Welcome...

to the April Journal.

Inside you will find all the usual events, seminar and show listings.

The Kennel Club enjoyed a very successful Crufts this year with a record breaking attendance of over 160,000 visitors. Much has happened since the show has taken place, however, the Kennel Club would like to take this opportunity to thank all those that make Crufts the great event that it is, from those showing and taking part in the many competitions, to the many, many volunteers taking part in the displays, breed booths and stands who give their time and their dogs, all in the tireless effort to demonstrate just how amazing our canine friends are and the very important role they play in our lives.

Special congratulations of course also must go to Marie Burns, owner of Devon the West Highland White Terrier and Charlie Donaldson, co-owner of Hazel the Whippet for winning Best in Show and Reserve Best in Show.
EVENTS – APRIL 2016

A12 DISCIPLINARY CASE

At its meeting on 11 January 2016, the Kennel Club Disciplinary Sub-Committee considered the conviction of Mr Roger Woodridge of Gilford, Bargoed from the Newport Magistrates Court for offences contrary to the Animal Welfare Act 2006. The Committee imposed the following penalties:

1. To disqualify him from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the General Committee shall have the power to increase the period of disqualification. (A11 (e) (4))
2. To disqualify him from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club. [A11] (G)

3. To disqualify him from acting as an Officer or serving on the committee of any canine society. [A11] (D)

4. To disqualify him from taking part in the management of any event licensed by the Kennel Club. [A11] (D)

5. To disqualify him from judging at any event licensed by the Kennel Club. [A11] (D)

6. To disqualify him from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by him (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee). [A11] (D)

The above listed disqualifications are to be for Ten (10) years from 11 January 2016.

The Committee, following the imposition of these penalties, would draw the attention of the Respondent to the effect of Rule A11 sub-section n.

Whilst the Committee has sympathy with Mr Wooldridge’s personal circumstances the Committee felt that this does not excuse the neglect of his dogs which caused unnecessary suffering. It is regrettable that the situation was allowed to develop and that Mr Wooldridge did not seek help or assistance.

The Committee noted that the court considered the offences to be so serious, due to the extent of the suffering of the animals and three out of five dogs had to be put down.

The Court imposed a suspended twelve week custodial sentence.

The Committee was in agreement that there were significant husbandry issues with senior dogs being kennelled away from Mr Wooldridge’s home and subject to serious neglect of their welfare needs.

It is worth expressly stating the needs of an animal which must be met to the extent required by good practice under the Animal Welfare Act 2006 are:

(a) its need for a suitable environment,
(b) its need for a suitable diet,
(c) its need to be able to exhibit normal behaviour patterns,
(d) any need it has to be housed with, or apart from, other animals, and
(e) its need to be protected from pain, suffering, injury and disease.

In difficult circumstances the Breeder Helpline (which is supported by the Kennel Club Charitable Trust) is available to offer confidential advice and assistance.

APPEALS TRIBUNAL
8 March 2016
Rule A12
Mr R Wooldridge

The Appeals Tribunal considered the appeal from the decision of the Disciplinary Sub-Committee of 11 January 2016 in connection the conviction of Mr R Wooldridge from the Newport Magistrates Court for offences contrary to the Animal Welfare Act 2006.

The papers previously before the Disciplinary Sub-Committee were presented to the Appeals Tribunal together with the Appeal from Mr Wooldridge as submitted by a Solicitor-Advocate on behalf of Mr Wooldridge.

The Appeal listed the following grounds for appeal:
- The decision was made by reference to irrelevant factors
- The decision was made for an improper purpose
- The decision was made in a procedurally unfair manner
- The penalty imposed was disproportionate

The grounds are legitimate grounds of appeal as listed in the U Regulations.

The Appeals Tribunal considered each ground of appeal in turn and did not uphold the first three grounds of appeal, namely that the decision was made by reference to irrelevant factors; the decision was made for an improper purpose; and the decision was made in a procedurally unfair manner.

In respect of the fourth ground of appeal, the Appeal Tribunal’s view was that a period of disqualification was necessary but had to consider whether ten years was proportionate.

The Magistrates Court did not impose a disqualification on keeping dogs by Mr Wooldridge; that being so it was felt that the period imposed by the Disciplinary Sub-Committee should be reduced to acknowledge this.

The Appeals Tribunal’s view was that the period of disqualification should be reduced to Five years from 11 January 2016.

Further details on the decision are available to read upon request to the Kennel Club Secretary.

XOLOITZQUINTLE (MEXICAN HAIRLESS) INTERIM BREED STANDARD

The following amendments have been made to the above Interim Breed Standard:

General Appearance Both hairless and coated are identical in type and conformation, differing only in coat and dentition. All three sizes have the same harmonious proportions. Sturdy and athletically built. The body is slightly longer than high, when measured from the point of shoulder to the point of buttock and from the point of withers to the ground; approximately 10 to 9. Females may be slightly longer than males.

Hairless variety: Complete or almost complete lack of hair on the body, with a smooth and soft skin. Coated variety: completely short coated, which is tight, flat and smooth, with no undercoat.

Characteristics A natural, primitive type, slim and elegant, moderate in all respects. In hairless dogs, the body feels warm to the touch.

Temperament Cheerful, alert and intelligent. Can be aloof and wary with strangers. Good watchdog and excellent companion. Never aggressive.

Head and Skull Viewed from above, the head is wedge shaped, broad, strong and elegant, tapering towards the muzzle. The depth, width and length of skull should be approximately equal. Slight but defined stop. Seen from the side the muzzle is straight with strongly developed jowls. Planes of skull and muzzle almost parallel and of equal length. Moderately developed cheeks. Nose self coloured to blend with skin/coat colour. Lips tight and close fitting.

Eyes Medium size, almond shaped. Alert and intelligent expression. Colour varies according to skin/coat colour, i.e. black, brown, hazel, amber or yellow tones. Darker colours are preferred. Eye rims well pigmented: black, brown or grey in dark coloured dogs; tone with skin/coat colour. Light coloured or pink eye rims are tolerated in light coloured dogs but not desirable. Blue or wall eyes highly undesirable.

Ears Always erect when alert. Set on slightly obliquely. Long, large, very elegant and of fine texture. Due to their fine texture it is not uncommon to have notches in the edges.

Mouth Jaws strong with a perfect, regular and complete scissor bite, i.e. upper teeth closely overlapping lower teeth and set square to the jaws. A level bite is permitted. In the hairless variety, the absence of a few teeth, or presence of rotated teeth, should not be penalised.

Neck Proportionately long with head held high, slightly arched, very elegant and well muscled. Skin tight and firm.

Forequarters Shoulders moderately laid back with flat muscles. Good angulation of shoulder and upper arm. Elbows firm and held close to the chest, never turned outward. Forelegs of good length, straight when viewed from the front. Pasterns firm and almost perpendicular.

Body Sturdy and athletically built. Back firm, straight and level with strong, muscular loin and slightly rounded croup. Forechest not exaggerated. Ribs long and deep, reaching to the elbows, well sprung giving good width to chest. Moderate tuck up.

Hindquarters Well developed first and second thigh with moderately angulated stifles to balance the angulation of the shoulder. Viewed from behind, the rear legs are perfectly straight and parallel. Hocks clean and well let down, turning neither in nor out.

Feet Of medium length (hare foot) with toes semi-arched and close together. Nails self coloured. Pads strong and resilient. Short hairs may be present in the hairless variety.

Tail Set as an extension of the croup. Long, thin and tapering from base to tip, almost reaching the hock. At rest, hangs with a slight curve at the end. When moving, held high in a curve but never touching the back.

Gait/Movement Graceful and balanced. Free with a long, elegant, springy step. The trot is quick and flowing with head and tail carried high, maintaining a level topline.
Coat
Hairless variety: The skin on the neck is firm, elastic, yet close fitting and without dewlap. The skin is of great importance. It is smooth, sensitive and feels very warm to the touch. Scars are not to be penalised including on ears. The main characteristic of the hairless is the total or nearly total lack of hair, although there may be some short tufts of coarse hair on the forehead, face and back of the neck. This hair may be any colour but should not reach more than 2.5 cm in length. It is common to find short hairs on the feet and at the end of the tail.

Coated variety: Single coat which is short, flat and close fitting. Coat uniform in density and texture. Very little hair on the belly and inside rear legs. Hair longer than 2.5 cm is undesirable.

Colour
Solid, uniform and dark colours are preferable, black, grey or in any shade, red, liver, bronze and blonde. There may also be spots of any colour, including white markings.

Size
Miniature 25-35 cms (10-13.75 ins)
Intermediate 36 – 45 cms (14 – 17.75 ins)
Standard 46 – 60 cms (18 – 23.5 ins)

No change to introductory paragraph, faults clause and note.

Jack Russell Terrier Interim Breed Standard

The following Interim Breed Standard is effective from 1 April 2016.

Introductory paragraph
A Breed Standard is the guideline which describes the ideal characteristics, temperament and appearance including the correct colour of a breed and ensures that the breed is fit for function. Absolute soundness is essential. Breeders and judges should at all times be careful to avoid obvious conditions or exaggerations which would be detrimental in any way to the health, welfare or soundness of this breed. From time to time certain conditions or exaggerations may be considered to have the potential to affect dogs in some breeds adversely, and judges and breeders are requested to refer to the Breed Watch section of the Kennel Club website here http://www.thekennelclub.org.uk/services/public/breed/watch for details of any such current issues. If a feature or quality is desirable it should only be present in the right measure. However if a dog possesses a feature, characteristic or colour described as undesirable or highly undesirable it is strongly recommended that it should not be rewarded in the show ring.

General Appearance
A strong, active, lithe, working terrier of great character with flexible body of medium length. Smart movement. Keen expression. The coat is predominately white, and may be smooth, broken or rough. Scars not to be penalised.

Characteristics
Lively, alert and active. A good hunting terrier, sturdy built, that could go easily to ground.

Temperament
Bold, fearless, friendly and confident.

Head and Skull
The skull should be flat and of moderate width, gradually decreasing in width to the eyes and tapering to a strong muzzle. The stop is well defined, and the cheek muscles are well developed. The length of muzzle from the stop to the nose should be slightly shorter than from the stop to the occiput. Nose and lips black. Lips tight-fitting.

Eyes
Almond shaped, fairly small and dark, with keen expression. Not prominent. Closely fitting eye rims, with black pigment.

Ears
Button or dropped, carried close to the side of the skull, of good texture and great mobility. The top of the ear is level with, or very slightly above the skull. The tip of the ear is in line with the eye.

Mouth
Jaws strong with a perfect, regular and complete scissor bite, i.e. upper teeth closely overlapping lower teeth and set square to the jaws. Broken or missing teeth due to work are not to be penalised.

Neck
Strong and clean, of sufficient length to carry the head proudly, and to protect the feet when working below ground.

Forequarters
Shoulders well laid back with visible forechest, and never heavily loaded with muscle. Upper arm of sufficient length with angulation to ensure elbows are set under the body. Well boned forelegs as straight as compatible with a short legged dog when viewed from front or side.

Body
The length from the point of shoulder to the buttocks slightly greater than the height from the withers to the ground. Level back, with very slight arch to loin which is short, strong and well muscled. Chest oval, fairly deep rather than wide, with good ground clearance. The distance from the withers to the elbow is equal to the distance from the elbow to the ground. Ribcage oval, well sprung, flattening somewhat on the sides so that the girth behind the elbows can be spanned by two hands - about 40cm to 43cm. Moderate tuck up.

Hindquarters
Strong and muscular, angulation in balance with the shoulders. Stiffly bent with good length, never stilted or high stepping. Hindquarters providing plenty of drive.

Feet
Round to oval, not large, with toes moderately arched. Pads firm.

Tail
High set, thick at base, in overall balance with the shoulders. Stiffly bent with good length, never stilted or high stepping. When standing, paws parallel when viewed from behind.

Chest
Oval, fairly deep rather than wide, with good ground clearance. The distance from the withers to the ground. Level back, with very slight arch to loin which is short, strong and well muscled. Chest oval, fairly deep rather than wide, with good ground clearance. The distance from the withers to the ground. Ribcage oval, well sprung, flattening somewhat on the sides so that the girth behind the elbows can be spanned by two hands - about 40cm to 43cm. Moderate tuck up.

Gait/Movement
Unrestricted, free striding, ground covering gait without exaggeration. Well co-ordinated; straight action front and rear, may converge slightly at a faster pace. Strides should be of good length, never stilted or high stepping. Hindquarters providing plenty of drive.

Coat
May be smooth, broken or rough. Must be weatherproof. Not over trimmed.

Colour
White must predominate with black and/or tan markings. The tan markings may range from light tan to rich chestnut tan.

Size
25-30 cms (10-12 ins). Substance and weight should be proportionate to height. Neither too coarse nor too refined.

Faults
Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog and on the dog’s ability to perform its traditional work.

Note
Male animals should have two apparently normal testicles fully descended into the scrotum.
JUDGES

---

**CHALLENGE CERTIFICATES**

At its meeting held on 9 February 2016 the General Committee approved the following nominations to award Challenge Certificates & to judge Groups & Best in Show:

(D = Dog, B = Bitch, BIS/R = Best In Show/Referee where applicable)

* Approved for the first time

** Variety of Breed

The Committee did not approve 9 nominations to judge

KENNEL CLUB CHARITABLE TRUST DONATIONS

DONATIONS: 19TH FEBRUARY - 3RD MARCH 2016

We would like to thank the following for their kind donations to the Kennel Club Charitable Trust:

- Miss D Inett
- Mrs L Mathieson
- Mr B McNeill
- Mrs L Richmond
- Miss S Roberts
- Mrs Hurley
- Mr Pabinha
- Mrs R Smart
- Ms M Oliver-Barratt
- Ms A Davey
- S Delemare
- Ms R Gray
- Ms O Quinn
- Ms J Dodd
- Ms A Jennings
- A Edeney
- Mr A Laird

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs’. Since its inception in 1987, the Trust has awarded over £9 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. If you would like further information, please contact The Kennel Club Charitable Trust, Clarges Street, Piccadilly, London, call 01296 318540 or go to www.kccharitabletrust.org.uk

Registered Charity No. 327802

REGISTRATION OF TITLE – ADVERTISEMENT

At its meeting held on Tuesday 9 February 2016, the General Committee recommended that the following societies be advertised:

SOUTHERN DOGUE DE BORDEAUX SOCIETY (BS) (PROPOSED)
Activities: Breed Shows
Area of Operation: Southern England
Secretary: Mrs N Courtney, High View, Cambridge Road, Althorne, Essex CM3 6DB

NORTH EAST COAST CHIHUAHUA CLUB (BS) (PROPOSED)
Activities: Breed Shows
Area of Operation: East Coast and surrounding areas
Secretary: Mrs VA Ellis, 133 Castle Road, Redcar, Cleveland TS10 2NF

At its meeting held on Tuesday 5 January 2016, the General Committee recommended that the following society be advertised:

WESSEX DOG TRAINING CLUB (TC)(AG)(CZ)(FB) (PROPOSED)
Activities: Training, Agility, Good Citizen and Flyball
Area of Operation: Dorset
Secretary: Mrs I Randle, 6 Dyets Cottages, Bloxworth, Wareham, Dorset BH20 7EH

Any currently registered Societies wishing to lodge objections to these applications should address their correspondence by 30 April 2016, to Mrs P Hill, Registered Societies, Clarges Street, London W1J 8AB.

AMALGAMATION OF REGISTERED SOCIETIES – FINAL APPROVAL

At its meeting on Tuesday 9 February 2016, the General Committee approved the following Amalgamation of Title applications:

SCOTTISH PEKINGESE ASSOCIATION & NORTH OF SCOTLAND PEKINGESE CLUB
Amalgamate to:
PEKINGESE CLUB OF SCOTLAND

BIRMINGHAM PEKINGESE ASSOCIATION & INVICTA PEKINGESE CLUB
Amalgamate to:
BIRMINGHAM INVICTA PEKINGESE CLUB

Any currently registered Societies wishing to lodge objections to this application should address their correspondence by 31 May 2016, to Mrs P Hill, Registered Societies, Clarges Street, London W1J 8AB.
The following Kennel Names have recently been granted by the Kennel Club. Objections to any of the approved Kennel Names listed below must be lodged in writing within four weeks of the publication of this Journal. If an objection is successfully upheld, the Kennel Club reserves the right to revoke the Kennel Name and any subsequent registrations. Objections should be addressed to the Specialist Business Team, 4A Alton House Office Park, Gatehouse Way, Aylesbury, Bucks HP19 8XU.
