

## Martin Cavill

I am the Representative for Wales on the Kennel Club Agility Liaison Council. My wife's name is Rosie. When I am not competing, training or judging, I am an Associate Architect working for a large Commercial Practice in Cardiff. I have eight dogs in the household. These are six Cocker Spaniels, three from show lines and three from working lines, a Kelpie and a Border Collie.

I started competing in Agility with my Cocker Spaniel Dylan, now 9. Dylan competes at medium height and has qualified for Crufts and for the Olympia Semi Finals, and has competed for Wales at the Kennel Club International Agility Festival and also at the World Agility Open for the last three years. Dylan and I have also been runners up at the Welsh Handler of the Year for the last two years.

As well as competing, I have passed the Agility Club Approved Instructor Scheme in 2006 and regularly teach at Caerphilly and BHC Agility Clubs. I also judge and have completed over 45 appointments to date.
