microchip (or tattoo) is recorded along with either the dog's registered name or registered number on any DNA certificates. Any test results issued after that date that do not carry these identifying features will not be accepted.
- The Kennel Club has a criteria that we request DNA testing laboratories to meet to enable us to record their results, helping to maintain and protect the integrity of results that appear on a dog's records. We have updated the list of laboratories that we accept results from and strongly advise that customers ensure their chosen laboratory is included on our revised list if they wish The Kennel Club to record and publish the results. Results from laboratories not included on this list will not be recorded.

To find out which laboratories The Kennel Club is able to record results from for this test, and which labs will send results direct to The Kennel Club, please refer to our page about EIC. Please note that these listings are not necessarily comprehensive and other labs may offer the tests. To find out which DNA tests are relevant to your breed, visit The Kennel Club website.

The Kennel Club constantly reviews DNA testing schemes in conjunction with breed clubs to ensure that breeders are supported with resources which help them to make responsible breeding decisions. The Kennel Club works alongside breed clubs and breed health coordinators in a collaborative effort to improve the health of pedigree dogs and is happy to consider a club's request to add a new DNA test to its lists. A formal request from the breed's health coordinator or a majority request from the breed clubs is normally required to do this.

## Update to measures for registering progeny of imported Keeshonds

**The Kennel Club has announced that following consultation with the Keeshond Breed Health Coordinator on behalf of the breed clubs, the regulation that all imported Keeshonds, or overseas dogs being imported into the UK breeding programme, must be DNA tested for primary hyperparathyroidism (PHPT) before registration of progeny, has been placed on-hold.**

The reasoning behind this is that there is no peer-reviewed scientific literature providing the details of the mutation tested for, or details of the association between the mutation and the phenotype, and so the validity of the DNA test with clinical disease is not fully understood. Lack of this crucial information does not align with The Kennel Club's updated DNA test auditing system.

As such, the test will also be removed as a requirement from Assured Breeders of Keeshonds in line with the new schedule update (expected Summer

2023), and the import restriction will be lifted with immediate effect. Test results will continue to be added to the dog's registration details which will trigger the publication of the result in the next available Breed Records Supplement, and also on the Health Test Results Finder on The Kennel Club website.

PHPT results from an inappropriate and excessive secretion of parathyroid hormone (PTH) into the blood. As a result of this, calcium levels rise above normal levels, which if undetected, can lead to too much calcium within the body, causing clinical signs such as muscle weakness, tiredness, excessive urination/thirst, lower urinary tract problems, weight loss, and vomiting. In the majority of affected animals, clinical signs are not evident until later in life, often after the point at which a dog would be used for breeding.

This condition is rare in the UK breed population, however it is acknowledged

that imported dogs may have the potential to rapidly reintroduce disease, which was the basis for the initial introduction of the clause. Given the very small global population size of this breed, making use of breeding animals from a range of countries of origin is essential in an attempt to conserve genetic diversity.

Any reports of this condition should be made to the Breed Health Co-ordinator, Anji Marfleet, who can be contacted via [thekennelclub.org.uk/search/breeds-a-to-z/breeds/utility/keeshond/](https://www.thekennelclub.org.uk/search/breeds-a-to-z/breeds/utility/keeshond/)

Details about the disease, and which test providers The Kennel Club is able to record results from, and those that will send results direct to The Kennel Club, can be found at [thekennelclub.org.uk/health-and-dog-care/health/getting-started-with-health-testing-and-screening/dna-testing/dna-test-phpt/](https://www.thekennelclub.org.uk/health-and-dog-care/health/getting-started-with-health-testing-and-screening/dna-testing/dna-test-phpt/)

## Exemption from benching trial for General and Group Championship shows

**The Kennel Club is reminding exhibitors that the requirement for benching for General and Group Championship dog shows has been relaxed for a two-year trial period, which came into effect on 1 January 2023, following the December Board meeting.**

Show societies may apply for exemption from benching with each application being considered on a case-by-case basis, and The Kennel Club, via the Show Executive Committee will be monitoring the impact on shows with Field Officers assigned to report on those shows for which exemption from benching is granted.

The Kennel Club wishes to reiterate that exhibitors must comply with all reasonable requests from the show management especially regarding any potential safety issues, and must be aware of their surroundings at all times.

A number of factors have been identified and highlighted to societies as requiring additional consideration should a show take place without

benching. While it is the responsibility of the society to ensure relevant factors have been taken into consideration it is paramount that exhibitors are aware of the following points:

- Regulation F(1)3.d which states: "Gangways. (1)The width of unobstructed gangway shall not be less than 6ft (1.85m) when there are rings and/or benches on either side. (2) The width of unobstructed gangway shall not be less than 3ft (0.92m) when there is a ring or benches on one side only."
- Potential hazards i.e., gazebo rope, including the distance between temporary structures (including ropes) and show rings.
- Dogs must be kept under control at all times
- No cooking equipment to be used

**Exhibitors are reminded to be mindful of their surroundings at all shows**

except as authorised by the show management e.g., Catering vans

- All gazebos must be well anchored
- All dogs must be identifiable at all times. As there will be no numbers on

benches exhibitors may need crate tags in order for dogs in crates to be identifiable

Societies must make schedules clear in terms of what arrangements have been made should a show be exempt from benching, including notice of wet weather arrangements.

Societies can apply for exemption after their schedule has been published, exemption may then be considered as an amendment to the schedule, although it is recommended that requests are submitted as early as possible.

In addition, exhibitors are reminded to be mindful of their surroundings at all shows whether benching is utilised or not. For further enquiries, please contact [breedshows@thekennelclub.org.uk](mailto:breedshows@thekennelclub.org.uk)

# The Emblehope & Burngrange Estate Northumberland

A Centre of Excellence for Working Dogs

This beautiful moorland estate stretches to some 7,550 acres and is absolutely ideal for walked up trialling and training for Retrievers, Spaniels and HPRs. The estate offers both Pheasant and Partridge shooting and the varied terrain offers opportunities for all breeds of Gundog to demonstrate their natural working abilities. Woodland cover provides excellent hunting for Spaniels whilst the stretching moorland is ideal for challenging retrieves and for the pointing breeds to show off their hunting abilities to the full.

**As a Centre of Excellence for Working Dogs, the Estate also welcomes the full range of working dog activities including:**

- Field Trials including Pointer and Setter Spring Stakes
- Gundog Working Tests
- Gundog Training Days
- Live Game Training Days
- Pointing Tests
- Working Trials
- Bloodhound Trials
- Activity Training Days
- Shooting and Gundog Activities

Book your training activities with the Emblehope Estate:

**THE KENNEL CLUB**  
ASSURED BREEDERS

## Find a puppy with the Assured Breeders scheme

Owners who buy from a Kennel Club assured breeder spend nearly 20% less in vet bills\* compared to those who buy a dog elsewhere.

Our dog is the light in our lives. Would always recommend a Kennel Club assured breeder.

I love my dog because this little bundle of fluff is the best thing that ever happened to us.

I love my dog because of the way he looks at me, his playful nature and his unconditional love!

I love my dog because she is my devoted best friend.

For a healthy, happy puppy always buy from a Kennel Club assured breeder and do your part to help put puppy farmers out of business.

### OBITUARY

It is with great sadness that our colleague Glen Dymock passed away on the 21 May. Glen had worked at The Kennel Club since 2004 and was very much loved and respected. He was a regular contributor to the journal producing much of the background information. Our thoughts are with Glen's family and friends at this time.

### CLUB OPENING TIMES

The Club is open 5 days a week, Monday to Friday from 10.30am to 5.00pm. For dining room bookings, please telephone 020 7518 1017.

## The Kennel Club Accredited Instructors Scheme

### THE KENNEL CLUB ACCREDITED INSTRUCTORS

The Kennel Club Accredited Instructors (KCAI) Scheme offers its members the opportunity to gain a nationally-recognised vocational accreditation based on a robust standard set by the Kennel Club. It is the first and only scheme for dog training instructors and behaviourists that has achieved programme accreditation from City & Guilds, a globally-recognised benchmark of quality.

This section of the Kennel Club Journal is dedicated to KCAI Scheme members. It provides information on the resources available to members, announcements on newly awarded Kennel Club Accredited Instructors, and KCAI Scheme news and updates.

For more information on the KCAI Scheme, please visit: [www.kcai.org.uk](http://www.kcai.org.uk)

### NEWLY AWARDED KENNEL CLUB ACCREDITED INSTRUCTOR

Congratulations to Pamela Statham from Worcestershire on achieving accreditation to become a Kennel Club Accredited Instructor in Companion Dog Training.

### FIND A CLUB

The Kennel Club recently announced the launch of the new and improved 'Find a Club' service.

The new service includes listings for clubs which hold training for a variety of activities, to help dog owners find local training clubs in their area.

Clubs that employ dog training instructors who have achieved Kennel Club Accredited Instructor status, will display a badge against the clubs name, to indicate that one or more of their dog training instructors have been assessed against the Kennel Club standards.

If you are a Kennel Club Accredited Instructor we would suggest that you log onto Find a club to check if the club where you train has the KCAI badge displayed on their club page. If not, please contact the [kcai@thekennelclub.org.uk](mailto:kcai@thekennelclub.org.uk)

Clubs that do not have a Kennel Club Accredited Instructor, we would encourage them to sign up their dog training instructors to join as member of the scheme and take advantage of the following:

- Show your clients that your club's dog training instructors have undertaken to abide by the scheme's code of practice, and they promote and use suitable and motivational training methods consistent with principles of kindness, fairness and good welfare of dogs
- Have your club's dog training instructors achieve accreditation with the Kennel Club Accredited Instructors, a UK membership scheme for dog training instructors that has achieved programme accreditation from City & Guilds, a globally recognised benchmark of quality.

### STAGES TO ACHIEVE ACCREDITATION TO BECOME AN KENNEL CLUB ACCREDITED INSTRUCTOR

1. Successful completion of all nine online assessments
2. Submission of the accreditation application
3. Accreditation Application is reviewed
4. Practical and oral assessment conducted
5. Application outcome

The Accreditation Adviser and Kennel Club Accredited Instructors team are available to provide you with support and guidance with the accreditation application process, please contact the us at [kcai@thekennelclub.org.uk](mailto:kcai@thekennelclub.org.uk)

### SCHEME RESOURCES

As a member of The Kennel Club Accredited Instructors, you can take advantage of the following resources:

#### MEMBERS PORTAL

The members page is a secure web portal for KCAI members. It can be accessed via the Kennel Club website and contains all of the information related to the scheme and the relevant documents to help support members that are working towards accreditation.

You can access the members page at: [www.thekennelclub.org.uk/training/kcai/kcai-members-zone/](http://www.thekennelclub.org.uk/training/kcai/kcai-members-zone/)

#### KENNEL CLUB ACADEMY

In addition to access to the online assessments, there are a number of resources available on the Kennel Club Academy which range from Breeder Education, Ring Procedures at Kennel Club Licensed Shows, and Judges Education.

You can access the academy by visiting: [www.thekennelclub.org.uk/academy/](http://www.thekennelclub.org.uk/academy/)

#### KENNEL CLUB LIBRARY

The Kennel Club Library is Europe's biggest library dedicated to dogs, with books dating back to the 17th century. The Library is a quiet environment for study. If you can't get there, our librarians are willing to help you with any specific research needs by email.

Find out more about the Kennel Club Library by visiting: [www.thekennelclub.org.uk/about-us/facilities/the-kennel-club-art-gallery-and-library/the-kennel-club-library/](http://www.thekennelclub.org.uk/about-us/facilities/the-kennel-club-art-gallery-and-library/the-kennel-club-library/)
