**FRIENDS FOR LIFE**

The annual Friends for Life competition celebrates the unique relationship people have with their dogs, the important role man’s best friend plays throughout our lives and the support they give us in the face of adversity.

Judges from the Kennel Club, the UK’s largest dog welfare organisation, have selected five inspiring finalists to go forward for the public vote, with the winner being announced on the final evening of Crufts, Sunday 10th March. These five dog heroes are just some of the dogs having their day at Crufts and are celebrated at the show for the ways that they enrich our lives.

The five finalists for 2019 are:

- **EXTRAORDINARY LIFE OF A WORKING DOG** – Lance the Labrador Retriever and Pte Lee Hampson
- **BREED RESCUE DOG OF THE YEAR** – Ringo the Greyhound and Sarah Candy
- **HERO ASSISTANCE DOG** – Emma the Golden Retriever and Milli Gunn aged seven
- **CHILD’S HERO** – Snoopy the crossbreed and Olli Gage aged five
- **MAN’S BEST FRIEND** – Finn the German Shepherd Dog and PC David Wardell

The winner of the Friends for Life competition will receive £5,000 from the Kennel Club Charitable Trust for the dog charity of the choice, with the other finalists receiving £1,000 for their chosen dog charity.

The public can now vote for their favourite finalist until midday on Sunday 10th March, by visiting http://www.crufts.org.uk/ffl.

RESPIRATORY FUNCTION GRADING SCHEME

The future health of French Bulldogs, Pugs and Bulldogs has taken a huge step forward with the launch of a new health screening scheme.

Developed by the University of Cambridge and funded by the Kennel Club Charitable Trust, the new Respiratory Function Grading Scheme assesses dogs for the presence and severity of a breathing problem known as BOAS (Brachycephalic Obstructive Airway Syndrome). The scheme is currently available for any Pug, Bulldog and French Bulldog, and has the potential to improve the health and welfare of these breeds for generations to come. The scheme provides breeders with a means to know more about the health of their dogs, giving them the information they need to reduce the risk of breeding puppies with BOAS.

The assessment, which can now be carried out by a number of specially-trained assessors located across the UK, involves listening to the dog’s airway both before and after an exercise tolerance test. Assessors, who are all specially-trained BOAS vets, then use a pre-defined protocol to grade the dog from zero to three.

For Kennel Club registered dogs, these grades will be recorded on the Kennel Club’s database and published in the Breed Records Supplement, on the dog’s registration certificate, and on the Kennel Club Health Test Results Finder and Health webpages. The BOAS scheme will be supported by guidelines for breeders, which enable them to understand the grade for their dogs in terms of risk when considering potential matings.

The Kennel Club has once again begun its search for the best dog photographers in the world, with the launch of its annual Dog Photographer of the Year competition.

- Portrait
- Oldies
- Dogs at Work
- Puppies

'HAVE A GO' DOG SHOWING

The Kennel Club’s new ‘Have a Go’ dog showing initiative was launched at Manchester ‘all breeds’ championship show at Stafford in January and has since been widely praised in the canine press as well as on social media. The general feeling seems to be that this is a worthwhile idea which will hopefully generate new interest in participation in the discipline of dog showing.

Thirty relative newcomers took part in the event in order to have a taster of life in the show world. They listened to a talk on this discipline by Christina Chapman and then each received advice on how to stand and move their dog, and then had the opportunity to show their dog at a ‘mini show’ at the end of the afternoon.

A number of volunteers from local ringcraft societies acted as stewards and helpers, and generous goody bags were sponsored by a number of trade stands and given to each participant.

There will be further ‘Have a Go’ dog showing sessions held at other ‘all breeds’ championship shows throughout the year. The cost is £10 per head and participants are asked to check if there is an additional car parking fee (some shows require one).

The next confirmed dates are Birmingham National (Staffordshire) on May 12, Bath (Somerset) May 25 and Leeds (West Yorkshire) July 27.

ANTI DOG MEAT CAMPAIGNERS VISIT KENNEL CLUB

The Kennel Club Public Affairs team met with the World Dog Alliance lobbying group recently to discuss their campaign to #bandogmeat in the UK. World Dog Alliance are based in Hong Kong but have brought the campaign to the UK and US due to governments in Asia using the fact that dog meat is legal here as a defence for not tackling the practice themselves.

The US banned the consumption of cat and dog meat in December last year and the Alliance are hoping the UK will follow suit.

At the Kennel Club’s London headquarters, Holly Conway of the KC Public Affairs team met with Charlotte Chung and Charles Napier of World Dog Alliance.

Bob Blackman MP has put forward an amendment to the Agriculture Bill to ban dog and cat meat consumption in the UK which has been signed by 15 MPs so far.

Find out more about the campaign at www.worlddogalliance.org

Finn’s Law

The Kennel Club is pleased to see ‘Finn’s Law’ has taken the next step towards becoming law in England, after it passed its final reading in the Commons. This is a huge breakthrough for the way that we view and treat service animals, who perform such a crucial job in protecting our service men and women.

Finn’s Law is named in honour of Retired Police Dog Finn, who was attacked in October 2016, and whose owner, PC Dave Wardell, launched the Finn’s Law petition, which was read in Parliament on February 8.

Finn has been nominated as one of the finalists for the Kennel Club’s Friends for Life competition, which will take place at Crufts on Sunday 10th March. You can watch his story at https://bit.ly/2GSiJuj.

A change to the law would ensure that offences such as the injury and/or killing of service animals such as police dogs and Army dogs in the line of duty are treated as major crimes. At present, such offences sometimes result in a mere fine or suspended prison sentence.

It is sad to think that much loved, highly trained animals that are injured or even killed in the line of duty are not treated as sentient beings by the law.

It is time this changed and those who injure Police Dogs are charged with assault or attempted murder instead of being charged with causing ‘criminal damage’.

Not only does this reflect that the injury of police dogs is more than simply ‘collateral damage’, but it may even deter the sort of brutality that was shown to police dog, Finn, in the future.

For more details on the Finn’s Law campaign, visit www.finnslaw.com

NEWS FROM THE KENNEL CLUB

SURVEY ON DOG BREEDING LICENCES
The Kennel Club has been working with Our Dogs newspaper on a survey about dog breeding licences. Concerns had been heard from many breeders and local authorities about how the new licensing guidance for dog breeding in England is being applied. The guidance is complex and, from what the Kennel Club understands so far, areas of it are being misunderstood and applied inconsistently.

The Kennel Club wants to survey people to find out their experience of applying for a licence in order that we can feed this information back to Defra. The more people who fill in the survey, the better, so we would urge all dog breeders to participate and tell their dog-breed ing friends to do likewise, whether pedigree or crossbreed, so we can get as clear a picture of the situation as possible.

Those who wish to complete the survey can access it at https://bit.ly/2SqWHWT

KENNEL CLUB BUILDING CLOSES TEMPORARILY
Kennel Club Building at Stoneleigh was closed temporarily for a week recently following the sad death of a dog from parvovirus.

The dog had attended an obedience class held by Leamington Dog Training Club at the Kennel Club Building the day before it showed symptoms. While it is extremely unlikely that the dog contracted the disease at Stoneleigh due to the incubation period for the virus, the Kennel Club took the precaution of closing the building and conducted a deep clean and sanitisation of the premises and kept the building closed for a further seven days.

The Kennel Club advises all dog owners to ensure that their dogs are fully vaccinated and maintained according to their vet’s recommendations against parvovirus which is the best way of protecting dogs against the virus. For further information owners should contact their vet or see the PDSA website, which contains useful information, at https://bit.ly/2V8KQts

The Kennel Club Charitable Trust’s sole purpose is to ‘make a difference for dogs’. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements.

You can make a difference for dogs... by giving them healthier and happier lives

The Kennel Club Charitable Trust (KCCT) provides grants to various canine organisations nationwide, many of which are involved in the rescue and welfare of dogs. In 2017, the KCCT gave grants totalling nearly £675,000.

Your support is essential to us and by giving whatever you can afford, you can help make a difference for dogs.

The KCCT has three objectives, the funding of:

- SCIENCE - Research into diseases and other health conditions for dogs
- SUPPORT - The training of dogs to help humans
- WELFARE - The rescue and re-homing of dogs which need help
