

The YKC held its annual training/qualifying weekend at Newark Showground in October, I was asked if I could suggest/recommend two trainers for this event, which I did, last year I was also asked to suggest a judge for the Obedience Qualifying Competitions on the Sunday as well as two trainers.

I have been asked if I can help to find a trainer in Obedience suitable to attend a YKC Summer camp to be held in August 2020 at Rutland showground for 3/4 days. They would also like to invite an additional trainer to run a Masterclass just for the day.

They would like to be able to offer single training days for YKC members throughout 2020 in different areas. My thoughts on this is to ask Obedience Council Reps to consider running a training day in their area. YKC has already secured a training day with Mary Ray in April 2020.

If any of the Reps are interested please speak to me about the possibility of running a training day.

I am trying to improve communications between the YKC Dept & the Obedience Liaison Council.
