

OBEDIENCE LIAISON COUNCIL – How it works!

The Obedience Liaison Council is here to enable competitors and obedience clubs to communicate with the Kennel Club (KC). Do you want to get your voice heard? The Council is the key channel for you to make positive changes to obedience. Proposals from the Council can result in fundamental changes in KC policy, which means they are valuable to everyone in obedience. Made up of 17 representatives from every area of the UK, the Council meets a maximum of twice a year to discuss matters that may affect you.

Please see the flowchart below to see how the Council functions within the KC.
