CC allocation for 2024- 2028 announced: Increases for 104 breeds

The Kennel Club has released details of its CC allocation for the years 2024 - 2028, formulated using a new model applied to all CC breeds, details of which were first announced in October 2020.

Since the initial announcement, detailed work and consultation have taken place prior to final approval by The Kennel Club Board. In total, 104 breeds have gained one or more sets of CCs overall, and 23 breeds have retained their present number of sets. Whilst 36 breeds have lost at least one set at group and general shows, no breed has lost any sets at breed club level. In further positive steps, the allocation to group and general shows has increased by 42 sets of CCs, excluding the two new group shows which were recently announced.

The key objectives of this new approach include sustainability and transparency of the allocation; fairness across all breeds; the potential to boost entries; separate allocations for breed clubs and general societies; and the encouragement of partnership

shows with associated cost reductions for organisers and exhibitors. The latter point is a major consideration as the show scene begins to open up following the prolonged lockdown caused by the pandemic.

The key change has been to split the allocation into general shows and breed/group shows. The aim is to ensure that all clubs and societies will have a vested interest in doing all they can to maintain and improve entries. Clubs will need to work with general and group societies and vice versa to improve entries overall and maintain or increase their CC allocation. Everyone must work together to support their entry, including by hosting partnership shows.

See pages 38-46 for full details of the 2024-2028 CC allocation in each eligible breed.

Separate classification for the Bavarian Mountain Hound

The Kennel Club has announced that the Bavarian Mountain Hound will transfer from the Imported Breed Register to the Breed Register with effect from 1 April 2022.

The breed was recognised by The Kennel Club in 1990 and classified in the hound group. An interim breed standard was published in 2008 allowing the breed to be exhibited in Imported Breed Register classes. From April of next year, the Bavarian Mountain Hound will be eligible to have separate breed classes.

Limitation on 'hereditary clear' status postponed to 2023

Following the announcement that The Kennel Club will limit the assignment of 'hereditary clear' status of registered dogs to two generations, the organisation has announced that this change is now set to be implemented as of January 2023.

Hereditary clear status is given to dogs that are determined to be free of specific genetic material linked to a particular inherited disease. The Kennel Club's registration system assigns a dog this status if their parents are known to be clear, either because they have both been DNA tested as clear, or because they are hereditary clear themselves.

Dogs could be mistakenly given a false hereditary clear status for a number of reasons; for example if

there has been a failure of laboratory protocols, pedigree errors or incorrectly recorded parentage. In these instances it is unlikely that the inaccuracies would be noticed immediately, but rather that several generations later many dogs throughout the breed descended from the individual with the original incorrect status will also have erroneous hereditary status, and the well-intended mating of two such apparently hereditary clear dogs risks

producing affected puppies.

The Kennel Club research analysed the risks faced by a population following the incorrect assignment of hereditary status and determined that the rate of dogs with false hereditary clear status could rise considerably over a fairly small number of

generations, particularly for genetic conditions that are more common.

Originally scheduled to come into effect in January 2022, this has now been postponed to 2023 to allow for necessary development work to be completed and in order for 'hereditary clear' status to be as effective and reliable as possible.

the importance of health data for all dogs. In our news pages we highlight the important steps to remember when walking your dog on Ministry of Defence (MOD) land to keep both yourself and your dog safe from danger and we welcome back the return of The Kennel Club International Agility Festival and Young Kennel Club Summer Camp, after both were cancelled last year due to the pandemic. We wish all competitors the best of luck and hope that our younger members have a fun experience seeing their friends and talking about their favourite pastime - dogs.

Simon Parsons reflects on the loss of stalwarts in the world of dogs and how that impacts the future for all dog owners in his Viewpoint column, we invite Gina Pink to share her favourite dog walk from Bordon Inclosure in Hampshire - an area of

woodland once owned by the MOD providing walks under a canopy of trees that offer dogs cool shade in the summer months and a safe place for a swim in the River Wey. Our breed of the month is the courageous, active and reliable

Bullmastiff. We look back at the origins of the breed, its health and invite ten judges to choose their three favourite Bullmastiffs that they have judged in the show ring in Judges' Choice. We are also delighted to present

a selection of artistic works featuring the Bullmastiff, some of which were taken from The Kennel Club Magnificent Molosser exhibition of 2017 courtesy of Pamela Jeans-Brown, supported by The Kennel Club Art Gallery.

Smooth Faced Pyrenean Sheepdogs to compete at breed shows

Having recognised the Pyrenean Sheepdog (Smooth Faced) in April of this year, The Kennel Club will be publishing an interim breed standard for the breed in the September 2021 edition of the Kennel Club Journal, it has been announced. The new standard will be effective from 1 September 2021 and therefore the breed can be shown in Imported Breed Register classes at Kennel Club licensed breed shows from that date.

Awards won at Kennel Club events: Important message

The Kennel Club would like to apologise to exhibitors/competitors at licensed events that the operational issues currently being experienced will impact upon the issuing of award certificates by our office across all activities, e.g. Challenge Certificates, Warrants and Champion titles.

For this reason, we are reminding everyone that it is permitted to enter events or classes where eligibility is dependent upon awards and/or titles which are pending confirmation, e.g. moving from Limit to the Open class at dog shows. Indeed exhibitors must do this. Also, in the case of Champion Stakes, exhibitors do not need to wait for their dog's champion status to be confirmed before entering.

For any issues which may arise regarding eligibility, please email **KCNotifications@thekennelclub.org.uk**. We appreciate the patience and forbearance of exhibitors and competitors at this time and will provide updates in due course at **thekennelclub.org.uk/resumptionofevents**

Potential welfare crisis looming unless UK is Open for Dogs

New research shows that the burgeoning market of pandemic dog owners fear they can't give a suitable home to their pets as lockdown restrictions ease, unless places of leisure and employment improve their dog-friendly credentials.

The research, released recently by The Kennel Club as part of its Open for Dogs campaign, shows that almost a quarter (23 per cent) of all owners fear that they will no longer be able to provide a suitable home for their dog post-lockdown, with a staggering amount – nearly one in five (17 per cent) – saying they have considered rehoming as an option. Close to two in three Brits (63 per cent), both owners and non-dog owners alike, worry about dogs bought during the pandemic being abandoned when 'normal' life resumes.

During lockdown, dogs became a vital support line for many people – with

pandemic ownership skyrocketing – and more than one in three (36 per cent) of the estimated 14 million strong UK dog owning community now say that they are worried about what their pet will do if they can't go with them to the places they usually socialise and work, once restrictions ease.

Further information about The Kennel Club's Open for Dogs campaign, alongside practical advice, printable dog-friendly policies and 'Open for Dogs' window stickers for business owners, workplace decision makers and owners, is available at **thekennelclub.org.uk/openfordogs**

Events

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at The Kennel Club events is of paramount importance.

Important message regarding awards gained at all licensed events

We would like to apologise that due to the operational issues currently being experienced by The Kennel Club, competitors at forthcoming licensed events will experience a delay on the issue of awards by our office. However, we would like to remind competitors that it is permitted to enter events where eligibility is dependent upon awards and/or titles which are pending confirmation, e.g. champion stakes. Any disputes regarding eligibility will be dealt with subsequently.

Any queries please email KCNotifications@thekennelclub.org.uk

We appreciate the patience of competitors and exhibitors.

It is the first and only scheme for dog training instructors and behaviourists that has achieved programme accreditation from City & Guilds, a globally-recognised benchmark of quality.

This section of the Kennel Club Journal is dedicated to KCAI Scheme members. It provides information on the resources available to members, announcements on newly awarded Kennel Club Accredited Instructors, and KCAI Scheme news and updates.

For more information on the KCAI Scheme, please visit: www.kcai.org.uk

CC Allocation 2024-2028

The CC allocation for the years 2024-2028, formulated using a new model applied to all CC breeds, is published below. The key change has been to split the allocation into general shows and breed/group shows. The main objectives of this new approach include sustainability and transparency of the allocation; fairness across all breeds; the potential to boost entries; separate allocations for breed clubs and general societies; and the encouragement of partnership shows with associated cost reductions for organisers and exhibitors. Any queries regarding the CC allocation should be directed to the Society & Show Services team at sass@thekennelclub.org.uk

CHAMPIONSHIP STATUS 2024 AND 2028 BREED CLUB ALLOCATION, AND SUMMARY OF CHANGES TO THE ALLOCATION FOR EACH BREED

Second set for the breed club.

* First time allocation of Championship Status. The allocation for 2025 is subject to a successful Field Officer report on the club's 2024 championship show if appropriate.
