

**MEETING OF THE WORKING TRIALS LIAISON COUNCIL**  
**TO BE HELD AT 10.30 AM ON 6 JULY 2021**  
**VIA MICROSOFT TEAMS – AGENDA**

**ITEM 1. APOLOGIES FOR ABSENCE**

**ITEM 2. APPROVAL OF THE MINUTES**

To approve the minutes of the meeting held on 4 February 2021 (copies previously distributed).

**ITEM 3. MATTERS ARISING/RESULTS OF RECOMMENDATIONS**

a. Risk assessment

The risk assessment document was approved by the Activities Committee, at its meeting on 18 March 2021, for publication on The Kennel Club's website.

b. Lock outs

The Committee noted the Council's views regarding lock outs, and that in the light of queries which had been raised by the Council in relation to 'quartering the ground' and 'search and escort' exercises it had deferred further consideration of a proposal relating to lock outs, and had referred it back to the PD Stake Panel with a view to a revised proposal being submitted.

However, in view of the Committee's concern that it was taking an undue length of time to implement the Board's recommendations, it was agreed that Mr Ford and Mr Martin, in consultation with the PD Stake Panel, would formulate a suitably-worded proposal for consideration by the Committee at its meeting in June 2021.

A verbal update will be provided at the meeting.

c. Amendments to I Regulations

The following amendments to I Regulations were approved by the Board at its meeting on 13 April 2021:

Regulation I(B)18.a.

There must not be external buckles, or a joint in the sleeve which leaves a gap. The sleeve must not be obscured by clothing or anything else. Puppy sleeves may not be used. At this point in the TD or PD stakes the judge or steward ~~shall~~ **will** instruct the handler to redirect the dog. ### **ITEM 4. ACTIVITIES HEALTH AND WELFARE SUB-GROUP**

The Council is invited to note a report from Mr Gilbert, as follows, on the work of the Sub-Group following its meeting on 15 April 2021.

- a. Working Trial research  
Data collection on research into the scale and the long jump had been undertaken at Nottingham Trent University in August 2020 and is currently undergoing analysis by researchers. The Council is invited to note a preliminary report issued by the researchers. A full report will follow once analysis is complete.  
**(Annex A refers)**
  
- b. Future research  
Opportunities exist for future studies and the Council is invited to submit suggestions for suitable projects. Ideas need to be debated and presented in the form of a business case which sets out clear objectives and benefits which would justify funding and inclusion in future budgets.

### **ITEM 5. ACTIVITIES JUDGES SUB-GROUP**

The Council is invited to note the following report from Mr Gilbert following the Activities Judges Sub-Group meeting which took place on 22 April 2021:.

There are five candidates for the current vacancies as Accredited Working Trials Judges Trainers. The selection process has previously consisted of a face-to-face interview where the candidates present part of the syllabus and then are asked a few questions on judging in general. It has not been possible to arrange such a meeting yet and other alternative methods are being considered.

### **ITEM 6. REPORT FROM THE PD STAKE PANEL**

No report has been received from the Panel.

### **ITEM 7. REPORT FROM THE PROGRESSION PANEL/EQUIPMENT PANEL**

The Council is invited to note that as there have been very few trials, no issues have been referred to the Progression Panel or the Equipment Panel.

In respect of the poll which had sought views on 'Should CD open be mandatory?' and 'Should Introductory Stake remain in its current format?', there was no progress to report as not all participants in the discipline had access to social media and therefore there was a concern that some individuals had not yet had an opportunity to complete the survey.

### **ITEM 8. PROPOSALS FROM SOCIETIES/PRIVATE INDIVIDUALS**

Mr J Wykes

Proposed amendment to Regulation I(B)1.

Mr Wykes wishes to propose the following amendments to the above Regulation as follows:

Regulation I(B)1. Method of handling

**TO:**

Although implicit obedience is necessary, dogs and handlers must operate in as free and natural a manner as possible; persistent barking, whining, etc. in any exercise other than location of person or speak on command should be penalised. The handler must not have food or a toy on their person whilst being tested. ~~In any exercise where the dog is required to bite a protected steward (protected consistent with safety), it must be on the right arm. Any indiscriminate biting must be severely penalised.~~

(Deletion struck through)

New Regulation I(B)18. **Health and Safety, Biting Exercises**

**TO:**

**In any exercise where the dog is required to bite a protected steward (protected consistent with safety), it must be on the right arm. Any indiscriminate biting will result in the dog being excluded from the remainder of the test. At no time in any exercise should the sleeve be presented to the dog in an obvious and exaggerated manner, but equally it must not be obscured in such a way as to make it inaccessible to the dog. A protected steward shall, for both their safety and that of the dog, take the energy impact of the bite landing all of the dogs feet as soon as possible, and without any such movement that causes the dog to be swung or lifted up in a circular motion.**

(Insertion in bold)

Rationale

The objective of the above amendments is to bring together the regulations dealing with how the biting exercises should be conducted in order to keep dogs and protected stewards safe.
