at Cambridge University in the midst of the lockdown, we take a look at the plight of our beloved British breeds on The Kennel Club's Vulnerable British and Irish Breeds list and why new owners are choosing continental choices and Bill Moores stumbles across a set of dog stamps dating back to 1979 in a charity shop that rekindles some controversial views.

This World Mental Health Day (10 October) we raise awareness of the importance of good mental health and reveal that recent research by The Kennel Club showed that 91 per cent of owners agreed that their dog improved their mental health, plus The Kennel Club Art Gallery announce its recent significant bequest of fine porcelain and bronzes from the collection of Pam Wadsworth. Kennel Club welcomes Government plans to combat pet theft

The Government's Pet Theft Taskforce has recommended a new 'pet abduction' offence and further proposals to combat the crime.

The Kennel Club has welcomed recommendations from the Government's Pet Theft Taskforce published on September 3, following a successful campaign lobbying for stronger sentencing and better data collection on the crime.

Currently, sentencing places undue weighting on the monetary value of the pet rather than giving sufficient weight to the emotional impact of the crime, meaning it is often treated in the same way as the theft of a laptop or mobile phone. There is also no central record in order to help decision-makers understand the scale of the problem or the circumstances around it – for

example, whether a theft was driven by opportunism or organised crime.

Setting out its proposals, the Pet Theft Taskforce plan to create a new 'pet abduction' offence, to better reflect the severity of the crime and recognise the welfare concerns; collect more and reliable data on the crime to build a stronger evidence base on the issue; work with microchip databases to identify and track stolen dogs; and tackle the fear of the crime, raising awareness about measures owners can take to keep their pets safe.

The Kennel Club has long campaigned on the issue of pet theft, lobbying for sentencing to recognise the emotional value of a dog and for better reporting

and recording from officials so that underlying causes of dog theft can be tackled, and provided evidence as such to the Government's Pet Theft Taskforce, formed in May this year. The Kennel Club's Paw and Order campaign, launched last month to urge action from the Taskforce, subsequently illustrated the need for reform and spurred thousands of dog lovers across the UK to write to their MP.

Razor makes obedience history by claiming his crown

Cories Ray of Sunshine, known at home as Razor and listed on The Kennel Club's activity register as an Australian Kelpie, recently made history when he won his Obedience Champion title. He is owned by Nina Whitnell.

Razor's achievements are unique, as no other Kelpie in the UK has ever qualified for the championship obedience class nor won an Obedience Certificate, let alone claimed an Obedience Champion crown.

Although the Kelpie breed is not currently recognised by The Kennel Club, it has been exhibited in its native Australia since 1908 and received recognition by

the Fédération Cynologique Internationale (FCI) in Belgium in 1989. In Australia, Kelpies regularly perform well in various canine activities including obedience and herding tests.

Razor won his first Obedience Certificate at Wirral Alsatian Training Society show in 2019 under judge Robert Bint. He then won his second and third 'tickets' earlier this month on consecutive days at Wigton Dog Training Club show under judge Kathy Russell and Lune Valley Dog Training Club show under judge Neil Walton, thus claiming his

champion crown.

Razor is the second Kelpie acquired by Nina from breeder Ann Jordan, having bought her first one 12 years ago. Nina is a former member of the Kennel

Club Junior

Organisation, now known as the Young Kennel Club, and started training and competing when she was just five years old with Border

Collies. Over the years, she has owned numerous breeds including a rehomed Jack Russell Terrier who worked as far as B and C in obedience and won two Bs. Nina loves a challenge and

likes to do what has not been tried before, so she has recently acquired a Dutch Herder puppy.

Denise Platts with Littlethorn Leaf RW at Crufts

First ever Rally Warrant title goes to Border Collie

Denise Platts' four-year-old Border Collie, Littlethorn Leaf RW, is the first ever dog to be awarded the new Rally Warrant (RW) title. She qualified for the award at the Ditton Dog Training Club show.

This title was introduced by The Kennel Club at the start of 2021 in a move designed to encourage new competitors into the rally discipline, as well as to give confidence to existing competitors to work at every rally level.

Rally is a canine activity derived from the heelwork elements of competitive obedience. However, it differs from obedience, primarily in that competitors and dogs attempt a preset course with signs placed at up to 18 stations along the course, requiring them to perform one of around 80 different preset exercises.

In order to claim the Rally Warrant title, dogs are required to obtain the following:

- A rally title at all levels
- A rally Level 6 Excellent title
- An additional three excellent scores at Level 6, gained from 2021 onwards

Once attained, the RW title may be used after the name of the dog in competition entries and also in catalogues and will replace the RL6 Ex title after the dog's name.

Leaf was bred by Bob Tunnicliff by the Italian-bred Raving Mad Underconstruction ex Littlethorn Octavia. She had a very successful competitive season in 2019 when she gained her RL1Ex - RL5Ex rally titles. Leaf and Denise were also selected to represent the Northern Rally Team at Crufts 2020.

Visit the Kennel Club website at bit.ly/3AcHwCa for more information on the new Rally Warrant award, as well as an online claim form.

All enquiries about the RW award should be directed to email sass@thekennelclub.org.uk, while general rally enquiries can be sent to rally@thekennelclub.org.uk

The Kennel Club Gallery celebrates work of Julie Brenan

The Kennel Club Art Gallery has recently opened a new exhibition to the public, showcasing and celebrating the life and work of renowned dog artist, Julie Brenan (1948-2020).

Open until April 2022 at the central London-based gallery, Julie Brenan: A Celebration includes a number of paintings demonstrating the breadth of her oeuvre – spanning her work from world-famous dog shows, as well as more informal paintings and commissions. All displayed paintings showcase the artist's talent to portray the unique relationship between humans and canines, and capture the body and soul of dogs.

Julie's career spanned more than 30 years across private and public commissions, including a 1979 commission to paint the Crufts Best in Show winner, which she continued to do for each Crufts champion for almost two decades. She was also commissioned to paint several canine members of the Royal family, including The Kennel Club's patron, Her Majesty The Queen's Corgis at Windsor Castle, and The Kennel Club's president, Prince Michael of Kent's yellow Labrador, Sponge.

Although this exhibition is Julie's premiere at The Kennel Club's gallery in Clarges Street, her work was previously displayed in numerous domestic and international venues, including the Dog Museum in St Louis, USA and the Royal Dog Show in Toronto, Canada.

The exhibition is open now at The Kennel Club Art Gallery at 10 Clarges Street, London W1J 8AB from 10am to 4pm. To book your visit, please email artgallery@thekennelclub.org.uk or call 0207 518 1064.

KC File for October

NEW INTERIM BREED STANDARD

– HARRIER

The Board has approved the following Interim Breed Standard for the Harrier. The breed may be exhibited at KC licensed breed shows from 1 October 2021.

HARRIER

Introductory paragraph A Breed Standard is a guideline which describes the ideal characteristics, temperament and appearance, including the correct colour, of a breed and ensure that the breed is fit for function. Absolute soundness is essential. Breeders and judges should at all times, be careful to avoid obvious conditions or exaggerations which would be detrimental in any way to the health, welfare or soundness of this breed. From time to time certain conditions or exaggerations may be considered to have the potential to affect dogs in some breeds adversely, and judges and breeders are requested to refer to the Breed watch section of the Kennel Club website here <http://www.thekennelclub.org.uk/services/public/breeds/watch> for details of any such issues. If a feature or quality is desirable, it should only be present in the right measure. However, if a dog possesses a feature, characteristic or colour described as undesirable or highly undesirable it is strongly recommended that it should not be rewarded in the show ring.

General Appearance Medium sized, smooth coated hound. Well balanced, compact without exaggeration. Strongly built without coarseness.

Characteristics Built for endurance, stamina and the ability to hunt rabbit and hare over different terrains.

Temperament Friendly, lively, never nervous or aggressive.

Head and Skull Head long with an appearance of quality. Skull fairly broad, of medium width, tapering towards muzzle. Occiput not prominent. Eyebrows pronounced. Slight stop. Clean cheeks. Rectangular muzzle of moderate depth. Flews not excessive. Large nose with broad, open nostrils.

Eyes Oval, very bright and deeply set. Playful, lively expression. Colour harmonising with coat colour.

Ears High set, pendant, with rounded tip, of fine texture. Carried close to the head.

Mouth Jaws strong with a perfect, regular and

complete scissor bite, i.e. Upper teeth closely overlapping lower teeth and set square to the jaws.

Neck Long, clean and slightly arched. Sufficiently long to enable head to come down to scent. Well-muscled.

Forequarters Shoulders well laid back, not loaded. Upper arm angulation enabling front legs to stand well under body. Forelegs straight, clean cut, well boned down to ground. Pasterns short and strong.

Body Chest deep, reaching below the elbow. Well sprung ribcage, of good length. Back ribs deep and long. Topline level with slight arch over broad, well-muscled loin.

Hindquarters Long and muscular with good bend of stifle. Well-muscled second thigh. Strong, low set hocks.

Feet Strong, round cat foot with well knuckled toes, hard padded, with strong nails.

Tail Long, set on and carried high, fairly straight. Never curled or carried over the back.

Gait/Movement Free striding, tireless with the ability to gallop. Good drive behind, with no indication of roll.

Coat Short, dense and weatherproof.

Colour Any recognised hound colours and markings.

Size Ideal height: dogs 53cms (21ins); bitches 48cms (19ins), with a tolerance of 2.5cms (1in) smaller.

Faults Any departure from the foregoing points should be considered a fault and the seriousness with which the fault should be regarded should be in exact proportion to its degree and its effect upon the health and welfare of the dog.

Note Male animals should have two apparently normal testicles fully descended into the scrotum.

EAR CROPPING

Ear cropping is a barbaric practice that involves cutting puppies' ears at a very young age to change the appearance, often by simply chopping pieces off or by damaging the ears to make them appear to be erect. The Kennel Club led the way against ear cropping and banned cropped dogs from competing at its events well over 100 years ago. Whilst it is illegal to crop a dog's ears, cropped

dogs are starting to appear on our streets more frequently, often as the result of being imported into the UK from overseas, encouraging a market for puppies that have been subjected to this cruel and unnecessary practice.

Whilst it is still currently legal to import dogs with cropped ears, changes to the law are currently being considered by the Government. Following developments in artificial insemination and more accessible pet travel enabling gene pool diversity, The Kennel Club has approved a change to its regulations (please see below) which extends the prohibition on the registration of dogs with cropped ears to include those cropped outside of the UK and subsequently being imported, as well as a total ban on cropped ear dogs attending Kennel Club licensed events in any capacity, whether 'not for competition' or as a 'spectator' dog. Cropped ear dogs can still be trained at KC registered clubs including Good Citizen Dog Scheme training classes in order to protect the best interests of the dog and its need for appropriate training.

The ban will not affect imported dogs that have previously been registered with the Kennel Club, nor will it affect those breeders that wish to incorporate dogs that are registered with an overseas Kennel Club into a breeding programme from importing frozen or chilled semen, but it does mean that any cropped dog imported into the UK after October 1 2021 will not be accepted onto the Kennel Club register.

CHANGE OF REGULATION B19

- EAR CROPPING

At its meeting held in September 2021, the Board approved the following change:

- Registration. – The Kennel Club Board will not accept for registration any dog with cropped ears. Such dogs are ineligible to take part in or attend any Kennel Club regulated show, trial or working test.
- Cancellations. – If any dog is registered in contravention of Regulation 19a, or has its ears cropped after registration, the registration will be cancelled as may the registration of the progeny of any such dog. Furthermore, the owner at the time of cropping of any such dog may be liable to action under Kennel Club Rule A11.
