Celebrating 150 years of The Kennel Club

This month is an extra special bumper edition as we celebrate 150 years of The Kennel Club. Founded on 4 April 1873 by Mr Sewallis Evelyn Shirley, MP, and 12 other gentlemen, it represents a milestone in the history of The Kennel Club. This issue pays tribute to the impact The Kennel Club has had on dogs and the dog community. It looks at the history...
Celebrating 150 years of The Kennel Club

Our club was founded on 4 April 1873 by Mr Sewallis Evelyn Shirley, MP, along with 12 other gentlemen. Mr Shirley’s portrait hangs in the Board Room at Clarges Street, and one of our meeting rooms is named in his honour. We can only wonder what he would make of some of the discussions on 21st century KC policy that go on in that room! But we would like to think that Mr Shirley would be proud of the evolution of the Club into a unique, multi-faceted organisation, encompassing the UK pedigree and working dog registry, Crufts Dog Show, The Kennel Club Charitable and Educational Trusts, and the private members’ club itself. The largest UK organisation devoted to dog health, welfare and training, and forerunner of kennel clubs around the world.

Throughout the year, the milestone will be celebrated in a number of ways: the 150th anniversary Kennel Gazette, the commemorative film – Celebrating 150 years of the Kennel Club, a special exhibition at Clarges Street, showcasing the evolution of the Kennel Club through our historical artefacts, paintings and photographs (further information is given in the following pages). At Crufts last month, our special anniversary stakes class was won by Ch Huffish Rewrite The Stars with Atastar [known as Jake], the Standard Poodle.

A special hub which focuses on our history and this special anniversary year has been created on the website at thekennelclub.org.uk/150years

We look forward to our next 150 years, with grateful thanks to Mr Shirley and his fellow canine enthusiasts for their vision, as we remain committed to making a positive difference for dogs and their owners.

of the Club, the Club during the war years, its patronage and royal links. It reflects on The Kennel Club Show, which was merged and became Cruft’s in 1948, and it takes readers on a tour of The Kennel Club's engagement with canine health developments, as well as the history of breeds, including those that sadly, over time, have disappeared. Amongst these celebrations and reflecting over the past 150 years it is also a time to look forward, that is outlined in The Kennel Club strategy, launched at the end of 2022.

The Kennel Gazette has played a pivotal role of Kennel Club history, with its very first issue in 1880 carrying the first monthly register of dog’s names that eventually enabled dogs and their pedigrees to be properly identified. This edition looks at the evolution of The Kennel Club’s registration system of recording pedigree dogs’ details and how 1 May 1981 was a particularly memorable day due to the first computer being installed in the rented office in Maidenhead, (it was too large to be installed in 1-5 Clarges Street), as The Kennel Club transitioned away from the manual card-based system.

From its foundation in dog showing, The Kennel Club expanded its influence to include a variety of new disciplines and we invite enthusiasts from these seven canine activities of Bloodhound trials, Field trials, working trials, obedience, agility, heelwork to music and rally, to talk about the origins of each.

Launched in 1985, and the result of an idea from Daphne MacDougall, wife of the then Kennel Club Chairman, John MacDougall, The Kennel Club Junior Organisation, universally known as the KCJO, was born. Known today as Young Kennel Club, or YKC, the aim has always been to give opportunities for young people involved in canine activities to gain skills, experience and knowledge through competition and training. The success in the first 37 years is easily quantified as there are ex-KCJO/YKC members everywhere and across all disciplines: serving on Kennel Club committees, including The Kennel Club Board; on championship show committees including Crufts; managing and group stewarding at championship shows and also as judges, exhibitors, trainers, breeders and Kennel Club trustees including employees. Five regional organisers share their thoughts on training the next generation and how the KCJO/YKC became an integral part of The Kennel Club.

A unique resource that is extremely popular with members and visitors is The Kennel Club Library and Art Gallery. The library and collections staff have coordinated the loans of thousands of pieces of artwork, many of which form part of private collections, making these exhibitions the most unique and exclusive displays of canine art in the world. In this special feature the oldest book in the library is revealed, an iconic painting on load from Tate Britain that hangs in the art gallery can be read about, plus a list of exhibitions held in the art gallery since its first in 2003. A special exhibition celebrating The Kennel Club’s 150 years is currently open at The Kennel Club Art Gallery, 10 Clarges Street, Monday-Friday, 9.30am-4.30pm by appointment. Please email artgallery@thekennelclub.org.uk or call 020 7518 1064 for more information.

This 56-page edition concludes with a number of interesting stories told so well by our editorial panel, Kennel Club members, all volunteers invested in the Kennel Gazette. These personal accounts will continue throughout further editions this year as additional Kennel Club members reflect on being a Kennel Club member and what it means to them.

We hope our readers enjoy this one-of-a-kind edition that we are immensely proud of. Here’s to our next 150 years, as The Kennel Club continues to make a positive difference for dogs and their owners.
More than 155,000 dog lovers travelled to Birmingham to watch over 24,000 dogs taking part in a wide variety of competitions and displays with entries 3,000 up on the previous year.

Stuart Mallard had the honour of judging Best in Show on Sunday night in front of a jam-packed crowd and he awarded top spot to Sabina Zdunić Šinković and Ante Lucin’s Lagotto Romagnolo (Am GCh Kan Trace Very Sheeky Chio) who was handled by Javier Gonzalez Mendikote from Croatia. Orca became the first of its breed to top the gundog group at Crufts.

The nod for Reserve Best in Show went to a breed close to Stuart’s heart, the Old English Sheepdog, from Italy, which was seven-year-old “Delia” (Ch Airzeppeline Delia) handled by breeder and owner Matteo Autolitano, co-owned with Louisa Mayssoyianni and Nikolas Kanale.

**Portrait presentation**

On the Thursday evening, the 2022 Crufts Best in Show winning owner, Patrick Oware, was presented by artist Anne Zoutsos with a portrait of his Flat Coated Retriever ‘Baxer’ in the main ring. Following the presentation, Patrick took home the original portrait and a limited...

Crufts 2023 - Continued

Edition print was transported to London to become part of the KC’s Art Collection and will soon be on display.

Other group winners in the Best In Show final on Sunday night included: Mandy Everley’s three-year-old Dobermann Ch Manzart Wize Guy from Chichester; Philip Langdon’s Standard Poodle Ch Huffish Rewrite The Stars with Atastar (Imp) from Bristol; Tanya Ireland and Michelle Chapman’s 18 month old Cavalier King Charles Spaniel Ch Ellemich American Express from Essex; Friedrich-Wilhelm Schönberg’s three year old Wire Fox Terrier Ch Blanca Vd Schoenen Bergen handled by Juraj Sokolic which had travelled from Germany, and Chris Amoo’s five year old Irish Wolfhound Ch Sade Paris, from Warrington.

150th anniversary

Crufts was also an opportunity for The Kennel Club to showcase and mark its 150th anniversary. The Club was founded on 4 April 1873 by Sewallis Evelyn Shirley, MP, and twelve other men. The purpose of The Kennel Club was to have a consistent set of rules for governing the popular new activities of dog showing and field trials and it was the first national Kennel Club in the world.

To mark this very special milestone, a 150th Anniversary Celebration stakes was held at Crufts in the main arena on the Thursday night, where the line-up consisted of eight dogs who had won Best In Show at a general championship show in the UK during 2022. The judge, Zena Thorn-Andresen, chose four-year-old Standard Poodle, Ch Huffish Rewrite The Stars with Atastar (Imp Sweden), as her winner. “Jake” went onto impress the judges in the breed competition too as he won BOB and later, the utility group too.

While in the main arena, where thousands of excited onlookers sat on the edge of their seats to watch various impressive displays and competitions live, a special 150th anniversary video - looking back on the past 150 years and the positive difference for dogs and their owners - was shown on the big screens. The video is available to watch on The Kennel Club’s website (thekennelclub.org.uk/150years) where the hub also features other ways the KC has been celebrating this milestone and further interesting and historic articles.

Channel 4 and More4 also broadcasted over 16 hours of TV coverage of the event and featured the special anniversary on a Crufts programme where the main presenter, Clare Balding, chatted with Ciara Farrell, Head of Library and Collections at the KC, and joined in the celebrations alongside an enormous 150th anniversary cake. All TV coverage on Crufts (not including international outlets) across: online (over 2,000), broadcast (over 1,500), newspapers (over 300) and magazines (over 20).

Retirements

There were two notable ‘retirements’ marked at Crufts; Vanessa McAlpine was presented with gifts as she retires as Crufts Show Manager for over 40 years and Angela Mitchell who marked her retirement as Breed Shows Team Leader and WDA Committee Secretary.

Major finals

Other major finals which took place at Crufts included the Junior Warrant Winner of the Year where judge Lee Cox chose Lauren Goddard’s two-year-old Border Terrier Ch Awbrooksky Never Back Down JW, from Bolney, as his winner from 10 top young qualifiers. Meanwhile, Patsy Hollings had the pleasure of judging The KC’s Vulnerable British and Irish Breeds final where she awarded top spot to Tracy Irving’s four-year-old Welsh Corgi Cardigan Ch Pi Et Ra of Trefillo Borntoibe Avalancha JW (Imp Hun), from Bolton. The breeds featured in the competition are those whose...

annual puppy registrations are fewer than 300 and is a great way of helping to raise awareness of these rare native breeds. Then there was the awesome spectacle of The KC’s Breeders’ Competition final, where 39 teams made up of 3 or 4 dogs of the same breed paraded in the main arena on Friday evening in front of judge Sigurd Wilberg. The top spot went to Averil Cawthera-Purdy’s team of Lireva Pomeranians and this was the second time team Lireva has won the Breeder’s final, the first was back in 2012.

Making a very first appearance in the Hound group with their own breed classes was the Bavarian Mountain Hound. Six of the breed were entered in the brand new classes at Crufts 2023 and Best of Breed was awarded to Terri Pomeranians and this was the second team time Lireva has won the Breeder’s final, the first was back in 2012. Making a very first appearance in the Hound group with their own breed classes was the Bavarian Mountain Hound. Six of the breed were entered in the brand new classes at Crufts 2023 and Best of Breed was awarded to Terri Andrews’ Cornish Hound breed Nevek. They were initially recognised in 1990 and only 1,000 of these German Scent Hounds have been registered since then.

Agility

Obedience

Over in the obedience competitions in Hall 5, Kathy Russell from Bromborough, Wirral, took home one of the top prizes with Ob Ch Ruskath Classified Image (Kervi), her six-year-old Border Collie, by winning the Obedience Championship (bitches). In an impressive feat, she also secured second place with her ten-year-old Border Collie, Ob Ch Sarkam Explicit Image for Ruskath, who is the dam of Kervi and they both got the chance to demonstrate their winning skills with a display in the main arena on the Saturday evening. Dog Champion was Ob Ch Sarkam Douthinke Saurus, owned by Julie Rowlands. The popular Obedience competition winners were also decided. Now in its eighth year, the Wagtails Cavalier King Charles Spaniel team took home the prize of top team obedience winners, out of 10 qualifying teams, having improved on their two third places in the previous two years.

Agility was as popular as ever and drew in the crowds throughout the four days. The Kennel Club Singles Agility winners were crowned in the large, intermediate, medium and small dog finals. The large final was won by Clippy, a Border Collie with Dalton Meredith from Bristol; intermediate final was topped by Zest, a Border Collie, with Nicola Wildman from Preston; medium final winner was Endeavour, a Border Collie, and Laura Chapman from Salisbury, Wiltshire and small final was won by Dave Munnings with his Border Collie x Corgi Cross called Boost, from Bicester. Topping the Large Novice ABC was Claire Crichton from Melrose, with her crossbreed called Aspen. Winning the Medium Novice ABC final was Lauren Langman, from Okehampton, and her Miniature American Shepherd called Classic. Kerry Scott, from Tewkesbury, won the Intermediate Novice ABC final with her Labrador Peja and 15-year-old Adam Thomson, from Hamilton, was crowned winner of the YKC Agility Dog of the year final with his seven-year-old Border Collie called Leia. In The KC Agility Championships, Martin Reid, from Leamington Spa, Warwickshire, did the double by taking the title in the small dog final with his Shetland Sheepdog and large dog final with his Border Collie. Tiger, a Miniature American Shepherd, and owner Toni Dawkins from Chapel Hill, Lincoln, won the final for medium dogs and Gamble, a Border Collie, and owner Steven Richardson from Cumbria, won the intermediate dog final.

Flyball

Over in flyball, a team of dogs and handlers from Belgium, named the Roadrunners Beep Beep, impressed the crowd with their need for speed and won the “grand prix” of flyball competitions in style with a new Crufts flyball record.
Petlog welcomes cats!

Petlog, which is managed by The Kennel Club, welcomed the announcement of new legislation laid in Parliament to introduce compulsory cat microchipping in England next year, with the aim of reducing the numbers of lost or stolen cats and ensuring more are reunited with their owners.

Basset Hounds’ new DNA test

The Kennel Club also approved a new official DNA test scheme for Basset Hounds. It’s a reporting scheme for Lafora’s disease following consultation with the breed’s health co-ordinator on behalf of the breed clubs and will give breeders more resources to make responsible breeding decisions.

The Windsor Framework

The Windsor Framework formally removes the pet travel border between Great Britain and Northern Ireland that was erected upon the implementation of the Northern Ireland Protocol. The removal of these rules will ensure that it be easier for someone to travel from GB to Northern Ireland to Belfast with their dog.

150 years of The Kennel Club celebrated in gallery exhibition

The Kennel Club Art Gallery is holding a special exhibition displaying a timeline of the last 150 years of The Kennel Club.

Canine enthusiasts, historians and art lovers are all welcome to delve into the collection of unique and rare artworks, some of which have never been exhibited before. Original paintings, artefacts, sculptures, trophies and more will be on display to our dog-loving society.

The exhibition encapsulates the variety of canine activities developed over time which are now internationally enjoyed, such as Heelwork to Music, Agility, Field Trials and Obedience. Archived records, certificates and drawings decipher how The Kennel Club went from the early Dog Fancy in the 1840s; to larger city Dog Shows in the early 1870s and the creation of the world’s greatest dog show, Crufts.

The evolution of The Kennel Club over the last 150 years is shown through first editions of elements still seen today, such as the first Kennel Gazette magazine (1880) which printed the first monthly register of dog names and the first Kennel Club Stud Book (1874) which published the first results of dog shows and field trials from 1859.

Women in The Kennel Club, such as the Duchess of Newcastle, first Chairman of the Ladies Branch in 1901, and Florence Nagle, who took on The Kennel Club to gain full membership for women finally succeeding in 1979.

The exhibition is open to the public at The Kennel Club Art Gallery at 10 Clarges Street, Mayfair, W1J 8AB, from 9:30am to 4:30pm from now until 19 January 2024.

To book your visit, please email artgallery@thekennelclub.org.uk or call 020 7518 1064.

For the Members

Upping our game on membership experience and customer service

Under our new strategic direction, launched in the autumn of last year at our member roadshows, one of our strategic aims was to deliver an excellent member experience. We heard you loud and clear in the members’ survey that you want us to be quicker with our decision making and so the teams at Clarges Street have moved at pace and worked together to trial a new style of membership experience, and where else to launch it but at Crufts?

Listening to our members’ feedback

We revamped the Members’ Lounge to transport the Clarges Street experience to the NEC for Crufts. Firstly, we created a brand-new rest and relaxation zone so that members could get away from the hustle and bustle of the main halls, and have a comfortable place to call their own. Members and their guests were checked in and greeted by Kennel Club staff or Board Directors if they visited during the lunchtime drop-in sessions each day.

It was fantastic seeing so many members enjoying the new members lounge at Crufts over the four days. We welcomed approximately 350 members – which equated more than 700 visits - to the cozy, warm and welcoming new-look lounge space off the Piazza, which was conveniently positioned in the heart of the NEC in Birmingham, UK.

We thank all those who took some time out of their busy day to visit the improved lounge. Not only could they use the relaxing space to take a breather away from the busy halls (which saw over 155,000 visitors in total), but it was an invaluable opportunity to meet staff, other members and our Board of Directors, and to ask questions, and share thoughts on the plans we are making.

We are extremely grateful for the positive feedback, much of it unsolicited, which included comments such as: “comfortable seating”, “much improved facility – hugely appreciated” and “there was space to engage”. These changes were just small steps in helping us to provide a better membership experience as part of our aim to ‘deliver an excellent member experience and widen our community’. We asked what you wanted, and we are pleased to see that members noticed the difference and most importantly, appreciated the improvements we made. We want to say thank you to those who made time to participate, either in surveys, attending roadshows or meeting us in person at Crufts. We are One KC and have the best chance of being here for the next 150 years when we work together.

Prioritising customer service

We also now hope that many of our customers have recently experienced a much improved customer experience across our Registrations and Petlog service centres. We appreciate that this time last year, service levels caused customers frustration and inconvenience. Since then, the team has answered more than 70,000 calls and our service scores have improved by 30 per cent and are attracting five-star reviews on TrustPilot. Later this month we’ll be sharing with members, a video interviewing Chief Executive, Mark Beazley and Chief Commercial Officer, Helen Fox, answering questions about these developments. They will cover topics including how we are working hard on improvements, updating on the progress that has been made and how our systems are working harder than ever.

Continuing to improve communications

We are also looking to improve our communications as we continue to share updates with our members in person, our monthly Roundup email, focusing on the top stories of the previous month and via Kennel Club publications such as the Kennel Gazette and Journal.

Our aim is to provide a future-proofed Kennel Club that is more efficient and responsive to our customer needs. Prioritising customer service and members’ experience is key to our future success. We have a way to go but we are making progress and heading in a positive direction.
Important message regarding awards gained at all licensed events

We would like to apologise that due to the operational issues currently being experienced by The Kennel Club, competitors and forthcoming licensed events will experience a delay on the issue of awards by our office. However, we would like to remind competitors that it is permitted to enter events where eligibility is dependent upon awards and/or titles which are pending confirmation, e.g. champion stakes. Any disputes regarding eligibility will be dealt with subsequently.

Any queries please email KCNotifications@thekennelclub.org.uk

We appreciate the patience of competitors and exhibitors. For more information please see thekennelclub.org.uk/resumptionofevents

#### CC allocation – entry rolling averages

As previously announced the intention is to publish annual entry figures. Below is the 2022 average entry and 4 year rolling average, providing an indication of what these average entries could mean for the CC allocation in the future (although this will not be reviewed until 2026). The covid years 2020 and 2021 are not included in the averages as a full calendar of shows did not take place. These figures will act as a guide to breed clubs on the direction of potential future CC allocation.

**AMENDMENTS TO BREED STANDARDS**

At its recent meeting the Board approved the following amendment to the wording of the Breed Standards introductory clause:

"...However if a dog possesses a feature, characteristic or colour described as undesirable or highly undesirable, it is strongly recommended that it must not be rewarded in the show ring."

(Amendments underlined, deletions struck through)

**BASSET HOUND**

At its recent meeting the Board approved the following amendment:

Forequarters: Shoulder blades well laid back; shoulders not heavy (set 45 degrees to the horizontal). Upper arm the same length as the shoulder blade (set at 90 degrees to it), lying close to ribs. Short, powerful and with great bone; elbows turning neither in nor out, but fitting neatly against side. Upper forearm inclined slightly inwards, but not to such an extent as to prevent free action or to result in legs touching each other when standing in or action; forechest being neatly into crook when viewed from front. Knuckling-over highly undesirable. Some wrinkles of skin may appear on lower legs, but this must on no account be excessive.

(Amendments underlined)

**LAKELAND TERRIER**

At its recent meeting the Board approved the following amendment:

Eyes: Dark or hazel, moderately small, keen expression. Large, round, protruding or light eyes undesirable. 

(Amendments underlined)

**DE-REGISTRATION**

The Kennel Club Board noted that the following societies had de-registered:

CORY & DISTRICT DOG TRAINING CLUB
GILLINGHAM & SHAFTESBURY SHOW SOCIETY

**CHANGE OF TITLE – ADVERTISEMENT**

**INITIAL CONSIDERATION**

At its meeting in February 2023, the Kennel Club Board approved the following Change of Title application:

FROM: Trent Park Dog Agility Club
TO: NORTH LONDON DOG AGILITY CLUB (PROPOSED)

Any currently registered Societies wishing to lodge objections to these applications should address their correspondence to 31st May 2023, to Society & Show Services Team (ss@thekennelclub.org.uk)

**PENALTIES & FINES**

At its meeting on 25 January 2023 the Disciplinary Committee imposed the following:

Ms Cheryl Grange
Regulation F3
Welsh Kennel Club - August 2022
The Committee upheld a breach of Kennel Club Regulation F 3 and issued a Warning and Censure and imposed a fine of £100.00.

Ms June Miles
Regulation F3
Welsh Kennel Club - August 2022
The Committee upheld a breach of Kennel Club Regulation F 3 and issued a Warning and Censure and imposed a fine of £100.00.

Mrs Rebecca Cassidy
Regulation F3
Welsh Kennel Club - 19 August 2022
The Committee upheld a breach of Kennel Club Regulation F 3 and issued a Warning and Censure and imposed a fine of £50.00.

Note: In the above three cases the Disciplinary Committee made the following comments.

Any unsolicited approach to another participant at a Kennel Club licensed event, particularly about personal, historic or breed club matters is always ill advised. It is likely to lead to confrontation and heated arguments which are difficult to manage. Personal arguments have no place in a Kennel Club licensed event. Threatening, abusive and foul language has absolutely no place in a Kennel Club licensed event or indeed in all contexts.

Repeat incidents of this nature will attract more serious and graver penalties.

Kennel Club licensed events need to be welcoming, supportive, encouraging and celebratory and complaints of this nature are extremely disappointing.

Regulation F3:

Those taking part in Kennel Club licensed/ approved events are expected to maintain and abide by the highest standards, in accordance with Kennel Club Rules and Regulations and appropriate Codes of Conduct as published from time to time.

The Kennel Club Code of Conduct provides:

- Conduct - participants have a duty both to their dogs and to others to make licensed events friendly and welcoming, and are expected to be co-operative and above all to create a safe environment, so all can enjoy their time at licensed events
- Sportsmanship - participants should conduct themselves at all times in an appropriate fashion and should display good manners and respect towards other participants, show officials and to the judges

Find a puppy with the Assured Breeders scheme

Owners who buy from a Kennel Club assured breeder spend nearly 20% less in vet bills* compared to those who buy a dog elsewhere.

"Our dog is the light in our lives. Would always recommend a Kennel Club assured breeder."

"I love my dog because this little bundle of fluff is the best thing that ever happened to us."

"I love my dog because of the way he looks at me, his playful nature and his unconditional love!"

"I love my dog because she is my devoted best friend."

For a healthy, happy puppy always buy from a Kennel Club assured breeder and do your part to help put puppy farmers out of business.

It is the first and only scheme for dog training instructors and behaviourists that has achieved programme accreditation from City & Guilds, a globally-recognised benchmark of quality.

This section of the Kennel Club Journal is dedicated to KCAI Scheme members. It provides information on the resources available to members, announcements on newly awarded Kennel Club Accredited Instructors, and KCAI Scheme news and updates.

NEW DISCOUNT CODE FOR KCAI MEMBERS

KCAI members can now benefit from 25% OFF Pet Remedy products.

Pet Remedy is a clinically proven blend of absolute and essential oils derived from valerian, vetiver, basil, and clary sage. Working with the dog's own natural calming mechanisms, the low concentration of oils is very gentle in its effect and starts to help immediately. The unique mode of action through the olfactory system helps an anxious dog become more aware of their surroundings and less reactive to stressful situations. As part of the training toolkit, Pet Remedy helps with emotional regulation and provides a wellbeing bridge through all the dogs activities.

For more information and to access these exclusive savings, please go to the ‘discount codes’ section on your Accredited Instructors members’ page.
