GENERAL REGULATIONS FOR HEELWORK TO MUSIC COMPETITIONS (HTM)

As at 1st January 2025

Heelwork to Music competitions are for the purpose of giving handlers an opportunity to demonstrate skilful movements by their dog and to perform heel work and freestyle movements in a combined manner that interprets the chosen music and reflects the dog and handler working as a team. Additionally, such competitions should have spectator appeal and allow reasonable audience response where appropriate, even when the dog is working.

1. Welfare of dogs.

An exhibitor (or competitor) whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Heelwork to Music event licensed by The Royal Kennel Club. This shall apply at the venue and within the precincts of the competition.

2. Application.

- a. The application for a licence to hold a HTM competition must be made to the Secretary of The Royal Kennel Club, at least six weeks before the proposed date of the competition, together with the appropriate licence fee.
- b. The Board shall have the power to grant, withhold or cancel permission to hold any licensed HTM competition.
- c. Any cancellation or abandonment of a competition without prior permission of the Board must be reported in writing to The Royal Kennel Club without delay, and must be carried out in accordance with the relevant Royal Kennel Club published event cancellation policy.
- d. Licences issued will only be valid if on the day of the event a current public liability insurance document is held.

3. Code of Conduct.

Those taking part in Royal Kennel Club licensed/approved events are expected to maintain and abide by the highest standards, in accordance with Royal Kennel Club Rules and Regulations and appropriate Codes of Conduct as published from time to time.

4. Licensed HTM competitions.

Licensed HTM competitions held under Royal Kennel Club Rules and Regulations are those held under a licence granted by the Board of The Royal Kennel Club to registered societies or other organisations approved by the Board of The Royal Kennel Club and are:

- a. Premier Heelwork to Music competitions. Classes may be limited to a prescribed number of routines. Competition organisers may schedule

their choice of official categories and official classes, including qualifying heats for Royal Kennel Club competitions. Additional classes may be scheduled but only in conjunction with official classes. Only Royal Kennel Club registered societies are eligible to apply for these licences.

- b. Open Heelwork to Music competitions. Classes may be limited to a prescribed number of routines. Competition organisers may schedule their choice of official categories and official classes, except qualifying heats for Royal Kennel Club competitions. Additional classes may be scheduled but only in conjunction with official classes.

5. Societies are required to apply for permission to hold Special Events.

Applications should be submitted to The Royal Kennel Club by email at least six weeks before the start of any qualifying heats for the event.

Special Events are designated as any activity-related event which cannot be included on the schedule of a normally licensed show/trial/competition due to being invitational and therefore not open to all competitors, or which are not being held at a licensed show. Where competitors qualify for a final via heats held at that and other shows/trials/competitions, special event permission must be sought for the final whether it is held in conjunction with a licensed show/trial/competition or as a separate standalone event. This would not apply where all of the heats are held at the same show/trial/competition at which the final is held.

The regulations relating to the disqualification and forfeit of awards will apply to these events.

6. Documentation.

At every HTM competition the following documents must be available:

- a. The licence for the competition.
- b. A current public liability insurance document, which must be clearly displayed.

In so doing those appointed as officers and committee members, or the licensee, accept that they are jointly and severally responsible for the organisation of the competition and that this is a binding undertaking.

Any decision given against the society under Rule A11 of The Royal Kennel Club Rules may be communicated by the Secretary of The Royal Kennel Club to the Secretaries of registered or affiliated societies holding licensed events, and may also be published in The Royal Kennel Club Journal, together with a report of the proceedings in the matter.

34. Eligibility and schedule of classes.

The detailed Regulations for Eligibility and Schedule of Classes are given at Annex A.

ELIGIBILITY AND SCHEDULE OF CLASSES

These Regulations must be read in conjunction with Royal Kennel Club General Heelwork to Music Regulations (HTM) [L].

1. Official categories. There are two official categories, Heelwork to Music and Freestyle. Each category has equal status, and the following class structure applies to both categories:-

- a. Heelwork to Music. The principal element of the Heelwork to Music category will be the dog working off lead in the heel work position, on the left or right hand side of the handler, facing forward or backward, across the front or back of the handler, moving in any direction, at any pace. The dog's shoulder should be approximately level with, and reasonably close to, the handler's leg. All other positions are defined as Freestyle. A minimum of two thirds of the routine should consist of heel work.
- b. Freestyle. A Freestyle routine will be the dog working off lead and contain movements in any position. Heelwork as described above is acceptable although such movements must not exceed one third of the routine.

2. In the following definitions of classes all points must be gained in official classes only. A class will be won by the dog and handler partnership that has gained the most points. To count towards class progression, a first place in starters or novice, or two first places in intermediate must have been won with an overall score of at least 60% (18 marks).

3. The following points will be awarded in all Royal Kennel Club standard classes:

- | | |
|----------------|-----------|
| First place - | 10 points |
| Second place - | 6 points |
| Third place - | 4 points |
| Fourth place - | 2 points |

On entrance to the next level of classes, the points will return to zero.

4. Official classes. For one dog and one handler only. When assessing eligibility to enter a competition, points gained in one official category will not count for the other official category, and when assessing eligibility of a handler for starters and novice classes, the points referred to must have been points gained by the handler with one dog and not an accumulation of points gained with two or more dogs. At the discretion of the competition organisers dogs may be entered in eligible classes in both categories, however a different routine must be worked.

- a. *Starters.* Neither the dog nor the handler must have gained 14 points or more including a win, nor have elected to progress on points (20 points or more) in official starters classes at Royal Kennel Club licensed Heelwork to Music competitions. Dogs or handlers must progress to novice once 14 points or more including a win have been gained in starters classes but may, at the handler's discretion, elect to progress on 20 points without a win. *NB Handlers and dogs previously qualified out of starters are not eligible for this class*

- b. *Novice*. The dog or the handler must have gained 14 points or more including a win, or have elected to progress on 20 points or more in official starters classes at Royal Kennel Club licensed Heelwork to Music competitions. The dog must progress to intermediate once 16 points or more including a win, or a total of 28 points or more have been gained in novice classes.
- c. *Intermediate*. The dog must have gained 16 points or more including a win, or a total of 28 points or more in official novice classes at Royal Kennel Club licensed Heelwork to Music competitions. The dog must progress to advanced once at least two first places have been gained in intermediate classes.
- d. *Advanced*. The dog must have gained at least two first places in official intermediate classes at Royal Kennel Club licensed Heelwork to Music competitions.

5. Special classes.

- a. At all types of Heelwork to Music competitions societies may schedule classes, other than those defined above, as 'special' classes. The eligibility for special classes must be defined by the society and included in the schedule. The word 'special' must be included in the title of the class.
- b. Wins, places and points gained in special classes will not count towards class progression or Excellent qualifications.

6. A dog must only be entered in a class per day for which it is eligible in each category. A dog is only eligible for one level.

7. Once a dog has progressed to the next class it is entitled to use the previous class award after its name on entry forms and printed in catalogues; only the highest award may be used. Separate awards should be indicated for Heelwork to Music and Freestyle as follows: HTM St., HTM N., HTM I. for the different classes of Heelwork to Music. FS St., FS N., FS I. for the different classes in Freestyle. Once a dog has gained 24 points in Advanced classes it will be entitled to have HTM A. or FS A. after its name as appropriate.

8. Excellent qualifications. If a first place has been won in starters or novice, or two first places at intermediate or advanced, when the required level of points have been gained, the dog will also be awarded an excellent qualification and can use the title "Ex" after its class title, such as: HTM St Ex

9. All dogs must be in possession of a Royal Kennel Club Heelwork to Music record book detailing the points gained and where each award was gained.
