

A guide to help you complete an Application to Vary the Ownership of a Kennel Name - Form 11

This form should be used by the applicant(s) to vary the ownership of a Kennel Name. It should be completed and sent to the Kennel Club.

1 Kennel Name holder(s) name & address

The Kennel Name holder is the person who currently holds an active interest in the Kennel Name, who wishes to grant a separate interest to the applicant(s). Please complete all contact details here. **A Kennel Name can only be used in the naming of dogs where the ownership of the Kennel Name and the registered ownership of the dog are identical.**

2 Kennel Name

The Kennel Name word that is to be varied in ownership.

3 Declaration to be signed by the current Kennel Name holder(s)

Statement A or B must be signed by the Kennel Name holder(s) and not by a 3rd party. Failure to do so may result in the granted interest in the Kennel Name being cancelled.

By signing statement A, you wish to retain your interest in the Kennel Name and grant a separate interest in the Kennel Name to the applicant(s). By signing the declaration you acknowledge that you are unable to cancel this interest without the consent of all parties involved and give the same right to the applicant(s) to grant a separate interest to anyone of their choosing. If you are the sole holder of the Kennel Name, you are also accepting that you will now become a separate interest holder only.

By signing statement B, you are agreeing to relinquish all rights to the Kennel Name in favour of the applicant(s) and subsequently, your interest in the Kennel Name will lapse and will no longer be available to you when naming puppies.

4 Name and address of applicant(s)

The applicant is the person in whose name the Kennel Name is to be registered. Please complete all sections in order for the application form to be accepted.

If the ownership of the new interest in the Kennel Name is to include a member of the existing Kennel Name ownership, please make sure their name is included in this section.

5 Declaration

The declaration must be signed by the applicant(s) in order for the Application to Vary the Ownership of a Kennel Name to be accepted.

6 Breed(s)

Please state breed(s) interested in.

7 Fee

The application fee to vary ownership of the Kennel Name, including the first years maintenance payment is £45.00.

8 How to pay

i. An initial fee of £45 is payable to vary the ownership of a Kennel Name. This includes the registration fee of £25 and the first year's maintenance fee of £20.

ii. The maintenance of the Kennel Name will be due for payment annually on the date the new interest in the Kennel Name was granted. The Kennel Club will notify you four weeks before the annual maintenance payment is due, if paying by credit card or cheque. However, the onus lies with the Kennel Name holder to ensure payment has been taken.

iii. If the annual maintenance payment is not made the Kennel Name interest will lapse and will no longer be available for use in naming puppies in that interest.

Important: If you change your name or address, we require notification in writing. Failure to update your details may prevent correspondence relating to Kennel Name maintenance being delivered, causing the Kennel Name to become lapsed.

9 Annual maintenance by Direct Debit

We recommend that you complete this section in order to pay for the future annual maintenance payments by Direct Debit. This method will help ensure that your Kennel Name does not lapse and costs just £18, saving you £2 off the regular annual maintenance fee.

If you prefer, maintenance can be paid by cheque or credit card for an annual fee of £20 online at www.thekennelclub.org.uk/registration/kennel-names/ or by calling us (see bottom of page).

Returning your application

Once you have completed this form, please send it together with the appropriate fee to the address at the bottom of the page.
