KENNEL CLUB PLEDGES £15,000 TO NATIONAL WAR MEMORIAL

The Kennel Club has pledged its support to a national memorial to commemorate dogs of war. This will be the first ever memorial honouring the courage of all the military working dogs that have served with the Armed Forces in many conflicts and saved many lives.

The launch for the new memorial took place in Parliament in 2018 with the aim to gain support and pledges to raise the £150,000 needed to construct the memorial which will enjoy a peaceful setting in Brynford, Flintshire.

The proposed design for the animal cenotaph features bronzes of four heroic war dogs positioned as guardians of a central monument dedicated to the service dogs of the Royal Navy, Army and the Royal Air Force.

The four dogs include Pointer ‘Judy’, a Second World War naval mascot who spent three years in a Japanese labour camp in Sumatra – the only dog to be officially registered as a prisoner of war. Also featured will be RAF terrorist tracker dog ‘Lucky’ who served during the Malayan Emergency from 1949 to 1952 – the GSD was the only survivor of a four dog team who successfully tracked down insurgents and in doing so saved many lives.

The third dog featured will be ‘Theo’, a Royal Army Veterinary Corps Arms and Explosives Search Dog, who was serving in Afghanistan in 2011 when his handler Lance Corporal Liam Tasker came under fatal enemy fire – Theo died of a seizure just hours after L/Cpl Tasker lost his life in the line of duty.

The fourth bronze will be of Air Dog ‘Buster’ who served in Bosnia, Iraq and Afghanistan as an Arms and Explosives Search Dog, saving thousands of lives.

Kennel Club advice on Brexit

Defra want to ensure that pet owners are ready in the event of a ‘no deal’ exit from the EU.

It is important pet owners continue to meet the requirements of the EU pet travel scheme under all eventualities, including incurring veterinary costs which may prove to have been unnecessary in the event of a deal being reached.

On 24 September 2018 Defra published a technical notice Taking your pet abroad if there’s no Brexit deal. This explained how pet travel to the EU could be impacted in a range of EU exit scenarios including the event that the UK leaves the EU without a deal.

On 6 November 2018 Defra issued follow up guidance and advice on Pet travel to Europe after Brexit. The guidance also advised on the documents and health preparation that would be required for pets to return to the UK from the EU. This included the clarification that the UK won’t be changing the health requirements for pets entering the UK from the EU after 29 March and UK and EU citizens will continue to be able to use EU pet passports for pets entering the UK.

The Kennel Club strongly advises all pet owners planning to take their pet to the EU after March 2019 to contact their vet at least four months before travel and visit www.gov.uk on a frequent basis to check the most up-to-date information from Defra.

GSP wins Kennel Club HPR Championship

FT Ch Aytee Jumbo Jet of Islasbraw, a German Shorthaired Pointer owned by Darryl Elliot from Perthshire, has won the Kennel Club’s 17th Hunt, Point and Retrieve (HPR) Championship, sponsored by Skinner’s Pet Foods, held at the Swinton Estate in Ripon, North Yorkshire by kind permission of Lord Masham.

Darryl said: “It is an achievement to qualify for the HPR Championship let alone win it. FT Ch Aytee Jumbo jet of Islasbraw, known at home as Lewis, is my second German Shorthaired Pointer and is the most modest, trainable dog I have ever had. His goal is to do what you ask of him with no ulterior motive. He is simply a good boy and very capable and talented with it.

“When on the big stage, Lewis feels the pressure but that part of his personality is what makes him easy to handle and willing to do the right thing for you. I am a full-time gamekeeper and am finding it so interesting and exciting to work my GSPs on our estate and also in competition where you see such a variety of HPR breeds proving their versatility as all-round gundogs.”

The judges Mr C Wilkinson and Mr P Bakewell chose the following winners:

- 1st – Mr D Elliot, FT Ch Aytee Jumbo Jet of Islasbraw.
- 2nd – Mr J Hudson, Fechlindream Don, Korthals Griffon dog.

The winner of the Caldera Trophy, for the breeder of the winning dog, was Mrs L Hustler.

JUDGES

JUDGES DEVELOPMENT PROGRAMME BREED CREDIT RESULTS

In accordance with the Judges Development Programme Code of Best Practice (http://www.thekennelclub.org.uk/training/judges-education/breed-show-judges-training/judging-at-the-highest-level/), in order to be eligible to attend the Judges Development Programme Breed Seminar and subsequent Breed Assessment a person must have:

- previously awarded CCs to at least three breeds within the relevant Group (i.e. the same group as the host Group),
- or previously awarded CCs to at least two breeds within the relevant Group and one CC in another Group,
- or been previously approved by the Kennel Club to Judge a Group at Championship Show level.

*Please refer to the Code of Best Practice for full details

The following lists only include those judges who meet the above eligibility criteria and have been deemed to have demonstrated an advanced knowledge of the Breed by the relevant Judges Development Programme Assessment Panel, and therefore have been awarded a ‘Breed Credit’ Certificate.

It should be noted that the following judges are, by virtue of their ‘Breed Credit’, exempt from Kennel Club Regulation F(121b)(1)(b) which requires judges to be included on a Breed Council/Club B Judges list or above in order to judge more than three breed classes (5 classes for Stud Book Band E breeds) for the breed in question. This applies to Open Shows and to breeds without CCs at a Championship Show. A Breed Credit will also be acknowledged by the KC Sub-Committee and due consideration will be given to the individual when seeking approval to award CCs for the first time in that breed, where they have judged the relevant number of classes/dogs as appropriate.

Please note that judges who have been approved to award Challenge Certificates by the Judges Committee are not listed here.

The Kennel Club is the largest organisation in the UK devoted to dog health, welfare and training, whose main objective is to ensure that dogs live healthy, happy lives with responsible owners. As part of its External Affairs activities, the Kennel Club runs a dog owners group KC Dog which was established to monitor and keep dog owners up to date about dog related issues, including Public Spaces Protection Orders (PSPOs) being introduced across the country.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs to restrict where dog walkers can go with their dog and whether they can let their dogs off lead. For example these restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of year. At present there are no equivalent powers available to local authorities in Scotland.

As a general principle we would like to highlight the importance for all PSPOs to be necessary and proportionate responses to problems caused by dogs and irresponsible owners. It is also important that authorities balance the interests of dog owners with the interests of other access users. For more information please visit www.kcdog.org.uk.

**FAREHAM DISTRICT COUNCIL**
The council is proposing the introduction of number of measures including:
- Dogs on leads in specific areas
- Dogs on leads when directed by an officer
- Limiting the number of dogs a person can exercise
- Proof that dog walkers have a means to pick up their dog poo with them

The consultation closes 14th January. You can find more information about the proposals and to respond the consultation here.

**SOUTH GLOUCESTERSHIRE COUNCIL**
The council is proposing the introduction of number of measures including:
- Proof that dog walkers have a means to pick up their dog poo with them

The consultation closes 11th January. You can find more information about the proposals and to respond the consultation here.

**EAST HERTFORDSHIRE DISTRICT COUNCIL**
The council is proposing the introduction of number of measures including:
- Dogs on leads in specific areas
- Dogs on leads when directed by an officer
- Limiting the number of dogs a person can exercise
- Proof that dog walkers have a means to pick up their dog poo with them

The consultation closes 13th January. You can find more information about the proposals and to respond the consultation here.

### KC DOG CHARITABLE TRUST DONATIONS

The Kennel Club Charitable Trust’s sole purpose is to make a difference for dogs. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy. If you would like further information, please contact The Kennel Club Charitable Trust, Clarges Street, Piccadilly, London, call 01296 318540 or go to www.kccharitabletrust.org.uk. 1. The Interim Chairman, Mr SA Croxford, chaired the meeting, and explained that an independent facilitator would be introduced for item 3 of the meeting at the invitation of the Kennel Club Board. He advised...
KENNEL CLUB SGM REPORT

that a show of hands would be used for all votes, unless a paper ballot was required, and introduced independent observers who would oversee the vote. The Secretary, Mrs CR Kisko, read the notice convening the meeting at 11am.

2. Item 2 on the agenda was the Interim Chairman’s introduction. He explained that given the circumstances surrounding the meeting, it was not felt appropriate to provide an update at this point of the meeting and moved onto item 3.

3. Item 3 on the agenda was to receive and discuss a Board report and statements from Mr SC Luxmoore, Mr MG Cocozza and Mr J Horswell in respect of previous resolutions which had now been withdrawn. [These resolutions were proposals for votes of no confidence in the three listed Board members in their positions of Chairman, Chairman of the Disciplinary Committee and Chairman of the Judges Committee respectively, which had been withdrawn following the resignations of Messrs Luxmoore and Cocozza from the respective positions].

The Interim Chairman advised the members that a new requisition relating to the removal of Mr SC Luxmoore, Mr MG Cocozza and Mr J Horswell as Kennel Club Directors had been received an hour before the meeting and that the Board would respond in line with its legal requirements in due course.

The Interim Chairman introduced independent advisors from the Kennel Club’s auditors and legal representatives. He then formally introduced the independent facilitator, Michael King, who had been invited by the Board to facilitate the discussion whilst Mr Croxford remained the chair of the meeting. Mr King introduced himself to the members and laid down some ground rules for the discussion to follow. Mr King invited the two members who had made the original requisition, Mr Harlow and Mrs Purnell-Carpenter, to address the members if they wished. The Interim Chairman advised that they did not wish to address the members further to the content of the papers which they had already submitted in advance of the meeting and which had been circulated to the members. Mr King invited Mr Luxmoore, Mr Cocozza and Mr Horswell to address the members if they wished, each for a period of up to ten minutes. The three Directors addressed the members in turn, after which Mr King invited the members to comment.

Comments were addressed on subjects including the Kennel Club’s profit before depreciation; the date that the annual accounts were filed; the cost of the Kennel Club’s new IT system; the influence of unelected executives on the Board’s decision-making process; the decision not to pursue the purchase of a venue at Chepstow; and the Judges Competency Framework.

Following the discussion, Mr King advised the members that he would write to the Interim Chairman and outline the main areas which he felt that the Kennel Club Board needed to address as a result of the views expressed by the members, in particular those handed back to the Interim Chairman who offered his thanks to Mr King on behalf of the Board and the members.

The Interim Chairman then addressed the members on part b) of item 3, which was a report entitled ‘Looking forward to the future’, advising that the Board would take away everything which had been said at the meeting and consider it accordingly.

4. The Interim Chairman then turned to item 4 of the agenda, which was a proposal on behalf of the Board, as a Special Resolution, that Kennel Club Article 37. Conditions of membership 37.2 be amended to remove the reference to entrance fees. He advised that this would bring the wording of the Articles up to date, in line with amendments approved by the members at the previous year’s AGM as there was no longer an entrance fee for members. The Chairman put the proposal to a vote. The results of the proxy votes were then taken into account. There was support, both from the floor and the proxy votes, for the proposal, which was formally passed.

5. Item 5 on the agenda was a proposal on behalf of the Board, that Kennel Club Rule A(B): Committees (h) Judges Function be amended to expand the remit of the Judges Committee so as to cover the suitability of persons to judge at all levels of dog shows. The Interim Chairman invited Dr Ron James, Chairman of the Judges Committee, to propose the item to the members. At the conclusion of the discussion, the Chairman put the proposal to a vote. The results of the proxy votes were then taken into account. There was support, both from the floor and the proxy votes, for the proposal, which was formally passed.

6. Item 6 was to receive a report on the Kennel Club’s health strategy. The Interim Chairman invited Ms Charlotte McNamara, portfolio manager for health and welfare, and Mr Nick Blayney, veterinary surgeon and chairman of the Dog Health Group to address the members. Ms McNamara advised the members that the Kennel Club has three strategic objectives which specifically relate to health and welfare – to facilitate the breeding of healthy dogs, to encourage the responsible breeding of pedigree dogs, and to invest in canine health and welfare – and outlined the work done in support of these. Following the presentation, comments were addressed on the Kennel Club/BVA eye scheme; genetic testing; the role of the Kennel Club Charitable Trust; issues surrounding ‘colour not recognised’ registrations; the registration of crossbreeds; and the Kennel Club’s work on BOAS.

7. Item 7 was to receive an update on the Kennel Club’s education strategy. The Interim Chairman invited Mr Tony Alcock, Board member, and Mrs Helen Fox, products and services executive, to address the members. Mrs Fox advised that a review has shown that the Kennel Club had identified over 50 individual education products across the organisation. The strategy being put in place would prioritise three main areas: targeting dog owners, producing a framework for breeders, and developing education for young people.

8. Item 8 was to receive an update on the Kennel Club’s communications strategy. The Interim Chairman invited Mr Steve Conway, the Kennel Club’s communications executive, to address the members. Mr Conway advised the members that earlier this year, the Kennel Club had brought together the press office and the marketing departments into one team in order to encourage more integrated campaigns and to deliver stronger communications impact for the Kennel Club overall. In 2019, the main priorities would be to raise the awareness of what the Kennel Club does and ensuring that it gets the credit for this, focusing on the launch of a new website and customer database, and refreshing the Kennel Club brand to tie in with the launch of the new website. Following the presentation, comments were addressed on the possibility of including the members in the brand redesign; the cost of carrying out this work; and whether the three presentations received could be put online for the members to view.

9. For Item 9, the Interim Chairman invited Mr Ron Stewart to address the members on three discussion items which he had proposed. These were that members of the Kennel Club Board should not be allowed to exhibit at Championship shows; that the approved minutes of Board meetings should be published for the members to view; and that the lodging of proxy votes be announced, together with the placement of those votes, and supported by certification from the electoral authority. Following Mr Stewart’s outlining of his proposals, the Interim Chairman invited comments from the floor. Following the discussion, the Interim Chairman thanked Mr Stewart for his contribution.

The Interim Chairman then thanked the members and declared the meeting closed.
