

Kevin Smith

I am proud to represent the North East on the ALC. I have been involved in Agility for 10 years and a club committee member for 8 years; I have been the organiser and Show Manager at a number of Agility shows for them. I started judging in 2012 and average about 12 appointments a year.

I live with my wife, two daughters and 4 dogs; 3 of which are rescues (all failed foster dogs!) and I currently compete in Agility with two of them, both Working Sheep Dogs.

I am happy to listen to any comments on the issues that concern competitors and clubs in the region.
