

Mrs Sheilagh Hyde

Area revision for Obedience Liaison Council and Inter Regional Teams

I think that this point may have been discussed previously but feel this would be a good time for further consideration.

Rationale

In my short time as a Liaison Council Rep the question of which area someone is in has been raised on quite a few occasions and it is very confusing for both new and experienced competitors. Some Counties differ between the OLC and the Inter Regional Teams e.g. Derbyshire (which is classed as East Midlands) comes under Midlands for the Inter Regional but North East for the OLC. I feel it would make much more sense to have the same counties in both.

There are also discrepancies –

- Kent & Somerset are both mentioned under OLC but not for the Inter Regionals
- Humberside became East Riding of Yorkshire but still shows as Humberside under the Northern Inter Regional Team
- Bristol should be shown as Avon under South & South West (Western) OLC
- Sussex – this is showing as East & West Sussex for Inter Regional but just Sussex for OLC. Which is correct?

I have noted below what the present areas are for the OLC and Inter Regionals and what my suggested amendments would be and would welcome discussion on this.

The present areas are –

As the Isle of Man combines with Northern Ireland for the Inter Regionals, it would make sense to also combine for the Obedience Liaison Council
