The show is also set to be another exciting event, with over 200 pedigree dog breeds in contention for the famous Best in Show trophy, which will be awarded live on Channel 4 on the Sunday evening.

In total, almost 20,000 dogs will be competing for just seven places in the show's finale. One breed will compete at Crufts for the first time – the Barbet, a type of water dog from France.

As usual, this very British show of shows has attracted more than 3,000 dogs from overseas, giving Crufts a truly international flavour.

As well as the breed class judging which leads to Best in Show, visitors will be able to watch some of the world's finest dogs and handlers in action across a range of disciplines including agility, obedience, heelwork to music and flyball. And with a huge array of trade stands offering a wide range of doggy items,

there truly is something for everyone at Crufts.

The Obedience Championship for Bitches will take place on Saturday 7th March, with the Obedience Championship for Dogss on the Sunday. The Agility Championships will also take place on the Sunday.

Other highlights of a busy programme taking place in the main arena are the Kennel Club Friends for Life competition, which celebrates those dogs in our lives that provide lifetime service, support, love and

FRIENDS FOR LIFE

The annual Friends for Life competition celebrates the unique relationship people have with their dogs, the important role man's best friend plays throughout our lives and the support they give us in the face of adversity.

Judges from the Kennel Club, the UK's largest dog welfare organisation, have selected five inspiring finalists to go forward for the public vote, with the winner being announced on the final evening of Crufts, Sunday 8th March. These five dog heroes are just some of the dogs having their day at Crufts and are celebrated at the show for the ways that they enrich our lives.

The five finalists for 2020 are:

- Extraordinary Life of a Working Dog – Wolfie the German Shepherd Dog and PC Louise McMullen

The Kennel Club Friends for Life Finalists 2020

- Rescue Dog Hero – Syrian rescue dog Barrie the crossbreed and Sean Laidlaw
- Hero Support Dog – Hearing Dog Jovi the Cocker Spaniel and Graham Sage
- Child's Champion – Therapy Dog Leo and his Golden Retriever friends and his handler Lyndsey Uglow
- Best Friends – Ellie the crossbreed and Hayley Byrne-Ingle

The winner of the Friends for Life competition will receive £5,000 from the Kennel Club Charitable Trust for the dog

charity of the choice, with the other finalists receiving £1,000 for their chosen dog charity.

The public can now vote for their favourite finalist until midday on Sunday 8th March, by visiting www.crufts.org.uk/ffl

BREED WATCH ENHANCED TO IMPROVE DOG HEALTH

To continue to improve the health and welfare of pedigree dogs, the Kennel Club is expanding its Breed Watch system, which serves as an 'early warning system' to identify points of concern for the health of individual breeds.

The changes will ensure more extensive monitoring of any new and emerging health and welfare concerns that are detrimental to a dog's wellbeing and to prevent the introduction of these concerns within a breed.

The decision to introduce these changes was made by the Kennel Club Dog Health Group, which is made up of independent vets, dog experts, canine researchers and welfare organisations, following a recommendation from the group's Breed Standards & Conformation sub-group, and approval from the Kennel Club Board.

Breed Watch enables anyone involved in the world of dogs, but in particular dog show judges, to note any visible points of concern which they should take into consideration and penalise when judging the breed. It is a mandatory requirement that judges complete the judge's health monitoring form for the above breeds, following appointments at championship shows. This is to prevent the introduction of health and welfare concerns that are detrimental to a dog's wellbeing and to maintain high standards of health in the show ring.

After a period of 12 months, should no reports of these concerns be made by judges when completing the mandatory health monitoring form, then the point(s) will be reviewed and potentially removed from Breed Watch. All points of concern are assessed

quarterly and Breed Health Co-ordinators will receive an annual summary to share with their breed. This is to continually review points of concerns reported by judges.

You can make a difference for dogs... by giving them healthier and happier lives

The Kennel Club Charitable Trust (KCCT) provides grants to various canine organisations nationwide, many of which are involved in the rescue and welfare of dogs. In 2019, the KCCT agreed grants totalling £1.4m.

Your support is essential to us and by giving whatever you can afford, you can help make a difference for dogs.

The KCCT has three objectives, the funding of:

- SCIENCE** - Research into diseases and other health conditions for dogs
- SUPPORT** - The training of dogs to help humans
- WELFARE** - The rescue and re-homing of dogs which need help

NEWS FROM THE KENNEL CLUB

Study reveals hip and elbow screening improves long-term dog health

A new study has revealed a marked general improvement in hip and elbow scores for some of the UK's most commonly health-screened dog breeds.

The research, carried out by the Kennel Club's Health team, examined the importance and impact of health schemes for hip or elbow dysplasia on the long-term health of dog breeds. The study specifically examined data from six commonly hip and elbow-scored breeds (Labrador Retriever, Golden Retriever, German Shepherd Dog, Rottweiler, Bernese Mountain Dog, and Newfoundland).

Hip and elbow dysplasia are both complex inherited diseases that cause

a dog's joints to develop incorrectly, which can result in pain, arthritis and lameness as they get older. The British Veterinary Association (BVA) and Kennel Club (KC) run two health screening schemes to assess the health of a dog's hip and elbow joints. X-rays of the dog's joints are taken by a vet and sent to the BVA to be closely examined, measured and given a grade or score.

Researchers analysed data from the BVA/KC Hip and Elbow Dysplasia

Schemes and found that not only have the proportion of dogs screened for hip and elbow dysplasia increased over time, but that the grades and scores of dogs used for breeding have also been improving too. In the majority of the reviewed breeds, there was a notable decline in severe hip scores and a more modest, but still notable, decline in severe elbow scores.

KC DOG

The Kennel Club is the largest organisation in the UK devoted to dog health, welfare and training, whose main objective is to ensure

that dogs live healthy, happy lives with responsible owners. As part of its External Affairs activities, the Kennel Club runs a dog owners group KC Dog which was established to monitor and keep dog owners up to date about dog related issues, such as Public Spaces Protection Orders (PSPOs) being introduced across the country and public consultations on animal welfare.

Local authorities in England and Wales can use PSPOs, and in Northern Ireland DCOs, to restrict where dog walkers can go with their dog and how they walk their dog (such as having a means to pick up, or having a certain lead length). These restrictions may specify a particular park (or area within the park) where dogs must be kept on a lead at all times, or ban dogs from a beach for specific times of the year. At present, there are no equivalent powers available to local authorities in Scotland.

As a general principle, we would like to highlight the importance that all PSPOs to be necessary and proportionate responses to problems caused by dogs and irresponsible owners. It is also important that authorities balance the interests of dog owners with the interests of other access users. For more information please visit www.kcdog.org.uk

THESE CONSULTATIONS ARE CURRENTLY OPEN FOR RESPONSES...

EAST DEVON DISTRICT COUNCIL PSPO

- Dogs must be kept on a lead in graveyards and cemeteries.
- Excluding dogs from playing fields.

The consultation closes on 20th March. You can find more information about the proposals and respond to the consultation [here](#).

DORSET COUNCIL PSPO

- Dogs must be kept on a lead in public gardens, 30mph zones, within 5 metres of sports pitches, graveyards and cemeteries.
- Excluding dogs from playing fields and some parks.
- Implementing a maximum lead length of 2 metres.
- Synchronising the seasonal ban of dogs on beaches across Dorset, and potentially replacing the ban with a dogs on lead order.

The consultation closes on 19th April. You can find more information about the proposals and respond to the consultation [here](#).

GOSPORT BOROUGH COUNCIL PSPO

The council are proposing the introduction of a number of measures including:

- Owners must have a means to pick up dog poo.
