People tend to think of communications work in relation to print, broadcast and digital media. However, the communications work of the Kennel Club involves a whole range of other activities that enable the Kennel Club to get its messages into the public domain.

One way in which the Kennel Club reaches out to the people who use its services, or have the potential to do so, is through having a presence at large events attended by thousands of dog owners and prospective dog owners, such as the recent Game Fair at Hatfield House in Hertfordshire and the BBC Countryfile Live event at Blenheim Palace in Oxfordshire. At both of these events the Kennel Club had a stand where visitors to the show could receive information on the various activities they can become involved in with their dog, the benefits of pedigree dogs and details of how to go about acquiring a puppy in a responsible manner.

**Gundog Displays**
Being able to educate the general public about the various breeds of pedigree dog is a very good public relations exercise for the Kennel Club. Our colleagues who worked at these events reported that there was a lot of interest expressed in the Kennel Club and especially in working gundogs which have a large presence at shows such as these. The gundog displays were great crowd pullers.

We know it is very important for the Kennel Club to have a presence at events, which is why the Kennel Club Roadshow will be in attendance at Darlington in September and at LKA at the NEC in Birmingham on December 9th-10th. If you are planning on visiting one of these shows, please drop by and say hello. Kennel Club staff will be on hand to assist you with any queries you may have.

**SEPTMBER KENNEL GAZETTE**

The September issue of the Kennel Gazette includes a special feature on the Kennel Club Gundog Working Tests at Chatsworth and how they have thrived in the last decade. Gay Robertson talks to Kennel Club Accredited Instructor Trainer of the Year Martha Brindley and European Specialist in Veterinary Behavioural Medicine Helen Zulch discusses understanding your dog’s communication signals in Health Matters.

Simon Luxmoore provides his personal vision for how the Kennel Club can stay at the forefront of canine welfare in an ever-changing world in On my mind, Revd. Bill King reports on the Kennel Club Charitable Trust and the generosity of its donors, and the Judges’ Choice is the intelligent, active and alert Shih Tzu.

We are also running a competition to win a copy of the bestseller ‘Finding Gobi, the true story of a little dog and an incredible journey’ by Dion Leonard in Book Corner.

If you would like to receive a copy of the Kennel Gazette why not become a Kennel Club Affiliate? Along with all the great content included within the Gazette, being an Affiliate entitles you to 10% off all Crufts and Discover Dogs tickets, 10% off all Kennel Club merchandise & publications all year round, annual copy of the Kennel Club Year Book and more.

You will have further opportunities to meet with Kennel Club Board members and senior staff in September and October when the Kennel Club’s Question Time evenings will be held in Kent and East Anglia. These events aim to give dog owners the opportunity to air their views, ask questions and find out about the latest issues that may affect them and their dogs.

The Kennel Club hopes to engage with dog owners and encourage them to ask any questions, share thoughts and ideas and encourage dialogue with the Kennel Club about how everyone can work together to promote dogs in a positive light.

The Kent Question Time will be held on Tuesday 26th September at Brandshatch Place Hotel, Brands Hatch Road, Fawkham DA3 8NQ and the East Anglian event will be held in Cambridge on Tuesday 10th October at the Quy Mill Hotel, Church Road, Stow-cum-Quiy CB25 9AF.

These events are free of charge but places must be booked in advance. Contact Sue Sampson to reserve a place on email susan.sampson@thekennelclub.org.uk or by phone on 01296 318540. To ensure that questions can be answered on the night, please submit them in advance to Sue via the same email address.

Cambridge is the final Question Time event for 2017. Suggestions are sought for locations which may be suitable for such an event next year. Once again, if you have any ideas, please contact Sue.
Specialist knowledge

Since its inception in 2004, the KCAI Scheme has offered its members the opportunity to gain a nationally-recognised vocational accreditation based on a robust standard set by the Kennel Club.

The main purpose of the KCAI Scheme is to provide dog owners with a wide and accessible choice of dog training instructors and behaviourists who have proven specialist knowledge, skills and experience.

All Kennel Club Accredited Instructors Scheme members have undertaken to abide by the scheme’s Code of Practice which sets out the principles governing their professional conduct and training practices.

For more information on the KCAI Scheme visit www.thekennelclub.org.uk/training/kcai/.

Scottish policymakers

The Kennel Club public affairs team recently met with policymakers in Scotland and has made considerable progress in achieving our policy aims on behalf of Scottish dog owners, with the government agreeing to introduce a tail docking exemption for working dogs to prevent tail injuries, regulate the use of shock collars, and review breeding and sale legislation. In conjunction with colleagues from the SKC we arranged meetings with a number of MSPs and civil servants to advance these campaigns.

At the time of our visit, the department of Environment, Climate Change and Land Reform was actively considering the government’s draft tail shortening legislation. We presented our position on tail shortening and the welfare importance of an exemption for genuine working dogs to a number of the committee members and their fellow MSPs.

Shortly after our visit, the committee heard formal evidence from Roseanna Cunningham, Cabinet Secretary for Environment, Climate Change and Land Reform. The committee proceeded to approve the draft legislation, which then advanced to the full parliament for consideration and a vote, which was passed.

SHOCK COLLARS

While the Scottish Government’s work on shock collars is less advanced, current indications are dog walkers will be required to visit a government approved trainer or vet before being able to use a shock collar legally in Scotland. We are now working to ensure that restrictions are effective and guarantee that shock collars may be used only as an absolute last resort.

Finally, we held constructive talks regarding legislation on the breeding and sale of dogs in Scotland, discussing how the ABS could help in improving dog breeding standards in Scotland.

As part of its External Affairs activities the Kennel Club runs a dog owners group KC Dog with approximately 5,000 members, which was established to monitor and keep dog owners up-to-date about dog related issues, including Public Spaces Protection Orders (PSPOs) and Dog Control Orders (DCOs) being introduced across the country.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland.

The Kennel Club works with local authorities and dog owners to highlight the importance of PSPOs and DCOs being necessary and proportionate responses to problems caused by irresponsible dog owners. It is vitally important that local dog owners respond to proposals so that orders reflect their dog walking needs.

The Kennel Club Charitable Trust's sole purpose is to 'make a difference for dogs'. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. If you would like further information, please contact The Kennel Club Charitable Trust, Clarges Street, Piccadilly, London, call 01296 318540 or go to www.kccharitabletrust.org.uk
