BRACHYCEPHALIC HEALTH WEBCAST

The Kennel Club has hosted a unique webcast to discuss brachycephalic health and what can be done collaboratively to ensure a healthier future for dogs.

Chaired by Kennel Club Chairman, Tony Allcock OBE, the webcast panel comprised Dr Jane Ladlow, European and Royal College Specialist in Small Animal Surgery and leading BOAS researcher; Bill Lambert, Head of Health and Welfare at the KC; and Charlotte McNamara, KC Health and Welfare Development Manager.

BRACHYCEPHALIC HEALTH WEBCAST

Continued from page 1

The panel discussed brachycephalic health, approaches across Europe, the need for a collaborative, evidence-based approach, including how the Respiratory Function Grading Scheme can help protect and improve the health of brachycephalic dogs now and in the future, and the importance of data collection and ongoing research into the complex Brachycephalic Obstructive Airways Syndrome (BOAS).

The webcast is available to watch at: youtu.be/gAXfEbWmuic

Tony Allcock OBE, Kennel Club Chairman commented: "Brachycephalic dog health is one of the most pressing canine issues globally due to its complex nature and the wide range of contributing factors. It's important to keep raising awareness of the issues while focussing on evidence-based actions and how we can work together to protect and improve the health of these dogs worldwide. This is a priority for the Kennel Club and all those who care about dogs."

Further information about brachycephalic dog health, what the Kennel Club is doing and which tools and health screening is available to breeders can be found at: www.thekennelclub.org.uk/flatfaceddoghealth

VERSATILE SHOW DOGS: SGWC AND SBCHT AFFIXES MAY NOW BE USED

The Kennel Club has announced that it is now permissible to use the letters 'SGWC' after a dog's name on entry forms and in show catalogues to recognise those dogs that have gained the Show Gundog Working Certificate.

It has been acknowledged that a dog's ability to perform its original purpose should be able to be reflected, and it

"...A DOG'S ABILITY TO PERFORM ITS ORIGINAL PURPOSE SHOULD BE ABLE TO BE REFLECTED..."

has been agreed that gundog owners should be encouraged to undertake this assessment with their dogs. This regulation change came into effect as of 1 July 2020.

For more information on the Show Gundog Working Certificate, please visit the Kennel Club website at bit.ly/33ibqFX

In a similar development, the Kennel Club has also announced that it is now permissible to use the letters 'SBCHT' after a dog's name to recognise those dogs that have gained the Show Border Collie Herding Test certificate.

The Gordon Setter, Yennadon Reiss and Owner/Handler Maggie Halliday with their Show Gundog Working Certificate, gained at The Kennel Club Pointing Breeds Training weekend at Grinton Moor in 2016

The Kennel Club wishes to recognise the commitment and work involved in obtaining the Show Border Collie Herding Test certificate and hopes that the announcement will encourage owners to undertake the test with their dogs.

To find out how to take part in a Show Border Collie Herding Test visit the Kennel Club website at bit.ly/3ipCVDV

Activity Register dogs eligible for WGC events

After discussion by the Field Trials Committee it has been agreed by the Kennel Club that pedigree dogs not registered on the Main Register, as well as crossbreed dogs, may now take part in a Working Gundog Certificate event. However, to do so they would need to be registered on the Activity Register.

Please note that whilst such dogs are now able to take part in WGC events when registered on the Activity Register, this

would not permit them to take part in Gundog Working Tests or Field Trials.

Wilson Young, Field Trial Committee Chairman, said: "It is very much hoped that this latest move will encourage more owners to try for their dog's Working Gundog Certificate, the aim of which is to provide credible proof that the handler and dog are a competent partnership, with the qualities to fulfil

the general requirements of work on a shoot. The certificate may be gained at a variety of different events so that all aspects of a dog's work in the shooting field can be observed."

For more information on Working Gundog Certificate days please visit www.bit.ly/32rjrbr

And for more details of how to register on the Activity Register please go to www.thekennelclub.formstack.com/forms/form5

PANDEMIC PUPPY BOOM: PUBLIC URGED TO #BEPUPPYWISE

New research released by the Kennel Club as part of its #BePuppywise campaign shows 41 per cent of those who bought a pandemic puppy said the main reason was to have a lockdown companion, 38 per cent said it was because they were at home more, and 27 per cent got their puppy to help them or their family through the difficult lockdown period.

Almost two-thirds of those who bought a puppy during the pandemic believed lockdown was the perfect time to get a puppy, with three-quarters also stating their dog was the best thing about lockdown. However, thousands missed red flags in the process.

Welfare organisations like the Kennel Club are also concerned about the consequences of these quick decisions as restrictions begin to be lifted.

Following this research, which illustrates a nation in need of puppy love yet with increasingly hasty buying habits accompanied by worrying consequences, the Kennel Club has launched its #BePuppywise campaign, urging people to take their time and do proper research

when getting a dog. The campaign provides advice, tools and resources, from videos to top tips for both potential owners to help them find the right dog and breeder, and prepare for their new family member, as well as those new owners who are struggling with their pandemic puppy, helping them care for their new best friend as lockdown lifts and beyond.

The video and more tips on how to #BePuppywise is available at thekennelclub.org.uk/be-puppywise

The Kennel Club has produced a 'litter in lockdown' video with Dragons' Den entrepreneur and KC Assured Breeder, Jenny Campbell, which shows puppy buyers what a responsible breeder looks like, and how to be a responsible new puppy owner during the pandemic. The video and more tips on how to #BePuppywise is available at www.thekennelclub.org.uk/be-puppywise

NOMINATIONS OPEN FOR KENNEL CLUB DOG HERO AWARD

The nationwide search is on again to find the UK's top heroic dog to be crowned the 2021 winner of The Kennel Club Dog Hero Award, formerly known as the Friends for Life competition, celebrating a lifetime of friendship and highlighting the heart-warming stories of how humans and dogs transform and enrich each other's lives.

At Crufts this year, Lyndsey Uglow with her dog Leo were announced as the winners of the Kennel Club's 2020 Friends for Life competition, presented by James Middleton. Leo, a Golden Retriever, heads up a team of therapy dogs who visit the Southampton Children's Hospital to provide animal assisted intervention.

The Kennel Club is now searching for more heart-warming and inspiring stories

that showcase just how much dogs do for humans.

The winner of the Kennel Club Dog Hero Award, which is supported by the Kennel Club Charitable Trust, will be awarded £5,000 for a dog charity of their choice. Runners up will receive £1,000 for their chosen dog charity, with all grants provided by the Kennel Club Charitable Trust.

The public are being asked to nominate dogs in the following categories:

Leo and Lyndsey Uglow
with James Middleton
and Rev. Bill King

- extraordinary life of a working dog
- hero support dog
- best friend
- child's champion
- rescue dog hero

Five finalists will be chosen to go forward to the final at Crufts 2021, where the overall

winner, selected by public vote, will be announced before the grand finale of the Crufts Best in Show award on 14 March 2021.

Nominations, which close on October 12, can be made at www.crufts.org.uk/dogheroaward

EVENTS – OCTOBER 2020

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at Kennel Club events is of paramount importance.

Please note that these details are correct at time of going to print. For an up-to-date list please go to www.findadogshow.org.uk

A12 DISCIPLINARY CASES

At its meeting on 30th July 2020, the Kennel Club Disciplinary Committee considered the convictions of Mr Nigel Hockey of Lilford, from the Wellingborough Magistrates Court for keeping a breeding establishment other than under the authority of a licence granted by East Northamptonshire Council contrary to the Breeding of Dogs Act 1973 and carrying on activity relating to the sale of dogs, without the authority of a licence for that purpose contrary to the Animal Welfare Act 2006.

The Committee imposed the following penalties:

- 1 To disqualify him from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
- 2 To disqualify him from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
- 3 To disqualify him from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
- 4 To disqualify him from taking part in the management of any event licensed by the Club [A11 j (7)]
- 5 To disqualify him from judging at any event licensed by the Club [A11 j (8)]
- 6 To disqualify him from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by him (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The above listed disqualifications are to be for 5 (five) years from 30th July 2020.

The Committee noted a disqualification from dealing in dogs for five years was imposed by the Magistrates Court.

The Committee noted that whilst Mr Hockey did respond to the referral under Rule A12 to express mitigation and contrition, the Committee deemed it proportionate to reflect the Court's penalty.

At its meeting on 30th July 2020, the Kennel Club Disciplinary Committee considered the convictions of Ms Maxine Thornton of Rushden, from the Wellingborough Magistrates Court for keeping a breeding establishment other than under the authority of a licence granted by East Northamptonshire Council contrary to the Breeding of Dogs Act 1973 and carrying on activity relating to the sale of dogs, without the authority of a licence for that purpose contrary to the Animal Welfare Act 2006.

The Committee imposed the following penalties:

- 1 To disqualify her from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
- 2 To disqualify her from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
- 3 To disqualify her from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
- 4 To disqualify her from taking part in the management of any event licensed by the Club [A11 j (7)]
- 5 To disqualify her from judging at any event licensed by the Club [A11 j (8)]
- 6 To disqualify her from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by her (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The above listed disqualifications are to be for 5 (five) years from 30th July 2020.

The Committee noted a disqualification from dealing in dogs for five years was imposed by the Magistrates Court.

The Committee noted that whilst Ms Thornton did respond to the referral under Rule A12 to express mitigation and contrition, the Committee deemed it proportionate to reflect the Court's penalty. The Committee did not accept that Ms Thornton's proposed dog grooming services would be affected by this decision.

At its meeting on 30th July 2020, the Kennel Club Disciplinary Committee considered the convictions of Ms Esther Titterton of Stafford, from the Stafford Crown Court for offences relating to fraud, keeping a breeding establishment for dogs without a licence and trading as a pet shop without a licence.

The Committee imposed the following penalties:

- 1 To disqualify her from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
- 2 To disqualify her from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
- 3 To disqualify her from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]

- 4 To disqualify her from taking part in the management of any event licensed by the Club [A11 j (7)]
- 5 To disqualify her from judging at any event licensed by the Club [A11 j (8)]
- 6 To disqualify her from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by her (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The above listed disqualifications are to be for life from 30th July 2020.

The Committee noted that Ms Titterton did not respond to the referral under Rule A12 and therefore no mitigation or contrition has been expressed.

The Committee noted offences relating to fraud, keeping a breeding establishment for dogs without a licence and trading as a pet shop without a licence, resulting in a custodial sentence of 18 months, an indefinite disqualification order from keeping dogs, and an indefinite disqualification order from keeping a pet shop being imposed by the Crown Court. The seriousness of the offences is apparent from this conviction and sentence of the court.

At its meeting on 30th July 2020, the Kennel Club Disciplinary Committee considered the convictions of Mr Raymond and Mrs Fiona Scholes of Staffordshire, from the Stafford Magistrates Court for offences relating to the failure to comply with the conditions of a licence under the Animal Boarding Establishments Act 1963.

The Committee imposed the following penalties:

- 1 To disqualify them from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
- 2 To disqualify them from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
- 3 To disqualify them from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
- 4 To disqualify them from taking part in the management of any event licensed by the Club [A11 j (7)]
- 5 To disqualify them from judging at any event licensed by the Club [A11 j (8)]
- 6 To disqualify them from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by them (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee) [A11 j (9)]

The above listed disqualifications are to be for 5 (five) years from 30th July 2020.

The Committee noted offences relating to the failure to comply with the conditions of a licence under the Animal Boarding Establishments Act 1963, including husbandry concerns, resulting in a fine, costs order and collection order being imposed by the Crown Court.

The Court noted that Mr & Mrs Scholes pleaded guilty to the offences and whilst Mr & Mrs Scholes did respond to the referral under Rule A12, no satisfactory mitigation was provided to the Committee.

You can make a difference for dogs... by giving them healthier and happier lives

The Kennel Club Charitable Trust (KCCT) provides grants to various canine organisations nationwide, many of which are involved in the rescue and welfare of dogs. In 2017, the KCCT gave grants totalling nearly £675,000.

Your support is essential to us and by giving whatever you can afford, you can help make a difference for dogs.

The KCCT has three objectives, the funding of:

SCIENCE - Research into diseases and other health conditions for dogs

SUPPORT - The training of dogs to help humans

WELFARE - The rescue and re-homing of dogs which need help

The Kennel Club Charitable Trust's sole purpose is to 'make a difference for dogs'. Since its inception in 1987, the Trust has awarded over £10 million in grants by funding a wide variety of work ranging from supporting research into canine diseases to welfare initiatives and the promotion of support dogs. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements.
