

YKC REPORT

Due to the Covid-19 virus, 2020 has been a nightmare of a year for everybody, so, the following report on YKC Activities is very brief.

We had very good feedback on the YKC Obedience Competitions at Crufts 2020, very kindly judged by Mrs Shelagh Page, "Very successful YKC Obedience Competition at Crufts 2020. The judge, Mrs Page and judges stewards ran a very successful final." Mrs Page and stewards were given thank you gifts on the day and follow-up thank you emails after the show.

The YKC Department is trying to keep in contact with its members via: E-news, YKC FB Group and web updates.

All planned YKC training days have had to be cancelled, as did the YKC Summer Camp and the YKC Autumn weekend held in October at Newark Showground.

The Autumn 'Fetch' magazine was distributed in October also Autumn online activities were held over the last two weeks of October.

'Young Person of the Year' competition was launched in October and the 'YKC Artist of the Year Competition 2021'.

No information has been released as yet regarding any Obedience competitions in 2021, and no Training Day bookings made for 2021 either.

Can I just remind all reps, if any of you are interested, please contact me about the possibility of running a training day in your area.
