Dog lovers ready for Crufts 2022!

This year's event will welcome over 20,000 dogs, taking part in a wide variety of competitions and displays over the four days of the world's most famous dog show, which takes place at the NEC Birmingham on 10 - 13 March.

The show is also set to be another exciting event, with over 200 pedigree dog breeds in contention for the famous Best in Show trophy, which will be awarded live on Channel 4 on the evening of Sunday 13 March.

As well as the breed class judging which leads to Best in Show, visitors will be able to watch some of the world's finest dogs and handlers in action across a range of disciplines including agility, obedience, heelwork to music and flyball.

The Obedience Championships for dogs are on Saturday, with bitches

on Sunday. In Agility, the Small and Medium Championships are on the Thursday, with the Intermediate and Large Championships on the Sunday.

Other highlights of a busy programme taking place in the Resorts World Arena are the Kennel Club Dog Hero Award, formerly known as the Friends for Life competition, which celebrates those dogs in our lives that provide

lifetime service, support, love and devotion, and the final of the nation's favourite crossbreed competition, Scruffts.

A full list of entries in each breed can be found at [crufts.org.uk/entries](https://www.crufts.org.uk/entries).

Hearing Dogs for Deaf People that launched at Crufts in 1982, returns to the show this year to celebrate its 40th anniversary along with The Kennel Club Charitable Trust and The Kennel Club Genetics Centre who will be sharing a stand at Crufts and answering questions from visitors about its upcoming projects. The Kennel Club Art Gallery also reveals a rather rare Crufts treasure found in the archives from 1902.

We go behind the scenes to discover how detection dogs learn their search skills and how their role has widened in recent years,

Ann Freer and the members of the Association of Bloodhound Breeders update readers on the recent Bloodhound working trials in Irby upon

Humber as for many young hounds this was their first trials due to Covid cancellations, and Alan and Kath Walker take their two Schnauzers to Burntisland, Scotland and share their favourite dog walk.

We congratulate UK Toydog Society who celebrate its 50th anniversary on 26 March and we would

also like to invite Kennel Club members to be involved in The Kennel Club's 150th anniversary in 2023 by assisting with a memory project Ciara Farrell is working on.

In health matters Gay Robertson discusses the challenges of feeding a dog who has inflammatory bowel disease and the intelligent Dobermann with its loyal and obedient nature is our breed of the month. Hear about its origins and working side, a health update and the Breed Health and Conservation Plan developed with The Kennel Club in 2017, plus six judges choose their three favourite Dobermanns they have judged in the show ring in Judges' Choice.

Latest updates to Assured Breeder Scheme

The Kennel Club has announced the most recent updates to the breed-specific health testing and screening schedule for the Assured Breeders scheme, aimed to further improve dog health and responsible breeding.

The range of breed-specific health testing and screening requirements and recommendations under the scheme is regularly reviewed following consultations with breed clubs and councils and with the agreement and advice from The Kennel Club Dog Health Group, in a collaborative effort to ensure that health and welfare issues are kept at the forefront of what the scheme sets out to achieve: the encouragement of responsible breeding.

The list of breed-specific scheme requirements and recommendations is updated twice a year. The latest updates are as follows:

Award certificates The Kennel Club statement

The Kennel Club would like to apologise for the delay customers are still facing in receiving their award certificates. However, we would like to reassure our customers that we are now in the process of testing the delivery of certificates and, once this has been completed, we will be in a position to start inputting all outstanding results for their delivery.

Implementation of certificates will begin with awards achieved in March 2021 and will continue in chronological order. The digital team have developed a table on which customers will be able to refer to the progress of their certificates and access details. This will cover which show month the team have started working on and when the work has finished. It will also provide details on when you should communicate back to us if you haven't received your certificate. Further information will be communicated when ready.

Said Kathryn Mansfield, Kennel Club Secretary: "We appreciate the frustrations customers have faced with not receiving their awards. Although we have ensured that it is acceptable to enter events or classes where eligibility is dependent upon awards and/or titles which are pending confirmation, we appreciate that this has not been ideal.

"We will start working on processing the awards as soon as we can. Staff have been working hard and we have allocated a dedicated team who will be working extended hours to process these awards. There were over 1,400 events across all activities over the last year. We hope that by publishing a tracking table on our site, customers will be able to see when to expect award certificates."

An announcement will be made as soon as work starts on the data inputting, but in the meantime we ask that customers check that their contact details on their Kennel Club accounts are up to date.

New pilot 'eye for a dog' assessment

The Kennel Club has announced that, following discussions with the independent review panel, it is to pilot a revised 'eye for a dog' assessment for eligible breed show judges. This will take place on Tuesday 26 April at The Kennel Club Building, Stoneleigh as part of the judges education programme (JEP).

The JEP, including this assessment, was introduced as a result of feedback received from exhibitors, show societies and judges themselves via surveys and consultations.

The aims of the assessment remain as follows:

- To assess a candidate's knowledge and competence in conformation and movement (non-breed specific) and their ability to describe proportions, and to identify 'balance' in dogs
- To provide an opportunity for aspiring

judges to demonstrate having a high level of understanding of canine conformation and movement, and to be able to identify this in practice. The assessment does not require any pre-knowledge of any Kennel Club breed standards nor breed-specific knowledge

- Judges wishing to progress beyond awarding Challenge Certificates in a limited number of breeds are required to demonstrate having the appropriate level of knowledge, which in turn will provide exhibitors with confidence in their ability
- To give confidence to exhibitors that judges at the highest levels have a proven knowledge and understanding of the conformation, movement,

balance and proportions of dogs which may be exhibited when they officiate

- By improving the standard of judging at the highest levels, exhibitors may feel they receive 'value for money', and senior judges will be seen to be leading by example

This assessment was introduced as a result of feedback received from exhibitors, show societies and judges

In order to be eligible to take part in the revised eye for a dog assessment, a person must have been approved for at least three breeds and judged them at CC level.

A further announcement will be made once bookings are open.

KC File for March

RULE A11

The Committee having carefully considered the evidence and the submissions of Mrs Brejta, find that the complaint brought by the Kennel Club under Kennel Club Rule A11 a (1) (b) against Mrs Brejta namely that she behaved discredibly or prejudicially to the interests of the canine world in that she submitted to the Kennel Club three applications for Litter Registration which she knew to be incorrect, as confirmed and admitted by Mrs Brejta.

The Committee imposes the following penalties:

1. To warn her as to her future conduct [A11 j (1)]
2. To censure her [A11 j (2)]
3. To disqualify her from exhibiting at, taking part in, attending and/or having any connection with any event licensed by the Kennel Club. If any person disqualified under this sub-paragraph shall attend any canine event whilst disqualified the Board shall have the power to increase the period of disqualification [A11 j (4)]
4. To disqualify her from being or becoming a member of any canine club or society registered with or affiliated to the Kennel Club [A11 j (5)]
5. To disqualify her from acting as an Officer or serving on the Committee of any canine society [A11 j (6)]
6. To disqualify her from taking part in the management of any event licensed by the Kennel Club [A11 j (7)]
7. To disqualify her from judging at any event licensed by the Kennel Club [A11 j (8)]
8. To disqualify her from effecting registrations of any or all dogs and/or progeny of such dogs which are owned and/or registered by her (whether or not jointly owned and/or whether or not owned and/or registered in the name of a nominee [A11 j (9)]

The suspensions and disqualifications are to be for a period of Eight (8) years from 16th December 2021.

The Committee, following the impositions of these penalties, would draw the attention of the Respondent/s to the effect of Rule A11 sub-sections l and n.

Following the expiry of the disqualifications should Mrs Brejta resume registration activity then all litter registrations should be subject to the Regulation B22.f DNA verification process.

Committee Statement:

The Kennel Club relies upon the honesty and integrity of breeders when registering their dogs and takes very seriously any mis-registration of Kennel Club registration records. The impact upon the registration system is that the trust and confidence in Kennel Club registration is compromised and undermined. A mis-registration may also result in the potential distortion of health test results if the registration is incorrect or untrue.

For that reason, it is vital that the DNA verification process is implemented and completed if there is doubt over the accuracy of a litter registration.

There is an expectation in such context that a responsible breeder will co-operate in rectifying and repairing the registrations and assist in the verification of any registered litter and comply with Regulation B.22.f.

There are four routes to remedy a mis-registration – the registration must be verified and confirmed, corrected, repaired with the annotation three asterisk protocol or cancelled.

In the case of a mis-registration the Committee is tasked with determining the proportionate penalty, with factors to consider in determining penalties being:

- If the mis-registration was deliberate or inadvertent/accidental/mistake
- The impact of the mis-registration
- The volume of litters/puppies affected
- The consequences i.e. if the registration is corrected, annotated or cancelled
- Whether the mis-registration relates to one parent or both
- If the breeder has admitted to the mis-registration
- If the breeder has co-operated in repairing and rectifying the mis-registration
- If the breeder has shown contrition
- Whether the breeder is a novice or experienced breeder

- Character testimonials
- Precedent from previous cases

The Disciplinary Committee reviewed the case in light of the factors above.

The particular impact in this case is that three litter registrations comprising of 18 puppies were cancelled thus compromising the registrations for those puppy owners.

The Committee noted that Mrs Brejta had admitted to the mis-registrations and co-operated with the Kennel Club, but the Committee were uncomfortable with the volumes affected

In keeping with the seriousness with which the Disciplinary Committee views these offences the above penalties have been imposed.

You can make a difference for dogs... by giving them healthier and happier lives

The Kennel Club Charitable Trust (KCCT) provides grants to various canine organisations nationwide, many of which are involved in the rescue and welfare of dogs. In 2017, the KCCT gave grants totalling nearly £675,000.

Your support is essential to us and by giving whatever you can afford, you can help make a difference for dogs.

The KCCT has three objectives, the funding of:

- SCIENCE** - Research into diseases and other health conditions for dogs
- SUPPORT** - The training of dogs to help humans
- WELFARE** - The rescue and re-homing of dogs which need help
