All breeders who register their puppies, and new owners who register ownership of their dogs with The Kennel Club, accept the jurisdiction of The Kennel Club and undertake to abide by its general code of ethics.

BREEDERS/OWNERS:

1. Will properly house, feed, water and exercise all dogs under their care and arrange for appropriate veterinary attention if and when required.
2. Will agree without reservation that any veterinary surgeon who performs an operation on any of their dogs which alters the natural conformation of the animal, or who carries out a caesarean section on a bitch, may report such operations to The Kennel Club.
3. Will agree that no healthy puppy will be culled. Puppies which may not conform to the breed standard should be placed in suitable homes.
5. Will not create demand for, nor supply, puppies that have been docked illegally.
6. Will agree not to breed from a dog or bitch which could be in any way harmful to the dog or to the breed.
7. Will not allow any of their dogs to roam at large or to cause a nuisance to neighbours or those carrying out official duties.
8. Will ensure that their dogs wear properly tagged collars and will be kept leashed or under effective control when away from home.
9. Will clean up after their dogs in public places or anywhere their dogs are being exhibited.
10. Will only sell dogs where there is a reasonable expectation of a happy and healthy life and will help with the rehoming of a dog if the initial circumstances change.
11. Will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home.
12. Will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available.
13. Will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog).
14. Will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog.

Breach of these provisions may result in expulsion from Club membership and/or disciplinary action by The Kennel Club and/or reporting to the relevant authorities for legal action, as appropriate.
Thank you for completing the application to register your litter with The Kennel Club.

Why register your litter online? 🌟
The easiest and quickest way to register your litter is online through your Kennel Club account. Registering online is also the only way you can purchase a space to advertise your litter on our Find a Puppy service.

Our Find a Puppy adverts receive around 500,000 visitors every month from potential new puppy owners. The fee starts at £20 for non-assured breeders* and your advert will be displayed on The Kennel Club website for two months.

The Find a Puppy service offers:
- Individual photos of the puppies and parents
- Allows you to select the whole litter or only the individual puppies you wish to advertise
- Display the price per puppy (optional)
- Highlight that parents have been health tested
- Indicate if puppies will come with insurance (optional)
- Display your breeder licence details (optional)
- Mark individual puppies, or the whole litter as sold

To register online and advertise your litter, please visit thekennelclub.org.uk.

*Additional wording charged at an additional £5 for non-assured breeders and non-vulnerable breeds. (Certified Assured Breeders and vulnerable breeds receive this service free of charge). Members of The Kennel Club Assured Breeder schemes will no longer be automatically opted in for the Find a Puppy service.

Checklist:
If you would like to register your litter via this printed form, here is a check list to make sure we have all the information we need to process your application.

- Have you completed all sections required?
- Have you checked any breed-specific rules for your litter?
- Have you checked that the dam and sire are in the correct registered ownership?
- Have you checked all parties have signed the relevant boxes?

2. If you have an online account with The Kennel Club, please let us know who the new owner(s) are by visiting the ‘manage dogs’ section of your account and selecting the relevant puppy. Under the ownership section, you will be able to tell us the collection date, name(s) of the new owner(s) and their email address. We will then contact them to guide them through the change of ownership process and provide them with further advice and support once they bring their new puppy home.
3. Activate the free cover for each puppy you sell - cover can be activated up to 7 days before the puppy is collected by the new owner.

All breeders who register their puppies, and new owners who register ownership of their dogs with The Kennel Club, accept the jurisdiction of The Kennel Club and undertake to abide by its general code of ethics.

**BREEDERS/OWNERS:**

1. Will properly house, feed, water and exercise all dogs under their care and arrange for appropriate veterinary attention if and when required.

2. Will agree without reservation that any veterinary surgeon who performs an operation on any of their dogs which alters the natural conformation of the animal, or who carries out a caesarean section on a bitch, may report such operations to The Kennel Club.

3. Will agree that no healthy puppy will be culled. Puppies which may not conform to the breed standard should be placed in suitable homes.

5. Will not create demand for, nor supply, puppies that have been docked illegally.

6. Will agree not to breed from a dog or bitch which could be in any way harmful to the dog or to the breed.

7. Will not allow any of their dogs to roam at large or to cause a nuisance to neighbours or those carrying out official duties.

8. Will ensure that their dogs wear properly tagged collars and will be kept leashed or under effective control when away from home.

9. Will clean up after their dogs in public places or anywhere their dogs are being exhibited.

10. Will only sell dogs where there is a reasonable expectation of a happy and healthy life and will help with the rehoming of a dog if the initial circumstances change.

11. Will supply written details of all dietary requirements and give guidance concerning responsible ownership when placing dogs in a new home.

12. Will ensure that all relevant Kennel Club documents are provided to the new owner when selling or transferring a dog, and will agree, in writing, to forward any relevant documents at the earliest opportunity, if not immediately available.

13. Will not sell any dog to commercial dog wholesalers, retail pet dealers or directly or indirectly allow dogs to be given as a prize or donation in a competition of any kind. Will not sell by sale or auction Kennel Club registration certificates as stand alone items (not accompanying a dog).

14. Will not knowingly misrepresent the characteristics of the breed nor falsely advertise dogs nor mislead any person regarding the health or quality of a dog.

Breach of these provisions may result in expulsion from Club membership and/or disciplinary action by The Kennel Club and/or reporting to the relevant authorities for legal action, as appropriate.
