New enhanced 'Find a Judge' service launched

The new enhanced Find a Judge service has now been launched on The Kennel Club website.

The new online directory replicates all the features of the previous version. Users will have the ability to search for all those judges who have been approved by The Kennel Club to judge at all championship shows, working trials and field trials. Each judge's record will show the breeds they are eligible to judge at championship dog shows or the classes, stakes and panel status in other activities.

...those who have been approved via the A2 and A3 pre-approval routes now have those breeds for which they are approved listed on their profile

Previous and approved future judging appointments are now also listed for all disciplines apart from field trials, which will be updated in due course, and there is the facility for inviting societies to contact judges direct via a contact form. A further enhancement in relation to breed show judges is the fact that those who have been approved via the A2 and A3 pre-approval routes now have those

We introduce a new series of fundraising campaigns from The Kennel Club Charitable Trust as it approaches 40 years and how you can get involved, we look back on what has been an unusual year for The Kennel Club at its 2021 Annual General Meeting hosted by Zoom video webinar, and unearth a rare photograph of The Kennel Club members' room from the October 1909 edition of The Tatler.

In our news pages we highlight the changes in legislation on import restrictions from Defra to tackle puppy smuggling and ear cropping, we are delighted to announce that the Animal Welfare (Sentencing) Act became law this summer due to a number of unsuccessful attempts, and provide news on two Kennel Club campaigns launched in July: 'Paw and Order: Dog Theft Reform' and 'Open for Dogs'.

Simon Parsons discusses the general championship shows that took place over the summer and assesses the long-term effects of the enforced break on our activities in his Viewpoint column, we invite Sue Garner to share her favourite dog walk at Stoney Cross in the New Forest and the legends that surround it.

Our breed of the month is the intelligent working and versatile Australian Shepherd. We look back at the breed's development in America, and as the breed grew in popularity over here the first year it was granted Challenge Certificates at Crufts in 2006 it went Best in Show! The Australian Shepherd Breed Health Coordinator provides

an update on recent health issues that need monitoring to maintain the health of the breed into the future, we hear from Australian Shepherd rescue and the plan in place in case the rehoming service sees an increase in demand

once owners return to work, and invite eight judges to choose their three favourite Australian Shepherds that they have judged in the show ring in Judges' Choice.

breeds for which they are approved listed on their profile, including those first-time judges who have had appointments cancelled due to Covid-19. Judges will automatically appear on the new website for all CC, Group and BIS appointments once their appointment is approved by the Board.

Every effort has been made to ensure the data is accurate and up-to-date and reflects what was previously published, and all field trial and activity judges – whose details we didn't already hold on the old Find a Judge system – have been emailed asking them to check their details and inform us of any changes. We have a dedicated team ready to continue to work with judges to update details should this be necessary. Any judge who has a concern is advised to view the FAQs at [thekennelclub.org.uk/FAQs](https://www.thekennelclub.org.uk/FAQs) and anybody who needs support changing their details can complete the online form at [thekennelclub.org.uk/FAJdetailsupdate](https://www.thekennelclub.org.uk/FAJdetailsupdate)

The Kennel Club Charitable Trust supports urgent evacuation mission in Afghanistan

The Kennel Club Charitable Trust is urging other organisations and charities to help fund a plane to save Nowzad's staff and the animals in its care.

The Trust has donated towards an emergency evacuation mission for Nowzad, a charity saving animal lives in Afghanistan, and is calling on other animal organisations to support as well, and help to get Nowzad's staff and animals into safety quickly.

Nowzad is a charity established in 2006 by former Royal Marine Sergeant Pen Farthing and desperately needs £200,000 to organise evacuation

of their veterinary and support staff members, whose lives are in danger. The organisation also needs funds to help save over 200 animals who are currently in their care.

Following its donation towards the fundraising mission – called Operation Ark – The Kennel Club Charitable Trust is urging more organisations to donate and help Nowzad in this desperate situation.

Nowzad is a long-term partner of The Kennel Club and Crufts where they have been fundraising for over a decade, and in 2008, Pen and his two desert-bred

rescue dogs Nowzad and Tali were finalists in the Kennel Club's Friends for Life competition, at Crufts.

To learn more about Nowzad's mission and current situation and to donate visit www.nowzad.com/donate.

For Paypal donations email donations@nowzad.com (UK based donations).

The charity is also asking people to contact their local MPs with an urgent plea to ensure Nowzad's staff – including the Afghan nationals who work or volunteer for the charity – are able to be brought to safety.

The Kennel Club to hold inaugural health and welfare conference

The Kennel Club will host its first Health and Welfare Conference, bringing together dog health experts, breed community representatives, owners, breeders and dog show judges.

Following the renewed interest in dog ownership during the pandemic, the inaugural event, taking place on September 25 and 26 at Chesford Grange in Kenilworth, aims to drive collaboration and discussion on pertinent canine topics and to ultimately improve the health, well-being and welfare of dogs now, and in the future.

The two-day conference spans workshops, seminars

The event aims to ultimately improve the health, well-being and welfare of dogs now, and in the future.

and talks from an impressive array of experts in canine health and welfare – including Dr Dan O'Neill of the Royal Veterinary College, Dr Alison Wills, Senior Lecturer at Hartpury University and animal scientist Dr Jaqueline Boyd – asking questions such as 'is DNA really the answer to improving dog health?' and 'how do we breed healthier dogs?'

The outline programme for each day is as follows:

Saturday – Canine health and breeding seminar

- Four talk and workshop sessions
- Topics including: Breeding for health, DNA testing and estimated breeding values, breed standards and heart health

Saturday – Canine sports science seminar

- Three talk and workshop sessions
- Topics including: Canine biomechanics and performance, nutrition, and eye health

Sunday - Breed Watch education seminar

- Covering judging brachycephalic breeds for health – a specialist look at some of the breed-related conformational concerns

The cost per delegate per day is £45, with discounted tickets for breed health co-ordinators. For more information and to book tickets online, please visit bit.ly/3jP99KT

New system for elevating 'rare' breeds to CC status

The Kennel Club Board has agreed that a phased and transparent system be introduced for the elevating of some 'rare' breeds to championship status. This will begin with an annual allocation of three sets of CCs and will progress, if entry figures warrant, to seven sets and eventually, under stage 1 of the new CC allocation model, 13 sets.

It is acknowledged that some 'rare' breeds currently draw better annual entries than some existing CC breeds but do not have the same opportunities to win titles, Stud Book numbers etc. It was for this reason that a working group was formed to look into this matter.

At present, breeds can progress from no CCs to 13 sets and the Board feels that this is an enormous leap in one go, and it has therefore been agreed that intermediate levels be introduced. Moving through the various levels will be dependent on the breed's average entry and the number of approved judges (JEP Level 4, including those who have 'grandfathered' over from the traditional route).

Breed clubs for potential CC breeds will be requested to make a full presentation which will include health, breeding lines, conformation and temperament.

The rationale behind this update is that it will allow breeds to adjust to championship status. It will also ensure that there is a sufficient pool of judges for the number of CCs on offer at each stage of the process.

The new system will start from 2022 for potential allocation from 2024 and be divided into three stages. For full details, please visit bit.ly/2VP1bJD

Parson Russell Terrier makes obedience history

The Parson Russell Terrier, Glencymreig Degu OW, owned by Louise Healey of Grantham, Lincolnshire, recently made history in more ways than one when he was awarded the Dog Obedience Certificate at two championship obedience shows held a week apart.

When 'Stanley' won the Certificate at Winchester City Dog Training Club championship obedience show, competing in the Championship C Dog class judged by Peter Lubbi, he became the first of his breed to win such an award in the UK, as well as the first small breed to do so for 32 years.

However, Stanley was clearly not satisfied to have one mention in the history books, as, just one week later, he was awarded his second Dog Obedience Certificate, at the championship obedience show of the Oxhey branch of the British Association for German Shepherd Dogs (BAGSD), once again competing in the Championship C Dog class, this time judged by Heidi Lawrence.

Louise has been training and competing in Obedience for more than 20 years. She started with Collies, a breed she still loves, but her sister Jane Rawlinson (Halshimoor Parson Russell Terriers) one Christmas asked the question: "Why not train a Parson – they are clever little dogs!"

"Why not train a Parson – they are clever little dogs!"

Stanley winning at Winchester City DTC with judge Peter Lubbi

Although small breeds such as Shetland Sheepdogs, Pembroke Corgis and Miniature Poodles have won Obedience Certificates and even Obedience Champion

titles in the past, the success of such breeds is still relatively rare in a discipline dominated by Border Collies, Working Sheepdogs and larger working breeds. In fact, it is believed that the last small breed to win an Obedience Certificate was a Shetland Sheepdog bitch who was victorious in 1989.

Vulnerable British and Irish Breeds competition returns

Following the popularity of the Vulnerable British and Irish Breeds competition in 2019, The Kennel Club has announced that it is taking place again this year, culminating in a grand final at Crufts 2022.

To raise awareness of vulnerable British and Irish breeds, and to recognise those people who are dedicated to their survival and prosperity, The Kennel Club created the competition in 2015. Following a similar format to the one used in 2019, only the Best of Breed winners at designated championship shows this year (some of which have already taken place) will qualify for the final. Due to the cancellation of the UK Toydog and National Terrier shows this year, the Crufts Committee has agreed that the qualifying event in these two groups will be the Scottish Kennel Club 'all breeds' show.

The competition is open to all vulnerable British and Irish breeds competing at the following championship shows:

Hound	Hound Association
Working	National Working and Pastoral Breeds Society
Pastoral	National Working and Pastoral Breeds Society
Gundog	National Gundog Association
Toy	Scottish Kennel Club (all breeds show)
Terrier	Scottish Kennel Club (all breeds show)

Sussex Spaniel, Sh Ch Yorkham Rocking Rudolph ShCEX

Dogs of breeds which are on The Kennel Club's vulnerable British and Irish breeds list who win Best of Breed at the above shows will qualify for the competition and will be invited to compete in the grand final at Crufts 2022. In cases where the Best of Breed winner is unable to compete in the final, the Best Opposite Sex winner will be invited.

To find out more about the competition, please go to bit.ly/3oKtdPy. All Crufts finalists will be notified by The Kennel Club.

The Kennel Club answers most-asked pandemic puppy questions

With the pandemic bringing with it an influx of first-time dog owners, The Kennel Club has analysed data from the top ten questions asked by those hoping to understand their dog's behaviour.

We tracked Google search trends during the pandemic puppy boom and

found a nation of owners baffled by their dog's behaviours, looking for reassurance on canine habits and seeking answers to age-old questions relating to man's best friend.

With the demand alone for puppies increasing by 187 per cent during the first lockdown in 2020 – according to the organisation's Find a Puppy tool – The Kennel Club wants to reassure and guide those who may be worried, curious or fascinated about what they perceive to be an unusual habit, which could turn out to have a surprising reason behind it.

The top ten most-searched questions in 2020 according to Google search trends are:

- Why does my dog eat grass?
- Why does my dog stare at me?
- Why does my dog shake?
- Why does my dog eat poo?
- Why does my dog follow me everywhere?
- Why does my dog lick me?
- Why does my dog lick me so much?
- Why does my dog lick my feet?
- Why does my dog keep sneezing?
- Why does my dog smell like fish?

Whether you have already entered these search terms into Google or are just wondering why dogs behave in a certain way, The Kennel Club has further information for those seeking answers to these questions on the 'why does my dog?' hub on The Kennel Club website bit.ly/2V18YIN

Events

The Kennel Club would like to advise and reassure competition organisers, exhibitors and competitors that our Sports Committees are working on solutions to help enable shows, competitions and other events to resume when Government guidance allows and the current restrictions are sufficiently reduced or relaxed. We are also actively seeking Government advice and clarification on guidance already issued. We are looking at the safety measures that may need to be put in place, together with any Kennel Club Regulations which may need to be amended or relaxed to enable competitions to resume. As soon as more information is available, our guidance will be issued. We are aware that everyone is keen to resume their dog-related activities as soon as it is practical to do so, but please bear with us as we work towards helping you to provide the safest possible environment to allow for this. The continued health, safety and security of all participants at The Kennel Club events is of paramount importance.

Important message regarding awards gained at all licensed events

We would like to apologise that due to the operational issues currently being experienced by The Kennel Club, competitors at forthcoming licensed events will experience a delay on the issue of awards by our office. However, we would like to remind competitors that it is permitted to enter events where eligibility is dependent upon awards and/or titles which are pending confirmation, e.g. champion stakes. Any disputes regarding eligibility will be dealt with subsequently.

Any queries please email KCNotifications@thekennelclub.org.uk

We appreciate the patience of competitors and exhibitors.

KC File for September

AMENDMENTS TO BREED STANDARDS

At its recent meeting the Board approved the following amendments:

DACHSHUND

General Appearance Moderately long in proportion to height, with no exaggeration. Compact, well-muscled body, with enough ground clearance, not less than one quarter of the height at the withers, to allow free movement. Height at the withers should be half the length of the body, measured from breastbone to the rear of thigh. Bold, defiant carriage of head and intelligent expression.

Characteristics Intelligent, lively, courageous to the point of rashness, obedient. Especially suited to going to ground because of low build, very strong forequarters and forelegs. Long, strong jaw, and immense power of bite and hold. Excellent nose, persevering hunter and tracker. Essential that functional build, size and proportions ensure working ability.

Head and Skull Long, appearing conical when seen from above; viewed from the side, tapering uniformly to tip of nose. Skull only slightly arched. Neither too broad nor too narrow, sloping gradually without prominent stop into slightly arched muzzle. Length from tip of nose to eyes equal to length from eyes to occiput. In Wire haired, particularly, ridges over eyes strongly prominent, giving appearance of slightly broader skull. Lips closely fitting, neatly covering lower jaw.

Forequarters Shoulder blades long, broad, and placed firmly and obliquely (45 degrees to the horizontal) upon robust rib cage. Upper arm the same length as shoulder blade, set at 90 degrees to it, very strong, and covered with hard, supple muscles. Upper arm lies close to ribs, but able to move freely. Forearm short and strong in bone, inclining inwards, forming a slight crook which fits neatly around the chest. When seen in profile, forearm moderately straight, must not bend forward or knuckle over, which indicates unsoundness. Correctly placed foreleg should cover the lowest point of the keel, with ground clearance never less than one quarter of the height at the withers.

Body Moderately long and full muscled. Sloping shoulders, back reasonably level, blending harmoniously between withers and slightly arched loin. Withers and quarters of approximately the same height. Loin short and strong. Breast bone strong, and so prominent that a depression appears on either side of it in front. When viewed from front, thorax full and oval; when viewed from the side or above, full volumed, so allowing by its ample capacity complete development of heart and lungs. Ribs extending well back with good length of sternum. Underline gradually merging into line of abdomen. Dog sufficiently clear of ground to allow free movement.

Hindquarters Rump full, broad and strong, pliant muscles. Croup long, full, robustly muscled, only slightly sloping towards tail. Pelvis strong, set obliquely and not too short. Upper thigh set at right angles to pelvis, strong and of good length. Lower thigh short, set at right angles to upper thigh and well-muscled. Viewed from the rear, hind legs straight and parallel, neither close nor wide apart.

Tail Continues line of spine, but slightly curved, without kink or twist, not carried above the topline, or touching ground when at rest.

Faults Any departure from the foregoing points, including desired body condition, should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog as well as its ability to perform its traditional work.

[No change to other clauses]

DOBERMANN

Ears Small, neat, set high on head, dropped and lying close to the cheeks.

NEW INTERIM BREED STANDARD – PYRENEAN SHEEPDOG (SMOOTH FACED)

The Kennel Club has published a new Interim Breed Standard for the above breed which is effective from 1 September 2021.

Introductory paragraph A Breed Standard is a guideline which describes the ideal characteristics, temperament and appearance, including the correct colour, of a breed and ensure that the breed is fit for function. Absolute soundness is essential. Breeders and judges should at all times, be careful to avoid obvious conditions or exaggerations which would be detrimental in any way to the health, welfare or soundness of this breed. From time to time certain conditions or exaggerations may be considered to have the potential to affect dogs in some breeds adversely, and judges and breeders are requested to refer to the Breed Watch section of the Kennel Club website here: <http://www.thekennelclub.org.uk/services/public/breeds/watch> for details of any such issues. If a feature or quality is desirable, it should only be present in the right measure. However, if a dog possesses a feature, characteristic or colour described as undesirable or highly undesirable it is strongly recommended that it should not be rewarded in the show ring.

General Appearance Energetic small sheepdog, alert and lean. Body equal to or slightly longer than height at the withers. Length of foreleg greater than depth of body. Medium length coat, smooth short hair on face and front of limbs, fringing to rear of front legs and breeches on hind legs.

Characteristics Highly intelligent. Strong herding instinct. Great energy and stamina for size.

Temperament Alert, lively, mischievous & enquiring. May be wary of strangers, but never nervous or aggressive. Biddable.

Head and Skull Triangular when viewed from above, with muzzle tapering evenly to nose. Skull length equal to width at its widest point, flat with slight central furrow, occiput slightly pronounced. Muzzle slightly shorter than skull. The sides of skull slightly rounded. Foreface and skull almost parallel with minimal stop.

Eyes Expressive, almond to oval in shape, wide open, not bulging or sunken. Dark brown, but one or both may be blue or flecked with blue in Merle coloured dogs. Eye rims black.

Ears Fairly short, triangular, fine textured. Placed high but not set too close or wide apart. Hanging forward when alert, but laid back in repose.

Mouth Jaws strong with a perfect, regular and complete scissor bite, i.e. upper teeth closely overlapping lower teeth and set square to the jaws.

Strong teeth. Lips darkly pigmented.

Neck Rather long, muscular, and set well into shoulders.

Forequarters Forelegs lean, sinewy and straight when viewed from the front. Single dew claws. Pasterns flexible and slope gently. Shoulder blades moderately sloping, and fairly open at the prominent withers. Length of foreleg greater than depth of body.

Body Length slightly longer than height, almost square in body. Lean, strong and muscular, without heaviness. Brisket reaches to elbow with ribs slightly rounded and reaching well back. Loin short and strong, level or with a very slight arch.

Hindquarters Croup short and sloping to fairly low set tail. Thigh strong with second thigh well developed and long with moderate turn of stifle. Hocks set moderately low. May sometimes stand close behind. Single or double dew claws are acceptable as is their absence.

Feet Oval with tight, arched appearance. May have some longer hairs between toes. Dark pads and nails.

Tail Previously customarily docked or sometimes born with short or stump tail. Set low and should reach the hock with an upward hook at end. Well coated with a plume of hair. When alert the tail should not rise much above topline.

Gait/Movement Fairly short striding. Trots freely with vigour, feet never raised very high. At a gentle trot, the head is carried fairly high. When speed increases, the moderate angulation generates a free, vigorous, fairly short striding gait, with the head dropping in line with the back.

Coat Medium to short coat, smooth haired face, the hair longer on the sides of the head, developing into a modest ruff on the neck. Body coat between 6-8cms, may be shorter on the back (4-6cms). Leg hair has fringing on front legs and breeches on hind legs. Hair on the front of the limbs is a defining feature and must be short. Front legs fringed behind, hind legs have breeches.

Colour Variations of fawn which can be overlaid with black. Black, Brindle or Blue Merle. A little white on chest and legs permitted. Light to Dark Grey. Solid colours preferred. Any other colour combinations undesirable, including black and tan, large areas of white or a predominance of white.

Size Height: Dogs 40-54cms (15½ - 21ins); Bitches: 40-52cms (15½ - 20½ins). A tolerance of plus or minus 2cms allowed.

Faults Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

Note Male animals should have two apparently normal testicles fully descended into the scrotum.

Kennel Club Annual General Meeting

23 JUNE 2021

The Kennel Club held its AGM by video conference using Zoom Video Webinar on 23 June 2021. Due to Covid-19 and the restrictions imposed by the Government on public gatherings and social distancing, and as previously advised to members, it was necessary to hold the AGM online. Members were able to ask questions verbally and in writing on screen. The Chairman, Mr A Allcock OBE, advised that the only people able to join the meeting in person were the Vice Chairman, Dr IH Gabriel; the Chairman of the Risk Assurance Committee, Mr PR Eardley; the Chief Executive, Mr Mark Beazley; the Secretary, Mrs Kathryn Mansfield; and the Chief Financial Officer, Mr Mark Johnstone. He advised that the proxy votes received in advance of the meeting had been counted by the independent scrutineers, Mi-Voice who had delivered the final vote counts that morning.

1. The Secretary, Mrs Kathryn Mansfield, read the notice convening the meeting at 11.00am and the Chairman, Mr A Allcock OBE, chaired the meeting.

Before continuing with the agenda, the Chairman reported that the following members had died since the last meeting: Honorary Life Members: Miss JM Lanning and Miss CL Seidler; Members: Mr T Axe, Mr J Bonser, Mrs M Broadstock, Mr J Bromley, Mr T Burgess, Mr MC Freeman, Mr RI Greaves, Mr L Hammond, Mr BP Jones, Mrs FM Marshall, Mr E Newman, Mrs G O'Connor, Mr R Otto, Mrs FR Sebley, Mrs HM Smith, Mr JM Taylor, Mrs P Wadsworth and Mr P Wainwright. The Chairman asked the members to share a moment of quiet reflection in their memory.

The Chairman advised that the agenda was to be changed, so that item 15 would follow item 5 in order to open the floor to questions on both subjects subsequently.

2. The members received the report of the Annual General Meeting held on 30 June 2020 and published in the August 2020 issue of The Kennel Club Journal.
3. The Chairman advised that there had been no notification of items arising from the Annual General Meeting.
4. Item 4 was to receive a report from the Board in accordance with the Articles of Association of The Kennel Club Limited (Article 41.3.1). The Chairman advised that this would be given in two parts: the first by him and the second by the Chief Executive. The Chairman gave the following report:

'I would like to focus my report on the impact of the Covid-19 pandemic on the wider dog community as well as the effect that it has had on us all within The Kennel Club.

It goes without saying that the past year has been a challenge for us all. For those who have lost loved ones during this time, it has been extremely upsetting and our thoughts go out to you. For those of us fortunate enough to have remained untouched by such suffering, it has been a difficult and frustrating year, both on a personal and a business level.

Despite the challenges we have all faced, I am proud of how the staff, committees and Board of The Kennel Club have been able to adapt their working practices to ensure that we have been able to carry out our day-to-day business as effectively as we have.

Over the past 18 months, The Kennel Club has kept its status as the place to turn for help across all areas of dogdom. During the height of the pandemic last year, and indeed again earlier this year, the world of dogs felt like a forgotten area of government guidance. The staff have worked tirelessly to rectify this, liaising with Defra throughout to create a comprehensive information hub on our website.

Although it has been such a difficult and unpredictable period, the Club has remained resilient and financially stable. There have been no dramatic changes to our staffing levels, the ways in which they work or indeed the way the Club operates as a whole.

We have made use of the Government's Job Retention Scheme to ensure that our staff were as well supported as possible. Obviously, there were some departments which were affected more greatly than others, such as the Club staff themselves. I am delighted that they have been able to return to Clarges Street to resume their duties, giving you the members the best possible experience in the current circumstances. We understand that not all of the members feel ready to return to the Club just yet, but it has been heartening to welcome those of you who have. We very much look forward to welcoming more of you as the situation improves hopefully.

Those of you who have been into Clarges Street will most likely have met our new Club manager Mr Kris Bethune, following the retirement last year of John Golding who served us so well for so long. Kris brings with him a wealth of stellar experience and a good number of ideas as to how to further develop this side of the business in due course. We welcome him to the Club and wish him every success with his endeavours.

Although we have obviously experienced problems with our huge new IT project, as we shall discuss later, our internal IT support team have worked hard to ensure that the staff have had the tools at their disposal to successfully work from home.

Together they have quickly learnt new technologies and have then led by example in introducing these to the councils, committees and Board which are so important to the running of the Club. From the same shaky start to this new way of doing things that I imagine many of you experienced, our formal meetings are now conducted efficiently and at significantly lower cost to the Club. We are currently looking at how we might blend remote meetings with a return to face-to-face meetings in future, to best suit the needs of the Club.

We very much look forward to more areas of the dog world returning to real-life events. The first of our general championship shows, Southern Counties, starts in two days' time and I wish them the very best of luck in hosting a safe and successful show. It will be a wonderful experience to get back to doing what we all love for the first time for so long and I hope that this is a sign of much better days to come.

I hope that a return to dog showing and all the other disciplines which we represent will remind us all of how much stronger we are together. There has been a great sense of community over the past 18 months, fostered by the challenges we have faced together but apart. I hope that we can harness that spirit of collective care and compassion to create a better, kinder future. The respect and support

that have helped us get through the pandemic will be required to help us face the challenges ahead, both within the dog world and the wider community. Let that respect and understanding be our guides as we work together for the improvement of dogs.

Before I hand over to your new Chief Executive, Mr Mark Beazley, I would like to give you a quick update on the current strength of the paid up membership of The Kennel Club Limited. This has traditionally been an agenda item of its own but it was felt that it could be as well addressed within this report in future.

As of yesterday, we had a total of 1,443 paying members, of whom 1,327 are ordinary members and 116 are overseas members. There are a further 81 people who are honorary life members or honorary members.

Before finishing my report, I would just like to share some personal words with you. Throughout the isolation and solidarity we have all felt, coupled with so much sorrow and heartache, we have been forced to accept change but also embrace opportunity. It is very noticeable that people have learnt to appreciate each other differently. Rather than individualistically we now measure each other for the size of their hearts. As we emerge into post-pandemic, let us take this new found common humanity and nurture the basic values of respect for each other, building a better Kennel Club with a strengthened sense of belonging, co-operation and community, coupled with the motto 'together we share'.

The Chief Executive gave the following report:

'As you may be aware, I've been involved in animal welfare for almost 20 years and joined The Kennel Club last October from Cats Protection where I was Operations Director. Before this, I worked at Dogs Trust Ireland and the Irish SPCA. It really is an enormous privilege for me to head up The Kennel Club. I've long admired the Club's work from the outside, but it's only since I've joined that I've truly come to recognise the sheer breadth of what The Kennel Club does and the hugely valuable contributions our organisation makes - whether that's protecting and promoting the health and welfare of dogs through our vital education and lobbying activities, building the next generation of dog owners within the Young Kennel Club or running world class events such as Crufts which I'm very much looking forward to attending in 2022. Everything we do makes a real difference for dogs and the positive impact we deliver should not be underestimated.

Since joining The Kennel Club last year, my priority has been getting to know the organisation, meeting as many colleagues as possible and building relationships at all levels, inside and out.

Of course, the past year has been extremely challenging for everyone and The Kennel Club is no exception - but the commitment and hard work of all our staff has ensured that we have remained resilient to weather the challenges we have faced, and I know that once we fully emerge from the pandemic, The Kennel Club will be stronger than ever.

Since lockdown was announced last year, we have flexed our working practices and on the whole, we have successfully managed to work remotely across most parts of our business. I am extremely proud of how we have adapted as an organisation. Indeed, throughout the pandemic

Kennel Club Annual General Meeting

we have shaped guidance for exhibitors and competitors across all four home nations and we have supported dog owners and breeders through our popular online Covid resource hub as well as our successful 'bepuppywise' campaign, which has been shortlisted for a PR industry award, and has brought to the fore important topics such as buying puppies responsibly, avoiding scams and adapting to life after lockdown measures have been relaxed.

We've also made some real inroads as a result of our lobbying activity across the year. Although we have a small team, we very much punch above our weight. For example, over the past year, we've persuaded the Scottish Government to drop the 'business test' licensing threshold from their new dog breeding regulations and welcomed the ban on commercial third-party sale of puppies in Scotland.

Following the announcement of the lockdown, we worked hard to ensure that breeders were able, legally, to get their puppies to their new owners. And more recently, we've been involved in influencing the new legislation on pet travel post Brexit, with particular focus on finding solutions for the Northern Ireland/ Great Britain pet travel border and played a key role in the development of Defra's new livestock worrying legislation. And day to day, we're continuing to lobby central and local government on other key issues including microchipping, ear cropping, pet theft and access for dog walkers.

In the course of the past year, we also implemented the biggest transformation of our digital infrastructure for over 30 years with the launch of the new Kennel Club website last October and Petlog in March.

This work was essential for The Kennel Club's future – the old IT systems were outdated and no longer fit for purpose and were, quite bluntly, creaking at the seams. This work has, as I'm sure you all know, also caused great challenges for many breeders and puppy owners, for which we apologise unreservedly. The Kennel Club's high quality service levels have fallen well-short of what our customers expect and deserve, and we need to put this right – and, of course, ask ourselves what went wrong, so that we can learn lessons for the future.

To this end, the Board and the Risk Assurance Committee have commissioned an independent review of the project and Paul Eardley from The Kennel Club Board will be sharing the headlines of the report later in this session. Of particular note, we underestimated the scale and complexity of the project, particularly in relation to how we organised and migrated our data to the new systems. Our testing should have been more robust and overall as a business, we simply were not ready for a change of this magnitude.

These issues, coupled with under resourced teams alongside unprecedented demand for registration services during lockdown, created a perfect storm, leading to a large number of backlogs and long delays in processing queries, answering emails and fulfilling postal applications on time. As you are no doubt acutely aware, the appetite for puppy buying is not slowing down and the pressure on our registrations team remains significant as we continue to see strong year on year growth.

In response to all of this, I have approved an organisational restructuring across our customer

experience team in Aylesbury which is now being put in place. We've also brought in additional client service advisors to ensure that we can improve processing times and raise the quality bar to the level you would expect and deserve.

In relation to our customers' user experience on the new website – we are committed to adding further improvements, taking on board the valuable feedback that we have received to date. Already, we have brought back the two generation pedigree and made enhancements to our Find a Puppy service. Please be assured we are listening and are committed to providing the best service possible for everyone.

We'll soon be launching our new and enhanced Find a Judge service, followed by Find a Club and Find a Show. We'll also be ramping up any extra support that's needed to assist show organisers, competitors and exhibitors as shows and events get up and running again.

Looking ahead and it is important that we do so positively, as we emerge from the pandemic and as the customer service changes bed in, I think there will be much to be positive about and proud of. It goes without saying that what we've gone through in the past 12 months has been unprecedented – and collaboration and teamwork across the organisation has helped pull us through. Although it may not feel like it now, this experience will make us stronger and more resilient as an organisation and one which can more easily adapt and flex to the changing world in the future.

Last year I introduced our oneKC ethos – a series of new people-focused initiatives about getting us all to work together as one organisation.

This programme is underpinned by new organisational values – Respect, Future Focused, Excellence, Growth, Ownership and Teamwork. These values are the bedrock of our Kennel Club culture.

This shared set of behaviours will help us to build a common purpose for what we stand for and will help to ensure that our people make the right decisions in the right way. Our oneKC approach will embody everything about how we reform and build a positive and diverse culture for The Kennel Club and make it a great place to work.

Also in the pipeline is a fresh vision and strategy for The Kennel Club for the years ahead, enabling us to deliver on our mission of making a difference for dogs. Working alongside the Board, this important and future focused project will take The Kennel Club to a more healthy and sustainable position for the future and will help us to better demonstrate our impact on society and how we can make a real difference for dogs.

Central to this work will be ongoing enhancements to our registration products and strategic reviews for our Assured Breeders scheme and training and education portfolios. Of course, dog health and welfare will continue to be very much at the heart of what we do and what we stand for. All of these initiatives will grow and support our priorities for improving health and welfare as well as the Club's canine activities. I really do look forward to sharing further updates on this work with the membership in the coming year.

To sum up, whilst it's been a year of real

challenges for The Kennel Club, I believe we now have the right people, resources and measures in place to steer us successfully into the future. There are certainly brighter days ahead and I am confident that our new ways of working, supported by more stable IT systems and a fresh strategy, will pave the way for continued growth and success. In closing, I would like to thank all Kennel Club colleagues and my Executive team for their passion and commitment and Tony and The Kennel Club Board for their continued support.'

5. The Chairman then moved onto item 5, which was to receive an update on The Kennel Club finances. The Chairman invited the Chief Financial Officer, Mr Mark Johnstone, and the Chairman of The Kennel Club Finance Committee, Mr TN Hutchings, to address the members and give a presentation providing more analysis on the annual accounts and showing where The Kennel Club makes its money, what the risks are to those income streams, and then how those funds are used to deliver public benefit as a not-for-profit organisation making a difference for dogs.
6. As advised at the start of the meeting, the Chairman then moved to item 15, which was to receive a briefing on CRM/IT Project including lessons learnt outlined in a review carried out by Grant Thornton LLP. He invited the Chairman of the Risk Assurance Committee, Mr PR Eardley to address the members and give a presentation on the five key findings of the review, which were as follows: 1. A business readiness assessment was not performed as part of the programme design; 2. Weaknesses were identified in the data migration and testing approach; 3. The business case and benefits were not reviewed in line with the changes and progress of the programme; 4. Internal and external stakeholders were not identified and classified which lead to ineffective communication; and 5. Change management procedures did not facilitate effective change control.

Questions were raised and answered on a range of issues relating to the accounts and the CRM/IT project. The Chairman advised that there had been some questions received in advance of the meeting and that the responses to these would be circulated to the relevant members after the meeting.

7. The Chairman then moved to item 6, which was to receive the audited accounts for the year ended 31 December 2020 for The Kennel Club Limited under Article 41.3.2. This was proposed by the Board and it was confirmed that no seconder was required under the terms of the Articles of Association. The votes had been counted and this was agreed.

- There were 12 candidates, six of whom were retiring by rotation and who were offering themselves for re-election and six further nominations. Those standing were Mrs Y Billows, Mr R Harlow, Mrs N Ackerley-Kemp, Mr GA Hill, Mrs SJ Garner, Mr A Allcock, Mr L Janaway, Mr S Payne, Mr TD Mather, Mr D Guy, Mr M Lewindon and Mr F Kane.

The Chairman advised that the votes had been counted and the proposal was carried.

14. Item 13 was a proposal on behalf of the Board, that Kennel Club Rule A(B): Committees 1.1(e) Disciplinary be amended so that two new points relating to its function added as follows: (iv) To adjudicate appeals from decisions by the Activities Committee, Field Trials Committee, Judges Committee and Show Executive Committee in respect of a breach of relevant Kennel Club Regulations; (v) To adjudicate in any circumstances as may be prescribed by the Board from time to time.
