## Issuing awards for Kennel Club events has begun

The first batch of certificates are now being issued for shows/trials that were held in early 2021, as the process for issuing outstanding awards for all previously held shows and trials begin.

The certificates for shows/trials will be issued in chronological order, beginning with single breed shows and trials that took place between March and June 2021, followed by the first general championship show, Southern Counties Canine Association.

Thereafter, certificates and titles will continue to be issued in show/trial date order, until all delayed certificates and titles have been issued and service resumes as normal.

### THE PROCESS FOR ISSUING AWARDS WILL BE AS FOLLOWS:

- **The backlog of shows and activities will be dealt with in date order.** If a customer has had multiple awards throughout the year, certificates will be received at different times, depending on the show/ trial date.

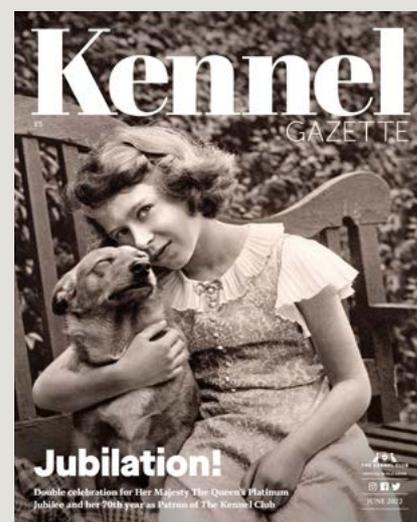

Titles will only be added to dogs' names when the relevant show/trial at which the title was achieved has been processed.

- **Awards from this year's shows/trials will not be issued until the backlog has been cleared.**
- **The Kennel Club will publish an online chart**, which exhibitors and competitors can use to track where we are up to in issuing certificates and titles ([thekennelclub.org.uk/awardsupdate2022](http://thekennelclub.org.uk/awardsupdate2022)). Updates will also be posted on relevant Kennel Club show and activity Facebook groups, each time a full calendar month of awards for shows/trials have been completed.
- **Titles will appear in exhibitors' online accounts within 24 hours of processing.** The physical certificates

pet dog of choice. Within this feature we share a selection of historical photos from the archives depicting The Queen, her family and her beloved, loyal Pembrokes.

In our news pages The Kennel Club and The Kennel Club Charitable Trust would like to thank all those that have donated to the Appeal for Ukraine and are pleased to announce that funds now stand at over £250,000. We hear from the three Miniature Schnauzer clubs who donated £9,000 to The Kennel Club Charitable Trust and presented the donation to Dr Cathryn Mellersh (The Kennel Club Genetics Centre) at Crufts this year to go towards current research into G-PRA in the breed. We are also pleased to hear from the Hound Association who next month will be celebrating its Diamond Jubilee Show, and if readers are visiting The Kennel Club London office do visit the Pam Wadsworth Bequest Capsule Exhibition that is currently taking place at The Kennel Club Art Gallery until 30 November. Pam sadly passed away in 2020 but this exhibition showcases a large number of ceramics, bronzes and plaques of breeds that she loved, from American Cocker Spaniels, English Springer Spaniels and English Setters to name a few.

In health matters Gay Robertson talks to Dr Grace Edmunds of the University of Bristol, and Dr Dan O'Neill from the Royal Veterinary College about the bone cancer link in dogs and humans and the exciting new research, in our Viewpoint column Bill Moores discusses succession planning within the world of dogs and our favourite dog walk this month has a royal connection and is from Stuart Band who takes us around Virginia Water in Windsor Great Park belonging to the Crown Estate.

The small yet active Schipperke is our breed of the month and we look at the

history of this Belgian barge dog, what it is like to live with, its successes in the show ring as well as in agility, an update on breed health, Schipperke Rescue, we present a variety of art depictions from The Kennel Club Art Gallery and breed enthusiast Diane Forknall, plus six judges choose their three favourite Schipperkes they have judged in the show ring in Judges' Choice.

Kennel Club members are encouraged to join its new Facebook group: Kennel Club members news from @thekennelclubuk and in anticipation of The Kennel Club's 150th anniversary next year members are encouraged to share their memories as part

Also, in the case of Champion Stakes, exhibitors do not need to wait for their dog's champion status to be confirmed before entering. For any issues which may arise regarding eligibility, please contact [breedshows@thekennelclub.org.uk](mailto:breedshows@thekennelclub.org.uk)

### Crufts 2023 Qualifications for entry of dogs

**Crufts 2023 will take place on the 9-12 March at The NEC, Birmingham. Groups are scheduled as follows:**

Thursday 9 March..... **Gundog**  
 Friday 10 March ..... **Working & Pastoral**  
 Saturday 11 March ..... **Terrier & Hound**  
 Sunday 12 March ..... **Utility & Toy**

Qualifications are unchanged from the 2022 show with the addition of Bavarian Mountain Dogs who will have their own classes for the first time. Dogs will also be able to qualify for Crufts 2023 by winning 'Best Puppy' and 'Best of Breed' at a Championship Show for non Challenge Certificate and Import Register breeds. More information on Crufts 2023 will be available in due course.

### The Kennel Club and FCI review and agree mutual recognition of judges

**The Kennel Club and the Federation Cynologique Internationale (FCI) has signed a new agreement for the mutual recognition of judges, applicable from 1 May 2022.**

The previous agreement which expired on this date had been in place for five years and has been a success in recognising the experience of judges approved under each governing body.

Both The Kennel Club and FCI representatives proposed amendments to the agreement based on their experience of the approval route for championship judges, taking account of lessons learnt.

The new contract will enjoy an open-ended duration, with the ability for either side to end the agreement or request amendments with a six-month notice period.

Judges listed on either The Kennel Club Find a Judge website or the FCI Judges Directory are eligible to be invited to judge in the UK or FCI countries.

UK judges will be eligible to award

CACIBs once they are approved to award Challenge Certificates. This is particularly relevant to those judges approved to judge those breeds which do not yet have championship status in the UK, in addition to judges approved via the A3 pre-approved grandfathering route and via the Judges Education Programme Level 4 progress.

Best in Show judges approved under both The Kennel Club and FCI will receive mutual recognition and are eligible to be invited to undertake these appointments, subject to approval by the national kennel club.

Group judges under both The Kennel Club and FCI will receive mutual recognition for the complementary groups (as set out in the agreement) and are eligible to be invited to undertake these appointments, subject to approval by the national kennel club.

Show societies inviting judges from

FCI member countries to officiate in the UK must make use of the mutual agreement route if the judge is not previously approved to award Challenge Certificates in the UK and meets the criteria. This is of benefit to both inviting society and judge in reducing unnecessary paperwork.

FCI judges are required to have awarded CACIBs in at least three different countries over a period of at least five years to be considered for approval to award Challenge Certificates.

For those judges not fulfilling this criterion, an Overseas Judges Questionnaire will need to be completed for consideration by the Judges Committee.

The amended contract for show societies to request FCI judges to complete can be found **here** and the document listing the Terms of the Agreement **here**.

Any queries should be directed to [breedshows@thekennelclub.org.uk](mailto:breedshows@thekennelclub.org.uk)

### German Shorthaired Pointer crowned Holyrood Dog of the Year

**M**abel, a one-year-old German Shorthaired Pointer, was crowned winner of Holyrood Dog of the Year competition, which took place in the Scottish Parliament gardens at Horse Wynd, Edinburgh on Monday 9 May 2022.

Mabel, who was bred by Kennel Club Assured Breeders (NAVIGAREAMOR), entered the event with Christine Grahame, Scottish National Party MSP for Midlothian South, Tweeddale and Lauderdale and competed alongside 13 opponents to be crowned Holyrood Dog of the Year.

With the boom in dog ownership during the pandemic, this year the event focused on promoting responsible dog ownership, making sure that alongside the joys of having a dog, owners recognise the responsibility they have to ensure that their pet is a positive member of the community and is able to live a happy and healthy life. Additionally, the competition encourages an open dialogue on dog

welfare issues, as well as providing an opportunity for MSPs to meet with experts to discuss all aspects of the canine world.

Winning MSP, Christine Grahame said of being awarded first place: "They're all wonderful, but the event is really about highlighting animal welfare and dog welfare. I'm bringing a Bill forward in

Parliament [Proposed Welfare of Dogs (Scotland) Bill] to make sure people who acquire a puppy, just like Mabel, do their homework first, and from a breeder who makes sure they have the right household and the right lifestyle.

"I want to stop people buying puppies from puppy farms. Mabel is a puppy who had an excellent start to life. She was in a super litter, brought up properly, she was in a happy household. All dogs should have that in their lives."

Leading the opposition in second place was Tony, a Cocker Spaniel/Poodle cross, owned by Pam Duncan-Glancy,

With the boom in dog ownership during the pandemic, this year the event focused on promoting responsible dog ownership

Scottish Labour MSP for the Glasgow region, while third place was awarded to Ollie, a Dogs Trust rescue dog, accompanied by Clare Adamson, Scottish National Party MSP for Motherwell and Wishaw.

In addition to 1st, 2nd and 3rd place awards, the competition also had a winner decided solely from the public vote which was Bluesy, a Greyhound, accompanied by Mark Ruskell, Scottish Green Party MSP for Mid Scotland and Fife region.

### The Kennel Club invites collaboration from educational establishments

**The Kennel Club's Activities Health and Welfare Sub-Group (AHWSG) is inviting educational establishments with an interest in canine science the opportunity to collaborate with the sub-group in order to enhance our collective knowledge and understanding of canine health and wellbeing.**

The AHWSG, which reports to the Dog Health Group and The Kennel Club Board, is committed to applying an evidence-based and consistent approach to ensuring the implementation

of best practice for canine health and welfare in The Kennel Club's licensed activities and disciplines.

As part of this, the sub-group is inviting any educational establishment with researchers and students undertaking investigations or research relating to canine activities (including, but not limited to agility, obedience, field trials, working trials and heelwork to music) to contact and collaborate with the sub-group.

With the last 18 months

having had a significant impact on canine activities, delivery of education and research activity, both The Kennel Club and the AHWSG are striving to support education and research, through identifying and considering areas within canine activities that require investigation.

The diverse membership of the sub-group represents an ideal opportunity for researchers of all levels to benefit from applied and subject expertise, in addition to supporting the sub-group

in its aims. The AHWSG encourages interested parties to suggest specific areas of interest that could be considered from a canine activity health perspective. Alternatively, the AHWSG has identified specific areas of potential research interest with the aim to support the development and undertaking of projects to investigate such areas.

For enquiries regarding potential student projects and research collaboration, please contact [wda@thekennelclub.org.uk](mailto:wda@thekennelclub.org.uk)

## Important message regarding awards gained at all licensed events

We would like to apologise that due to the operational issues currently being experienced by The Kennel Club, competitors at forthcoming licensed events will experience a delay on the issue of awards by our office. However, we would like to remind competitors that it is permitted to enter events where eligibility is dependent upon awards and/or titles which are pending confirmation, e.g. champion stakes. Any disputes regarding eligibility will be dealt with subsequently.

ASSURED BREEDERS

## Find a puppy with the Assured Breeders scheme

Owners who buy from a Kennel Club assured breeder spend nearly 20% less in vet bills\* compared to those who buy a dog elsewhere.

Our dog is the light in our lives. Would always recommend a Kennel Club assured breeder.

Cherith Hancock

I love my dog because this little bundle of fluff is the best thing that ever happened to us.

Jeffrey Howarth

I love my dog because of the way he looks at me, his playful nature and his unconditional love.

Anna Clarke

I love my dog because she is my devoted best friend.

Stephen White

**For a healthy, happy puppy always buy from a Kennel Club assured breeder and do your part to help put puppy farmers out of business.**
