## Registered society annual general meetings

**In view of the prospect of ongoing restrictions on social gatherings for some months to come, The Kennel Club has considered how best to help registered societies to proceed with their routine AGM business, especially as many were unable to hold their 2020 AGM.**

The rules and established practice of registered societies in most cases require that AGMs are physical meetings and give no provision for postal/online voting.

In order to circumvent the need to hold physical AGMs, The Kennel Club Board has enacted Kennel Club Regulation C5.e., which is a new provision, so that irrespective of what a club's constitution may provide, the Board may direct that registered societies may relax/suspend constitutional provisions. In this way, societies may legitimately process routine business by adopting interim arrangements such as postal/online voting or remote meetings, as appropriate.

**The Kennel Club Board has enacted Kennel Club Regulation C5.e., which is a new provision**

Kennel Club Regulation C5.e. has been introduced to provide as follows:

*C5.e. The Kennel Club Board may direct that provisions within a registered society constitution may be relaxed or suspended for a fixed period, to allow society business to proceed when circumstances beyond the control of the society so require.*

The Kennel Club Board has agreed that this new Regulation is to be invoked with effect from 5 February 2021 for a 6-month period relating to the processing of routine business usually dealt with at AGMs.

### Pyrenean Sheepdog (Smooth Faced) recognised

**The Pyrenean Sheepdog (Smooth Faced) has been recognised by The Kennel Club with effect from 1 April 2021. The breed will be classified in the Pastoral Group on the Imported Breed Register.**

The Pyrenean Sheepdog (Smooth Faced) is a small breed of herding dog from the Pyrenees region of France. It is very closely related to the Pyrenean Sheepdog (Long Haired), recognised by The Kennel Club in 1988, although the Smooth Faced has a softer, shorter coat with the hair on the face and muzzle in particular being very short giving a shaved appearance. The body is also

shorter and the overall appearance is of a more square-shaped dog.

The Kennel Club now recognises 222 breeds of pedigree dog. A Kennel Club interim breed standard is being developed for the Pyrenean Sheepdog (Smooth Faced) and, when this is published, the breed will be able to be entered at The Kennel Club licensed breed shows.

### No changes to Stud Book bands for 2021

The Kennel Club has announced that there will be no changes to the Stud Book bands for 2021. Therefore, all breeds will remain in the same bands as for 2020; this will apply for all shows until 31 December 2021 and will be reviewed at the end of this year.

Kathryn Mansfield, The Kennel Club Secretary, said: "As many will already have surmised, due to last year's cancellation of the vast majority of shows there was insufficient up-to-date entry statistics available to conduct an effective review of the Stud Book bands, therefore breeds are to remain in the previously published bands."

The full list of 2021 Stud Book bands can be found on The Kennel Club website at [bit.ly/38KYIH1](https://bit.ly/38KYIH1)

All queries regarding Stud Book bands should be directed to email [awards@thekennelclub.org.uk](mailto:awards@thekennelclub.org.uk)

their plans for the future. This month we would have been making our way to the world's greatest dog show to celebrate 130 years of Crufts but as we wait for the health authorities to complete vaccinations celebrations have been put on hold. In the meantime we asked our Kennel Gazette editorial panel what has been their favourite moment from a show that has grown in popularity since 1891. We look at the genetic discovery of the dog skeleton, known as Hatch, found in the wreck of the Tudor warship, the Mary Rose in 1981 and was on view for the first time at Crufts in 2010.

Simon Parsons recommends that experienced breeders need to

encourage their puppy buyers to take part in the show world and join their breed and local clubs once the show scene resumes in his Viewpoint column, and in health matters we look at the importance of good dental care to help maintain your dog's healthy teeth and gums by guest author Hannah Hewitson.

Continuing the Wire Haired Dachshund theme we asked nine judges to choose their favourites from the show ring in Judges' Choice, we hear about the tale of two Wires that came into Dachshund Rescue UK and one starting a new career with Medical Detection Dogs, Valerie Foss and The Kennel Club Art Gallery share a few Wire Haired Dachshund depictions left by the late Pam Poulter of Wires that left a lasting

legacy on the breed, and breed enthusiasts share its history and heritage of what is now becoming an increasingly popular breed.

# Three new breed films on Kennel Club Academy

Learning about the different dog breeds continues to be made more accessible than ever, with the launch of three additional breed films on The Kennel Club Academy, the latest in a growing series of resources to be added to the leading online facility for those looking to improve their knowledge of the canine world.

The most recent of the breed-specific films to be launched is the Otterhound, which is now live, with the Pembroke Welsh Corgi and Bloodhound having also been added in recent months.

The Kennel Club Academy has a wealth of resources covering not only judge education in a number of disciplines, eg agility, obedience and working trials, but also other areas of the dog world including health, breeding and training.

All the breed-specific presentations and films have been developed by experts in their breeds in collaboration with The Kennel Club and offer users an insight into their knowledge and experience. The learning resources provide a thorough introduction to the breeds, including their history, breed standard, a 'nose to nail' overview and movement in the show ring.

Giving her personal observations of the breed for the Otterhound is breed expert, Pam Marston-Pollock; for the Pembroke Welsh Corgi, it is Diana King; and the Bloodhound, Sue Harrison.

The resources provide pre-course learning ahead of attendance at a

breed appreciation day and undertaking an assessment. It also provides Academy users with an opportunity to update their knowledge of breeds from breed experts.

To access The Kennel Club Academy, please log into your account on The Kennel Club website at [thekennelclub.org.uk](http://thekennelclub.org.uk). Then simply select 'Academy' from the list of tasks on your dashboard.

## Rally Warrant award introduced

Whilst it is acknowledged that licensed events are unable to go ahead at the moment, The Kennel Club is pleased to announce the introduction of the Rally Warrant (RW). It is hoped that the introduction of this new award will encourage new competitors into the discipline, as well as encourage existing competitors to work at every level.

The title 'RW' may be used after the name of the dog in competition entries and also in catalogues. The RW title will replace the RL6.Ex after the dog's name.

Those wishing to apply for the Rally Warrant title for their dog will be required to obtain the following:

- A Rally title at all levels
- A Rally Level 6 Excellent title
- An additional three excellent scores at Level 6, which must be gained after 1 January 2021

# Accredited Instructors win local business award

**Two members of The Kennel Club Accredited Instructors scheme have been recognised as the best dog training company in Nottingham.**

Marie Holt and Bev Smith, of In Line Dog Training, were awarded as the Best Dog Training Company in Nottingham as part of the SME News Midlands Enterprise Awards 2020. Running for the past three years, the awards celebrate individuals and businesses from the Midlands, acknowledging their innovation, excellence and performance, something which is particularly commendable in a difficult year of upheaval and change.

In Line Dog Training offers dog training courses and seminars. During 2020, the business was forced to suspend group courses as a result of the Covid-19 pandemic, but swiftly moved to one-to-one training in the interim, following all necessary health and safety measures. This has been a vital source of tuition for dog owners in the region. During the first lockdown they also created a Facebook group, which offered training videos, advice sheets

Bev and Marie from In Line Dog Training

and online assistance to help owners who were waiting for class training.

Bev and Marie started the business ten years ago, inspired by their passion to help people train, having enjoyed many years honing their skills at a local dog training club. The

pair were awarded accreditation from The Kennel Club Accredited Instructor scheme in 2018 and now focus on helping dog owners develop skills to manage real-life situations in novel, fun and engaging ways.

## Lucy's Law in Scotland: Kennel Club lobbying success against puppy farms

**New legislation in Scotland which aims to crack down on cruel puppy farming has been signed by the Minister and made law, a step welcomed as 'long-awaited and crucial' by The Kennel Club.**

Known as 'Lucy's Law', it will mean that puppies and kittens can no longer be sold in Scotland by a third party seller – such as a pet shop or commercial dealer – unless they have bred the animal themselves. Instead, from September, anyone looking to buy or adopt a puppy under six months must either deal directly with the breeder or an animal rehoming centre.

Dr Ed Hayes, Head of Public Affairs at The Kennel Club, commented: "We are delighted that these new animal breeding and sale regulations, which

include Lucy's Law, have been made into law in Scotland – it's a long-awaited and crucial step. Sadly, too often irresponsible breeders in the UK and abroad have depended on commercial third party sellers, like 'dealers' or pet shops, to disguise the horrific conditions puppies are bred and brought up in to the public, readily making a huge profit while causing untold suffering.

"We hope Lucy's Law will help bring

**This couldn't be more important right now, as we continue to see the demand for puppies rise during the pandemic**

an end to this and alongside improving welfare conditions for puppies, it will also encourage anyone thinking of getting a puppy to really do their research and find a responsible breeder. This couldn't be more important right now, as we continue to see the demand for puppies rise during the pandemic."

# Events

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at The Kennel Club events is of paramount importance.

## RECOGNITION OF NEW BREED

The Pyrenean Sheepdog (Smooth faced) will be classified in the Pastoral Group on the Imported Breed Register with effect from 1 April 2021. The breed is not eligible to compete at Kennel Club licensed breed shows until a Kennel Club interim breed standard has been published.

## BREED STANDARD AMENDMENTS

At its recent meeting the Board approved the following amendments.

### LOWCHEN (LITTLE LION DOG)

**Head and Skull** Broad, skull relatively flat between the ears. A ratio of one third muzzle/two thirds skull. Strong muzzle with good width allowing for correct dentition. Head carried proud and high, well defined stop. Nose dark: black or brown according to coat colour.

**Eyes** Round, dark, relatively large and intelligent with good width between eyes. Unbroken pigmentation of eye rims, pigment in accordance with coat colour.

**Ears** Set on level with eye. Pendant, of moderate length and well fringed.

**Mouth** Jaws strong, with perfect, regular and complete scissor bite, i.e. upper teeth closely overlapping lower teeth and set square to the jaws. Dark pigmentation of lips.

**Forequarters** Shoulders well laid. Forelegs straight with round bone, not too fine. Good width of fore chest. Elbows held close to chest.

**Body** Short, strong and well proportioned. Level topline. Ribs well sprung and carried well back. Chest well let down to elbows. Strong short loin with moderate tuck up.

**Tail** Medium length, set slightly below the level of the topline, clipped with tuft of hair to resemble a plume. Elegantly arched over the back, only the plume should touch the back when standing or moving.

**Colour** Any colour or combinations of colours permissible. Merle is not acceptable.

**Coat** Fairly long, wavy, never curly. Single coat of silky texture. Coat to be shown in its natural state without scissoring or sculpting apart from the traditional Lion Clip, i.e. clip ped to the last rib.

(Amendments underlined)
