Updates to The Kennel Club website

The Kennel Club is pleased to advise that, following the receipt of valuable feedback from our customers, the following updates have been made to our website:

Viewing pedigrees

When using the Dog Look Up service (also known as the Health Test Finder), two generations of a dog's pedigree can now be viewed instead of one. Website users no longer need to log in to use this service and an enhancement is the addition of dog titles such as Ch and JW.

Find a Puppy

When using the Find a Puppy service, we have removed the key word search and provided a drop-down list of breeds to ensure breeders are

receiving emails only for the breeds for which they are listed. Other filters allow website users to search for the location and sex of the puppy. It is also possible to refine the search to look for Assured Breeders as well as for litters produced by dogs with health test results recorded on The Kennel Club database.

Find an Assured Breeder

When using the Find an Assured

Breeder service, we have

removed the key word search and provided a drop-down list of breeds to ensure breeders are receiving emails only for those breeds for which they are listed. It is possible to refine the search to look for Assured Breeders by location.

The Kennel Club is continuing to listen to feedback, and improvements to the functionality of the website will continue to take place.

Brexit pet travel rules update

New pet travel rules between Great Britain (GB) and Northern Ireland (NI) were introduced on 1 January 2021 alongside new rules for people travelling with their dogs to the European Union (EU) from either GB or NI.

We are deeply concerned about the impact that the new requirements will have on pet owners and have already heard from many who are extremely concerned about both the financial burden and the inconvenience of complying with these rules. As such, we have contacted Ministers and officials at Defra to raise our concerns and we will continue our dialogue with them to gain more clarity about what the Government is doing to address the new difficulties facing pet owners.

Further to this, we have also written to the Chairman and Members of the Environment, Food and Rural Affairs Select Committee to request an urgent meeting to discuss these issues and to urge them to hold the Government to account over their false assurances. As well as this, we have written to Northern Irish Members of Parliament to highlight the significant difference between the current and previous rules and to outline the impact that this will have on pet owners

and breeders. It is our hope that this communication will increase the existing pressure on the Government to find a workable and permanent solution and to remove the barriers which are currently preventing smooth travel for pet owners between NI and GB.

If you have concerns regarding this situation and how it will impact you directly, we would strongly advise contacting your local representative – your Member of Parliament or Member of the Legislative Assembly if you are

based in NI – to request that they also raise their concerns with Defra and/or the Northern Irish Executive on your behalf.

For more detailed information and any developments which occur relating to this situation, please see our regularly updated website page: www.thekennelclub.org.uk/brexit

• On January 21, EFRA announced that it would hold an inquiry into the new pet travel rules as well as other related aspects.

Cancellation of licensed events until at least 28 February 2021

It is with regret that due to the recently introduced UK-wide lockdown we recommend the cancellation of licensed events until at least 28 February 2021.

Societies should refer to the conditions stipulated by the government in their area. Therefore those societies whose events have been cancelled should contact The Kennel Club to confirm the cancellation and to let us know

whether the licence fee is to be refunded or deferred to a future show/trial. A form for this purpose can be found at thekennelclub.org.uk/forms/cancellation-of-shows and club secretaries also have the facility to cancel their event via the dashboard of their club profile on The Kennel Club website.

This position will be reviewed again in line with Government guidance at the start of March.

Kennel Club and Weatherbys introduce a further 38 CombiBreed™ health test packages

The Kennel Club and Weatherbys have introduced a further 38 CombiBreed™ health test packages, available for 41 new breeds, in order to provide a simplified process for canine genetic health testing for the benefit of both dog breeders and owners, and help to eradicate some of the most concerning genetic disorders facing certain breeds. This brings the total number of breeds eligible for the health packages to 61.

The new tests are available across both single and bundle packages for the following breeds: American Cocker Spaniel, Australian Cattle Dog, Bearded Collie, Bedlington Terrier, Boston Terrier, Briard, Bulldog, Miniature Bull Terrier, Clumber Spaniel, Miniature Wire-Haired Dachshund, Miniature Long-Haired Dachshund, Miniature Smooth-Haired Dachshund, Dalmatian, Entlebucher Mountain Dog, Finnish Laphund, German Wirehaired Pointer, Gordon Setter, Great Dane, Greyhound, Irish Red and White Setter, Irish

Terrier, Lagotto Romagnolo, Lancashire Heeler, Miniature Poodle, Newfoundland, Norwegian Elkhound, Nova Scotia Duck

Tolling Retriever, Old English Sheepdog, Toy Poodle, Portuguese Water Dog, Chesapeake Bay Retriever, Rhodesian Ridgeback, Rottweiler, Rough Collie, Russian Black Terrier, Sealyham Terrier, Shar Pei, Smooth Collie, Tibetan Spaniel, Welsh Corgi (Cardigan) and Welsh Terrier.

CombiBreed® health test packages simplify the process of genetic testing by using a single cheek swab to check a dog's DNA for all of the breed's priority DNA tests. By making genetic testing more accessible, it will help responsible breeders work towards eradicating these conditions and will encourage first-time breeders to make the health of the puppies they breed a priority.

The CombiBreed® health test packages are available to order directly from The Kennel Club Shop at thekennelclub.org.uk/shop/health

'Grandfathering' applications for judges now open

Further to previous announcements regarding 'grandfather rights' for eligible judges during the five-year transition phase of the Judges Education Programme (Breed Shows), applications using this route are now open.

For progression to award CCs via grandfathering, candidates can self-nominate provided they are included on at least one Breed Club/Council A3 list and/or have a pre-existing JDP Credit Pass for the relevant breed. Each judge must also meet all The Kennel Club's mandatory requirements for approval to award CCs (see below).

Judges of breeds that do not yet have CC status are advised that they too have grandfather rights which may make it possible to achieve Level 4 status in such breeds. In those cases it is recognised that breed specialists will not have the three Stud Book Numbers (as required for CC judges), but the Judges Committee will take into account dogs owned and/or bred

and any significant wins. Breed clubs for non-CC breeds were not previously required to compile an A3 list, but are now encouraged to do so to include those judges which the club is prepared to support through the grandfathering route.

The online form via which grandfathering applications can be made is available at the Kennel Club.org.uk/grandfatheringapplication

Please note it is also possible to complete the form manually and submit it by email to kc.notifications@the Kennel Club.org.uk

Those judges wishing to grandfather for Groups and Best in Show are asked to complete the PDF questionnaires which can be found at the Kennel Club.org.uk/jep under 'Grandfathering applications' and submitted via email to the above address.

For full details, please see the press release at bit.ly/39Ms83M. All enquiries should be directed to email judges.education@the Kennel Club.org.uk

Events

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at Kennel Club events is of paramount importance.

The Kennel Club Accreditation Scheme

www.kcai.org.uk

The KCAI Scheme offers its members the opportunity to gain a nationally-recognised vocational accreditation based on a robust standard set by The Kennel Club. It is the first and only scheme for dog training instructors and behaviourists that has achieved programme accreditation from City & Guilds, a globally-recognised benchmark of quality.

This section of The Kennel Club Journal is dedicated to KCAI Scheme members. It provides information on the resources available to members, announcements on newly awarded Kennel Club Accredited Instructors, and KCAI Scheme news and updates.

For more information on the KCAI Scheme, please visit: www.kcai.org.uk

THE KCAI TEAM

The KCAI Team is available to provide you with support you may need to guide you through the accreditation application process.

If you would like the KCAI team to assist you, please let us know by emailing the KCAI team at kcai@thekennelclub.org.uk

ACCREDITATION ADVISER

For members who have successfully completed all of the online assessments and who are ready to apply for accreditation, our Accreditation Adviser is available to help you. The Accreditation Adviser can provide you with the support you may need to guide you through the accreditation application and practical and oral assessment processes.

The Kennel Club Charitable Trust's sole purpose is to 'make a difference for dogs'. The Kennel Club supports the Trust by providing all its administration, fundraising and marketing requirements. Therefore, every pound that is raised goes directly to the Trust ensuring that our canine companions and people within the world of dogs enjoy the maximum

benefit. If you would like to support the Trust, there are a variety of ways to achieve this, either by postal donations, direct debit or standing order, debit or credit card, gift aid and legacy.
