Crufts to go ahead, new date announced

Continued from page 1

The Kennel Club has announced that Crufts 2021 will take place next year on the new dates of 15-18 July 2021 at the NEC Birmingham.

Crufts, which will be celebrating its 130th anniversary in 2021, was due to take place on the 11-14 March 2021, but with much of the UK in a second lockdown and events and exhibitions still not being able to be held it was looking very unlikely that Crufts in March was a foreseeable option.

Following lengthy discussions over the last few months on how it would be possible to hold Crufts next year, it has been agreed to move the show to July when hopefully it is more viable that the show can take place and that the situation with Covid-19 allows for it to happen. Changes to the show will be implemented to ensure more space is available for our exhibitors and visitors.

Said Vanessa McAlpine, Show Manager; "We are absolutely delighted to be able to look forward to a special summer Crufts Dog Show taking place next year and are thankful to the NEC for being flexible in finding us an alternative date and of course all our sponsors, judges, exhibitors and trade stands for their continued support. The Kennel Club will be working with the dog clubs and societies who already have shows planned for these dates to offer them assistance and other options for their events."

"There is optimism in the events industry as to the likelihood of summer events taking place with the new Crufts dates falling in a fortnight when hopefully some of our great British summer sporting events will also be returning. We know there are going to be many challenges and will need to remain adaptable to how the show will look

as our priority is to not only the dogs, but our exhibitors and visitors whose welfare will always be at the forefront. We will continue to review the situation over the coming months and will adapt our plans as appropriate, however we are very excited to be able to plan for 'Crufts in the summer' to celebrate our wonderful dogs and to give our dog loving community something to look forward to next year."

The Kennel Club will be reviewing many aspects of the show in line with government advice and the evolving health situation, however, some decisions have needed to be made in advance to ensure it would be able to go ahead in a Covid secure way. It has been decided that the qualifications for 2021 will remain the same as for 2020 but with some slight differences which includes no puppy classes due to lack of opportunity to qualify.

Further to a review of the floor space and the number of exhibitors and attendees, the decision has had to be made that only placings first and second will be able to qualify and entries will be capped for all breeds. Entries are due

to open at the end of March and will be online only. Entries will close on 31 May 2021 or when numbers have been reached.

It is with great disappointment that The Kennel Club must also announce that, due to the lack of opportunity to qualify, the following competitions will not be taking place at Crufts 2021: Breeders' competition, International Junior Handling competition, Junior Warrant competition, Vulnerable Breeds competition and Pets as Therapy Stakes. Further information on other competitions and canine disciplines will be announced as soon as possible.

For further information on qualifications, and to keep up to date on how the Crufts 2021 show will look, please go to crufts.org.uk

Please note that it is hoped that Crufts 2022 will take place on 10 – 13 March. Any shows that take place between 25 January and 31 May 2021 will qualify for Crufts 2022. Shows held after the closing date of entries for the 2021 show will also qualify for Crufts 2022, further details of which will be advised in due course.

Obedience at Crufts

The Kennel Club can confirm that the Inter Regional Rally Competition is expected to go ahead on Thursday 15 July at Crufts 2021 and the Inter Regional Obedience Competition is expected to go ahead on Friday 16 July.

Unfortunately, as there has been no qualifiers the Obedience Championship and the Good Citizen

Dog Scheme Special Pre-Beginner Obedience Stakes final will not take place at Crufts 2021.

Similarly as there has only been one qualifier the Obreedience finals will also not take place at Crufts 2021. Those teams who competed at an obreedience heat in 2020, and gained points will have their points carried over for Crufts 2022.

The University of Cambridge and the Kennel Club have developed a Respiratory Grading System to assess BOAS clinical signs. The scheme is based on clinical examination before and after an exercise stress test

KC Charitable Trust to fund further brachycephalic research

The Kennel Club Charitable Trust (KCCT) is pledging £269k to help advance vital research into brachycephalic (flat-faced) dog health. This donation is a part of a fundraising drive to help investigate a number of different aspects related to flat-faced dogs. It is hoped that breed clubs, breeders, owners and international partners will also pledge support and additional funding to help enhance and extend this research.

Researchers at the University of Cambridge, funded by the KCCT, have been investigating brachycephalic health for the last ten years. The results of this crucial research led to the development of the Kennel Club/University of Cambridge Respiratory Function Grading Scheme; a scheme that assesses Bulldogs, French Bulldogs and Pugs for a breathing issue known as BOAS (Brachycephalic Obstructive Airway Syndrome). To date, over 700 dogs have been screened through the scheme.

Researchers at the University of Cambridge are keen to expand these investigations and will be extending their work to look at a further 13 brachycephalic breeds.

This work will focus on the following breeds: Affenpinscher, Boston Terrier, Boxer, Cavalier King Charles Spaniel, Chihuahua, Dogue de Bordeaux, Griffon Bruxellois, Japanese Chin, King Charles Spaniel, Maltese, Pekingese, Pomeranian and Shih Tzu.

The research team will be exploring how each breed is affected by respiratory problems, and how this relates to their conformation, internal physiology and, in the future, genetics. In relevant breeds, neurological issues, such as Chiari-like malformation/syringomyelia (CM/SM), will also be investigated. Research into these neurological disorders will examine the impact of head shape, and if conditions such as these are in anyway linked to other issues, such as BOAS.

It is hoped that this new research, like the previous KCCT-funded research for Bulldogs, Pugs and French Bulldogs, will also translate into screening schemes to help breeders shape the future of these breeds and reduce the risk of producing affected dogs.

Capping of show entries

In order to make it easier for show societies to comply with government guidelines, especially social distancing, during the current pandemic, the Kennel Club Board following a recommendation from the Show Executive Committee (SEC) has agreed to relax show regulations to allow for the capping of entries.

Regulations F(4)a and F(4)b have been relaxed in the first instance until 31 July 2021 to allow entries to be capped.

In making the recommendation, the SEC pointed out that the capping of entries was not mandatory, but is an option along with other arrangements such as confirmed start times for breeds so that exhibitors do not have to wait around for their judging and can then leave the venue once their judging is complete. It should be noted that publication of schedules may need to be delayed to ensure the most up-to-date information is available including the method used for capping the entry.

The SEC made a number of recommendations in relation to the capping of entries, including the method of capping to be used; working with show printers; whether to accept postal and/or online entries; and how best to deal with partnership shows. These recommendations can be read in full in a press release at bit.ly/35aW7Be

More information and FAQs are available on the Kennel Club website. Please go to the following page, scroll to the bottom and click on the 'dog showing' tab: bit.ly/3m9NkoM

All queries from societies regarding the capping of entries should be directed to breedshows@thekennelclub.org.uk

International Canine Health Awards to return in 2021

Now in its ninth year, the famous International Canine Health Awards recognise and celebrate some of the world's finest researchers, scientists and veterinarians, as well as UK veterinary students and breed health coordinators whose work has a positive impact on the health and wellbeing of dogs

The awards, which are run by The Kennel Club Charitable Trust (KCCT), include substantial monetary prizes donated by Vernon and Shirley Hill, founders of Metro Bank. The awards ceremony is planned to take place in May/June 2021; however, due to the current Covid-19 situation, the KCCT cannot confirm a date and venue at this time.

With a prize fund totalling £70,000, the KCCT urges scientists and others throughout the world to nominate world class researchers and clinicians worthy of the International or Lifetime Achievement Awards. Individuals may also nominate themselves. The awards will be judged by an eminent international panel drawn from the veterinary profession and scientific research.

All nominations must be submitted via the designated KCCT Application Form and received by 31 January 2021. Separate forms are available for the two UK Student Inspiration Awards and for the UK Breed Health Coordinator Award.

The four awards are:

- International Prize in Canine Health – £40,000 prize
- Lifetime Achievement Award – £10,000 prize
- UK Student Inspiration Awards – £10,000 and £5,000 prizes respectively for postgraduate and undergraduate students
- UK Breed Health Coordinator Award – £5,000 prize (increased from £1,000 in 2020)

Nominations for the 2021 awards can be made via the online application form on The Kennel Club website by 31 January 2021 at bit.ly/36u6r6R

If you have any queries regarding the application process, please contact Andrea Harris at The Kennel Club via icha@thekennelclub.org.uk

Ballot counting services

The Kennel Club has previously offered a ballot counting service to registered societies, to assist with elections of committee, officers, judges and so on. Under the current circumstances we are aware that many societies would like to be able to conduct ballots, but do not have the resources, and furthermore the Kennel Club has been unable to offer the usual postal ballot counting service, due to office closure and

the consequent effect on processing of post.

We are therefore delighted to announce that we have made arrangements with Mi-Voice, the company which runs election/balloting processes in conjunction with Kennel Club General Meetings, to offer a range of services to registered societies. This will enable either fully electronic, or part electronic and part postal submissions, and will ensure complete

confidentiality for the user.

Mi-Voice are able to offer a response handling and ballot count service to Kennel Club registered societies. Ballot papers can be returned to Mi-Voice by post, where the experienced elections team will process responses, conduct a count and provide a result report. These are the same services previously offered by the Kennel Club, and would be provided at the same rate as the existing pricing structure.

In addition, Mi-Voice can assist with distributing voting information by post and/or email, create an online voting site for elections, and even take votes over the telephone. These Mi-Voice services will be familiar to members who participate in the Kennel Club AGM and SGM process.

If a conversation is of interest please contact Mi-Voice by email at enquiries@mi-voice.com or telephone 02380 763987.

Cancellation of Field Trial Championships and all KC Field Trials

The Kennel Club Field Trial Committee, in consultation with the Championship Working Parties, has made the decision to cancel the Field Trial Championships and all Kennel Club Field Trials for the 2020/21 season.

The Championship details were as follows:

- Cocker Spaniel Championship at Tolishill & Lauder on 4-5 January 2021
- AV Spaniel [excluding Spaniel (Cocker)] Championship at Snilesworth Estate on 21-23 January 2021
- Hunt, Point & Retriever Championship at Westerdale on 27-28 January 2021 (postponed from November)

The Kennel Club Field Trial details were as follows:

- Open AV Spaniel (except Cocker) Stake at Witham on the Hill, Lincolnshire, and the Open Cocker

Spaniel Stake at Newburgh Priory, North Yorkshire. Both November 2020.

- Novice Cocker at Stubton, Newark; Novice AV Retriever at Batsford, Gloucestershire; and All Aged Spaniel [excluding Spaniel (ESS) and Spaniel (Cocker)] at Egton, North Yorkshire. All December 2020.

Vanessa McAlpine, Kennel Club Events & Education Executive, said: "The Kennel Club would like to thank all the Championship and Field Trial Hosts, Keepers and their staff most sincerely

...we believe
this is the best
and safest course
of action for all
involved

for being so flexible and accommodating in these challenging circumstances. The Kennel Club is also most grateful to its sponsors, Skinner's Field & Trial and the British Association for Shooting & Conservation, for their ongoing support.

"It is extremely disappointing that we are not able to run this season's events due to the ongoing pandemic but we believe this is the best and safest course of action for all involved."

Please direct all enquiries regarding this matter to FT.Secretary@thekennelclub.org.uk

Events

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at Kennel Club events is of paramount importance.

We are currently still processing official cancellations so the following events are subject to change.
