Making a difference for dogs

A guide to help you complete an Application for the Registration of a Border Collie (ISDS) - Form 9

The owner who wishes to register a Border Collie should complete this form in
BLOCK CAPITALS in **black ink** throughout and send to the Kennel Club.

1 Owner(s) name & address

The owner is the person in whose name the dog is to be registered under.
The declaration must be signed by all parties in the case of joint ownership.

If the dog is registered with the International Sheep Dog Society (ISDS), the name of the person applying must match the current registered ownership printed on the ISDS registration certificate.

2 Dog details

Specify the dog's status by ticking the option that applies and enclose **photocopies** of the following documentation:

If you ticked box a), the dog's ISDS registration certificate and pedigree

If you ticked box b), the sire's and dam's ISDS registration certificates and pedigrees

If you ticked box c), the dam's ISDS registration certificate and pedigree

Please note, it may be necessary to request a photocopy of the official pedigree certified by the International Sheep Dog Society, should we not hold on our records sufficient details of the dog's ancestry.

Dog naming guidelines (please read carefully)

- i. If the dog is registered with the ISDS, the name as it appears on its registration certificate must be incorporated as part of the name.
- ii. A name must consist of more than one word but not exceed 24 letters.
- iii. A name which conflicts with an active Kennel Name granted to another person will not be accepted, unless it is the name that the dog is registered as with the ISDS.
- iv. The surname of the breeder/current owner is not acceptable.

v. If a Kennel Name is to be used, it must appear as the first word if named by the breeder. If you are not the breeder of the dog, or the breeder of both the parents, the Kennel Name must appear as the last word of the name.

vi. Initials cannot be used & abbreviations may be disallowed.

vii. Canine terms are not permissible, e.g. "dog", "bitch", "Kennel", "Champion" and specific names of breeds.

viii. A registered name cannot be used again within a breed.

The Kennel Club reserves the right to refuse any name that it considers inappropriate or offensive.

The Kennel Club also retains the right to request a fresh name for any dog after the registration has been accepted, in the event of a complaint being lodged with the Kennel Club that is upheld.

3 Breeder(s) name & address

The breeder is the person who bred the dog. If the application is for a dog registered with the ISDS, the breeder's signature is not required. However, if the application is for a dog born to a bitch registered with the ISDS, the breeder's details and signature are required and must match the current ownership of the bitch on the ISDS certificate.

4 Fee

The fee to register a Border Collie is £15.00.
