Stephen Jenkinson, Kennel Club Access and Countryside Advisor, who explains how The Kennel Club has successfully opposed unjust restrictions on outdoor access for dog walkers, alongside promoting best practice to reduce conflict in the countryside. Our series on favourite dog walks returns, this time we take you around Clumber Park lake, where a group of Clumber Spaniels, one of the UK's vulnerable native breeds, meet up for a special walk at the breed's spiritual home. In health matters we invite award-winning vet Dr Jane Ladlow to talk about breathing issues some dogs can face and the Respiratory Function Grading scheme assessments that she developed for Brachycephalic Obstructed Airway Syndrome.

Crufts, the world's largest dog show, opens on Thursday 7 March showcasing four days of a whole host of activities that display the extraordinary bond between humans and their canine companions. A new addition to the Resorts World Arena this year will be a hoopers display on Saturday 9 March. Our breed of the month is the distinguished Newfoundland. We look back at its intriguing origins, to the founding of the Newfoundland Club (parent club), and stalwarts of the breed

who not only made their mark in the show ring but were keen to retain the water and draught dog instinct. This follows on to a feature about how each of the three breed clubs work together to promote these innate working abilities through water and draught tests. We look at how versatile the breed is through public displays to promote water safety and educational displays that focus on the characteristics of the breed and what it is like to own a larger breed, which is highlighted in the feature from the Newfoundland Club Welfare Officers. We showcase a few items that were included in the 2013 Newfoundland exhibition of art and history presented by The Kennel Club Art Gallery, including a few special items from private collectors. The breed health co-ordinator outlines the current health situation of the breed that has been kept under control through careful breeding and testing. We look at the success the breed has had at Crufts and present a behind the scenes tour

of the Newfoundland breed-specific film. Plus 11 judges choose their three favourite Newfoundlands that they have judged in the show ring in the Judges' Choice.

Entries for Crufts 2024 up on last year

Crufts will welcome well over 24,000 dogs at the NEC Birmingham from 7-10 March taking part in a wide variety of competitions and displays. The entry is slightly up on last year, with 19,252 dogs entered into the breed, agility and obedience championship competitions, and includes more overseas dogs entered than ever before.

Crufts 2024 will see over 200 pedigree breeds in contention for Best in Show, which will be awarded live on Channel 4 on the evening of Sunday 10 March. There will be more than 15 hours of Crufts TV coverage, as all the four days action will be broadcast on Channel 4 and More4.

The show continues to maintain its international flavour and this year has attracted more overseas entries than ever before – 3,766 dogs – with the Netherlands leading the way with 382 dogs, just ahead of Germany (375), France (371) and Italy (330). Other countries to attract entries of 150 dogs or more are: Ireland (290), Poland (263), Belgium (242), Spain (193), Czech Republic (188) and Sweden (179).

For the first time at Crufts, the Kooikerhondje, Jack Russell Terrier and Lagotto Romagnolo have Challenge Certificate status. 42 Kooikerhondjes and 123 Jack Russell Terriers are entered for the 2024 show, while last year's Best in Show, the Lagotto Romagnolo, has attracted an entry of 91 dogs.

Elsewhere, the Golden Retriever has drawn the largest entry for an individual breed from the whole show, with 538 dogs. This is just ahead of the Labrador Retriever (519) which held that distinction at Crufts last year.

The highest number of dogs in a single breed set to compete in each group is as follows:

Utility: Dalmatian	223
Toy: Cavalier King Charles Spaniel..	278
Gundog: Golden Retriever	538
Working: Newfoundland	176
Pastoral: Border Collie	288
Terrier: Staffordshire Bull Terrier ...	364
Hound: Whippet.....	395

The following four breeds, in addition to those mentioned above, have exceeded an entry of 250 or more: Cocker Spaniel (421), Flat Coated Retriever (349), Irish Setter (262), and Rhodesian Ridgeback (251).

In contrast, the Belgian Shepherd Dog (Laekenois) and Foxhound has attracted 3 dogs each, while the Turkish Kangal Dog has 2 dogs entered, which highlights how the show is a true celebration of all dogs, from the well-known to the more unusual.

As well as the breed class judging, visitors will be able to watch some of the world's finest dogs and handlers in action across a range of disciplines including agility, obedience, heelwork to music, flyball and for the first time, a hoopers display.

The Obedience Championships for dogs are on Saturday, with bitches on Sunday. In Agility, the Small and Medium Championships are on the Thursday while the Intermediate and Large Championships are on the Sunday.

Other highlights of a busy programme taking place in the Resorts World Arena are The Kennel Club Hero Dog Award, which celebrates those dogs in our lives that provide lifetime service, support, love and devotion, and the final of

the nation's favourite crossbreed competition, Scruffts.

Tom Mather, Crufts Chairman, said: "We are delighted that the show has attracted more dogs than last year and that Crufts has once again drawn a large overseas entry, proving its worldwide appeal.

"Crufts would not be Crufts without our exhibitors. We thank everybody who has entered the show and look forward to welcoming all dogs and their owners who make Crufts such a wonderful event, whether it is those who have been loyally returning year after year, or those who are experiencing the show for the first time.

"Crufts offers something for everyone and this year is no exception with particular interest in Kooikerhondjes, Jack Russell Terriers and Lagotto Romagnolo breeds who have Challenge Certificate status for the first time. The show is set to be a wonderful showcase of our much loved dogs, exciting canine activities and our fantastic and committed community."

Members' Lounge at Crufts 2023

Members' Lounge at Crufts 2024

We are pleased to announce that The Kennel Club will be providing a larger Members Lounge at Crufts 2024 as it did in 2023.

The lounge, will be located in the piazza hospitality suites off the main piazza and will be open between 8.30am and 4.30pm each day of the show.

We welcome all members to come and visit the lounge which will not only provide the opportunity to catch up with friends and fellow members but also to talk to Kennel Club Directors and Executives and, of course, to enjoy some much needed refreshments.

Health testing at Crufts 2024

The Kennel Club urges competitors to sign up for health testing offerings at Crufts, including discounted DNA testing and eye testing for all breeds, and free breathing assessments for brachycephalic breeds

The Kennel Club is pleased to offer eye testing to all exhibitors, and free Respiratory Function Grading scheme assessments for Bulldog, French Bulldog and Pug exhibitors, at Crufts this year.

There will be 60 eye testing appointments per day, giving a total of 240 appointments across the four days of the show from Thursday 7 to Sunday 10 March, for all breeds. There is a morning session (from 10am to 1pm) and an afternoon session (from 2pm to 5pm).

The eye testing is booked on a first come, first served basis and allocated in the order received. Appointments can be booked directly through **The Kennel Club website**. The BVA/KC/ISDS Eye scheme examination at Crufts 2024 costs £30.00 per dog, reduced from the £47.50 rate of a normal group session.

Exhibitors must bring their dog's Kennel Club registration certificate to the appointment, along with any previous eye test certificates, and exhibitors must already have a dog pass to book an eye test appointment.

The Kennel Club is also pleased to confirm that it will be offering free Respiratory Function Grading scheme (RFG) assessments for Bulldogs, French Bulldogs and Pugs at Crufts.

The free RFG scheme assessments will be available on Thursday 7 March only and bookings will not be taken in advance. Interested exhibitors should arrange appointments with The Kennel Club team next to the vet check area by rings 15 and 22 in Hall 4 at Crufts. Appointments will be booked on the day on a first come, first served basis.

Exhibitors who secure an appointment are asked to bring their dog's Kennel Club registration certificate with them.

Please contact The Kennel Club health team for information on how to get your dog health tested by contacting **health@thekennelclub.org.uk** or speaking directly to the team at Crufts.

Helen Kerfoot, Crufts Show Manager, said: "Crufts celebrates healthy and happy dogs, and we hope that by making health testing accessible and easily available at Crufts, that these offers will be taken up and the information provided will be used

to reduce the frequency of eye disease or breathing issues being passed on to puppies. The Kennel Club health team will be on hand throughout the event to speak to owners and breeders

interested in improving canine health and the schemes and initiatives we offer."

More information about eye testing can be found on **The Kennel Club website** and the **BVA website**. More about The Kennel Club/University of Cambridge Respiratory Function

Grading scheme for Bulldogs, French Bulldogs and Pugs is available at **thekennelclub.org.uk/rfgs**

The Kennel Club is also offering 20% off all DNA testing products at Crufts 2024. Those interested in purchasing a discounted test kit can visit the health team on The Kennel Club stand in Hall 3. Get ready for extraordinary sight of top breeders at Crufts 2024

The final of The Kennel Club Breeders' Competition will take place at Crufts on Friday 8 March 2024 at the NEC Birmingham and will be judged by Miss Sharon Pinkerton, who has achieved great success over many years with her German Wirehaired Pointers under the Bareve kennel name and awards CCs in 13 breeds across three groups.

The competition, sponsored by Agria Pet Insurance, involves teams accruing points at group and general championship shows. Points have been recorded by Our Dogs, who published a leader board within their newspaper throughout 2023. Each team comprises three or four dogs of one breed, all bred by the same breeder or breeding partnership.

The Kennel Club Breeders' Competition will be pre-judged in Hall 1, rings 1 and 2 at 2pm and parade in the main arena at 5.55pm on Friday 8 March 2024. It will be just one of the many and varied activities taking place at Crufts from 7-10 March 2024.

Tom Mather, Crufts Chairman, said: "The Kennel Club Breeders' Competition is always a spectacular sight as breeders' teams representing all seven groups compete in the main arena. The main arena at Crufts is the perfect spotlight on this competition to showcase pedigree dogs and the work done by breeders to promote their breeds and stockmanship."

Sarah White, Breeder Channel Manager at Agria Pet Insurance, added: "The Breeders' Competition has truly become the jewel in the showing world. To see all the different teams competing at qualifying championship shows throughout the year and with the exciting final now upon us, we send our thanks to all the breeders who took part. The very best of luck to everyone competing."

Top vulnerable breeds to compete at Crufts 2024

The names of the dogs which will compete in the final of The Kennel Club Vulnerable British and Irish Breeds Final at Crufts 2024 have been announced.

The competition is the only one of its kind in the UK, raising awareness of Britain and Ireland's vulnerable native dog breeds and recognising those breeders and owners dedicated to ensuring their continued survival. In 2023, 34 breeds fall into this category, having generated 300 or fewer puppy registrations in the UK in the previous year.

The final will be judged by Mr Gavin Robertson, breeder of the well-known Soletrader Petit Basset Griffon Vendeens, and who awards CCs in 60 breeds across six groups. The finalists will parade at 6pm in the main arena on Thursday 7 March at the NEC in Birmingham. Pre-judging will take place in hall 1, ring 8 at 2pm.

In order to qualify for the final, a dog must have won Best of Breed at the group championship show designated by The Kennel Club as the breed's qualifying show. In a small number of instances, the Best of Breed winner's owner has advised that they are unable to compete in

the final; in which case, the Best Opposite Sex in Breed winner has been invited to compete in their place to ensure that all breeds are represented and supported.

Tom Mather, Crufts Chairman, said: "The Kennel Club Vulnerable British and Irish Breeds Competition final always gains a lot of interest at Crufts. We hope that visitors will support the finalists either in pre-judging at 2pm (hall 1, ring 8) on Thursday or in the Resorts World Arena at 6pm as many of these lesser known breeds could be the perfect fit for certain owner's lifestyles.

"I'd also urge visitors who may be interested in acquiring one of these breeds to also spend time in the Discover Dogs area of Crufts in hall 3 where the dogs can be met at close quarters. Meeting the breeders in this way is always a great way to find out if a breed is suitable for a family's own lifestyle."

The following breeds are eligible to compete: Bearded Collie, Bloodhound, Bull Terrier (Miniature), Collie (Smooth), Dandie Dinmont Terrier, Deerhound, English Setter, English Toy Terrier (Black & Tan), Foxhound, Fox Terrier (Smooth), Glen of Imaal Terrier, Gordon Setter, Greyhound, Harrier, Irish Red & White Setter, Irish Wolfhound, Kerry Blue Terrier, King Charles Spaniel, Lakeland Terrier, Lancashire Heeler, Manchester Terrier, Mastiff, Norwich Terrier, Otterhound, Retriever (Curly Coated), Sealyham Terrier, Skye Terrier, Soft Coated Wheaten Terrier, Spaniel (Clumber), Spaniel (Field), Spaniel (Irish Water), Spaniel (Sussex), Spaniel (Welsh Springer), Welsh Corgi (Cardigan).

Crufts TV presenter dines with members for special Valentine's Day lunch

Clare Balding enjoyed some time away from in front of the TV cameras when she attended a special Valentines Lunch with KC members in London on Wednesday February 14 which was hosted by Chairman Tony Allcock OBE.

Following a splendid lunch, Clare gave a wonderful, insightful speech whereby she also read some excerpts from her recently published book, *Isle of Dogs*. This was followed by a question and answer session with the guests. Questions ranged from detailed issues within the world of dogs that are currently being faced, to Clare's most awkward presenting moment!

Junior Warrant winners set to compete at Crufts 2024

The final of The Kennel Club Junior Warrant Winner of the Year competition will return to Crufts on Thursday 9 March and will be judged by Jacqui Ward (Mianja), who is an experienced judge and awards CCs in 30 breeds.

The Junior Warrant is an award for pedigree dogs from the ages of six to 18 months which have won a series of first prizes at both open and championship shows. Achieving a Junior Warrant is one of the highest levels of success for young pedigree dogs, and The Kennel Club issues around 600 such awards each year.

At Crufts 2023, Lee Cox awarded Junior Warrant Winner of the Year to Lauren and Robert Goddard's Border Terrier, Ch Awbrooksky Never Back Down JW. Since then, "Winston" has won a further three CCs and four RCCs and took Terrier group 2 at City of Birmingham in September.

The semi-finals of this year's Junior Warrant competition took place at The Kennel Club Building, Stoneleigh, in October with 62 top young dogs competing for just ten places.

Tom Mather, Crufts Chairman, said: "These dogs have already achieved considerable success gaining the Junior Warrant title and it'll be thrilling to see how they perform in the main arena at Crufts. Some of the young dogs competing have already won champion titles and other top awards, so this promises to be a very exciting final indeed."

Four inspirational young people nominated for major Crufts award

The Kennel Club has revealed the finalists for the prestigious YKC Young Person of the Year award. The accolade celebrates the dedicated, inspirational and selfless actions of young dog lovers, all of whom are members of the Young Kennel Club (YKC).

The YKC Young Person of the Year award is the highest achievement for young people who are passionate about dogs and recognises those who are going above and beyond to help transform the lives of others, as well as encouraging their peers to make a difference with the help of their canine friends.

The winners of each category have been chosen by the YKC judges and will now face a public vote, with the overall winner to be announced at Crufts, on Sunday 10 March.

For 39 years, the Shaun McAlpine Trophy has been presented to the winner of the award at Crufts, in memory of Ed and Cindy McAlpine's son who was tragically killed in a car accident aged 22. Shaun had himself achieved considerable success as a dog handler.

Previous winners of the annual competition have been selected for their volunteering and fundraising for dog charities, helping to organise dog activities in the local community and for assisting others through training, stewarding and mentoring.

Meet this year's finalists...

Amélie Smith

COMPASSION AWARD WINNER Amélie Smith, aged 15, from Derbyshire

Celebrating young people who dedicate their time volunteering to help others and have gone over and above what would be expected of them.

Amélie has a very special relationship with her younger sister, who has complex special needs. Amélie has not only been an adoring older sister but also plays an undeniably important role in her sister's life as a carer. Amélie has always been very protective and nurturing of her sister, and has evolved into playing a more mature and caring role, and she helps her with everything from getting dressed, getting around, to helping her with eating and drinking. With such a lot of responsibility, Amélie finds respite and community in her favourite hobby, helping out those new to dog showing at her local ringcraft club, through holding extra training classes to helping with seminars.

PERSONAL ACHIEVEMENT AWARD WINNER

Poppy Coleby, aged 18, from Northumberland

Celebrating young people who have overcome personal challenges with their dogs as well as the skills they have developed to achieve success.

Over the last two years, Poppy has been diagnosed with Autonomic Nervous System Dysfunction/dysautonomia, Postural Tachycardia Syndrome (POTS), Vasovagal Syncope and Ehlos Danlos Syndrome. As a result, Poppy has had to cope with a number of debilitating symptoms, such as regular dizzy spells, brain fog, joint pain and frequent joint dislocations as well as an abnormal heart rate and high blood pressure, among others. Despite all these setbacks, Poppy has maintained her devotion to her dogs and passion for agility, and will be heading to Crufts for the third time, with her dogs Jackson and Sky. Not only that, Poppy also earned a silver medal at the ParAgility World Championships in Italy.

The Kennel Club welcomes new pet abduction bill

The Kennel Club, one of the UK’s biggest organisations dedicated to dog health and welfare, has welcomed the Government’s support for introducing a specific criminal offence for those who steal pets.

Under the Pet Abduction Bill – a Private Member’s Bill sponsored by Anna Firth MP – anyone found guilty of stealing a pet will face up to five years in prison, a fine, or both.

Currently, sentencing places undue weighting on the monetary value of the pet rather than giving sufficient weight to the emotional impact of the crime, meaning it is often treated in the same way as the theft of a laptop or mobile phone. There is also no central record in order to help decision-makers understand the scale of the problem or the circumstances around it – for example, whether a theft was driven by opportunism or organised crime.

Mark Beazley, Chief Executive at The Kennel Club, commented: “We wholeheartedly welcome this Bill, which would introduce a new and specific offence to tackle pet theft, and highly commend the hard and persistent work of every organisation who has been raising awareness of this issue and calling for action for many years. We hope that this Bill moves swiftly through parliament and

helps to deliver justice for both the poor dogs and families victim to this devastating crime, and protect the nation’s much-loved pets.”

The Kennel Club has long campaigned on the issue of pet theft, lobbying for sentencing to recognise the emotional value of a dog and for better reporting and recording from officials so that underlying causes of dog theft can be tackled. Its ‘Paw and Order’ campaign, launched after lockdown to urge action, illustrated the need for reform and spurred thousands of dog lovers across the UK to write to their MP. Statistics gathered as part of the campaign showed the failure to tackle a crime that is devastating nearly 200 families every month, as just two per cent of dog theft cases in 2020 resulted in a criminal charge.

Further information about the campaign and current laws around pet theft, and advice on keeping dogs safe, is available on The Kennel Club’s website: [thekennelclub.org.uk/dogtheft](https://www.thekennelclub.org.uk/dogtheft)

The Kennel Club introduces colour watch initiative

The Kennel Club has introduced its new Colour Watch initiative as an aid to communicating and educating on the importance of breed standard colours in pedigree dogs.

The initiative was a recommendation from The Kennel Club's Non-Breed Standard Colours Working Party (NBSCWP), following an in-depth review of the issues surrounding the registration of dogs of colours which are not recognised.

Colour Watch will follow a similar approach to Breed Watch, as a means of highlighting the breeds within which trends in non-breed standard (NBS) colours could be a concern. The system will purely be an indication of colour trends within breeds; health matters will remain within Breed Watch and/or Breed Health and Conservation plans.

The Colour Watch system categorises breeds according to the prevalence of NBS colours being registered. The categorisation has been calculated according to the percentage of registrations that were NBS in 2022 or the total number if over 500.

The five categories are as follows:

- **Category 0:** Breeds with no NBS colour registration options
- **Category 1:** Breeds with 0 to 2% registered NBS colours
- **Category 2:** Breeds with >2 to 10% registered NBS colours
- **Category 3:** Breeds with >10% to 30% registered NBS colours or between 500 and 1,000 NBS registrations per annum
- **Category 4:** Breeds with >30% registered NBS colours or more than 1,000 NBS registrations per annum

The categories take account of both numbers and percentages to help protect breeds such as the Retriever (Labrador) where the percentage of NBS colour registrations is relatively low (2.8%), but this equates to 1,247 NBS colour Labradors registered in 2022. Using a banding system based on registration numbers and percentages will allow The Kennel Club to monitor annual trends in NBS colours, and breeds will move

Based on 2022 registrations, each Kennel Club recognised breed is to be categorised as follows:

Colour Watch Categories	Breeds
Category 4: Breeds with >30% registered NBS colours or more than 1000 NBS registrations per annum	<ul style="list-style-type: none"> • Bulldog • Dachshund (Miniature Smooth Haired) • French Bulldog • Pug • Retriever (Labrador) • Spaniel (Cocker)
Category 3: Breeds with >10% to 30% registered NBS colours or between 500 and 1000 NBS registrations per annum	<ul style="list-style-type: none"> • Boston Terrier • Pomeranian • Poodle (Standard) • Shar Pei • Shih Tzu • Swedish Vallhund • Weimaraner
Category 2: Breeds with >2 to 10% registered NBS colours	<ul style="list-style-type: none"> • Affenpinscher • Chow Chow • Dachshund (Miniature Long Haired) • German Shepherd Dog • Great Dane • Poodle (Miniature) • Poodle (Toy)
Category 1: Breeds with 0 to 2% registered NBS colours	<ul style="list-style-type: none"> • Dachshund (Smooth Haired) • Dalmatian • Dobermann • Giant Schnauzer • Miniature Schnauzer • Retriever (Flatcoated)
Category 0: Breeds with no NBS colour registration options	<ul style="list-style-type: none"> • Dachshund (Long Haired)* • Dachshund (Miniature Wire Haired)* • Dachshund (Wire Haired)* • All other Kennel Club-recognised breeds

* Dachshund (Long Haired), Dachshund (Miniature Wire Haired) and Dachshund (Wire Haired) all had NBS colour dogs registered in 2022 prior to the removal of all NBS colours from the list of registration options available in October 2022.

between bands accordingly.

The Kennel Club will be communicating directly with registered breed clubs across the 26 breeds currently within categories 1-4. The Kennel Club website will include each breed's Colour Watch category under the 'Colours' tab on the Breed A-Z page, with a link to further explanation about the initiative.

In future, Colour Watch will be based on registration data for the previous calendar year. It is planned that each breed's category will be updated using the 2023 data in August of this year and subsequently on an annual basis each June, to allow time for the end of

previous year statistics to be produced, and for the categories to be reviewed. The relevant breed clubs will be notified of their breed's category based on the most up-to-date registration data before the categorisation is publicly announced each year.

The Kennel Club is still exploring the NBSCWP's recommendation of the adoption of a clearer approach to differentiate between breed standard and NBS colours, and for the promotion of breed standard colours, along with health test results, as part of the ongoing Transformation project. Further initiatives will be announced at the relevant time.

The Kennel Club expands DNA testing services to promote responsible dog breeding

The Kennel Club, as of February 1, expanded its DNA Testing Services by launching 87 individual DNA tests, providing more dog owners and breeders with the tools they need to protect their dogs' health.

Developed with the primary goal of improving and protecting dog health, The Kennel Club's individual DNA test menu offers owners and breeders the flexibility to choose specific tests tailored to their dog's unique needs. While The Kennel Club continues to offer comprehensive breed-specific packages for those seeking an easy way to obtain all the essential DNA tests for their dog's breed, the introduction of over 80 individual DNA tests aims to make genetic testing more accessible and straightforward.

The Kennel Club DNA Testing Services, which promote responsible dog breeding practices, provide owners with cost-effective access to the most impactful genetic health tests, with results that are easy to interpret and accompanied by breeding and care advice. The service has been uniquely developed by The Kennel Club, the UK's largest dog health organisation, in partnership with Weatherbys Scientific, to advance understanding of dog genetics and disease, with those who use the service contributing to canine genetic research – both through data collection and with all funds reinvested into ongoing research and health initiatives.

“Importantly – and uniquely – those using The Kennel Club DNA Testing Services are directly supporting canine genetic research”

“The Kennel Club DNA Testing Services simplify the often confusing DNA testing process for breeders and aims to provide a premium service, with all-inclusive pricing and no added extras,” comments Bill Lambert, Health, Welfare and Breeding Services Executive at The Kennel Club. “Regular email updates and electronic results, complemented by a hard copy certificate, ensures a seamless process.

“The service extends beyond testing, with results automatically uploaded to dogs' records, saving breeders time and effort. We also provide breeding advice as an integral part of the offering, and The Kennel Club's specialist health team are on hand to provide tailored advice over the phone or via email. “Importantly – and uniquely – those using The Kennel Club DNA Testing Services are directly supporting canine genetic research. Through data collection and reinvestment of all funds, owners using these services are actively contributing to a collective effort to reduce the prevalence of genetic diseases in dogs.”

with inherited breed-relevant disorders and provides advice to help reduce the risk of producing puppies affected by these conditions, so they can ultimately be eradicated through responsible breeding.

Test results are automatically registered on a dog's record and available on The Kennel Club website, allowing breeders to find health-tested mates, and puppy buyers to check if the dog they are thinking of buying has come from health-tested parents.

For owners, understanding a dog's genetics and knowing which testable hereditary conditions they may be affected by allows preparation for the future. Some dogs affected by hereditary conditions can go undiagnosed during the early stages of disease, due to clinical symptoms being missed or mistaken for ageing, and missing the early signs of disease can leave a dog in unnecessary pain or discomfort. Early intervention can frequently improve quality of life.

News from The Kennel Club

A little boy offers his biscuit to his "lovesick" Terrier type dog in this postcard from c. 1915.

A Rough Collie shows off its intelligence in this 1921 postcard. The founder of The Kennel Club, Mr S. E. Shirley, was a keen promoter of the Rough Collie, and Queen Victoria helped to popularise the breed when she brought some from Balmoral to her royal estates.

The Kennel Club releases historic canine photograph collection

Man's Best Friend – The hidden treasures of The Kennel Club Collection is on sale now

The Kennel Club has published a special photograph book celebrating our four-legged friends throughout history.

To delight the canine curious, art lovers and historians alike, this carefully curated collection of 130 unique photographs and illustrations – including some never published to the public before – follows the development of dogs becoming an increasingly integral part of human society through the centuries. From traditional working dogs herding cattle, to historic Crufts competitors and up to the loyal lifelong companions millions of UK households have in their family today, all are showcased.

Having recently celebrated a milestone 150-year anniversary, The Kennel Club hosts one of the largest and unparalleled collections of canine art in the world. With historic moments in dog history dating back to 1859, when a Setter named Dandy won the first dog show in the world held in Newcastle Upon Tyne, Kennel Club historians and photography specialists have dug through the archives and

condensed a rich history of dogs' journey to becoming man's best friend into a hardback book.

Clare Balding CBE, and longtime Crufts presenter and dog lover, commented: "This book is a unique visual celebration of the many ways in which dogs enhance our lives. The photos show us with crystal clarity the deep bond between humans and their dogs."

Heidi Hudson, The Kennel Club's curator of photographic collections, commented: "With The Kennel Club's 150 years of history, it has been incredibly important to preserve and nurture our dog photographic history which form part of our historical records for pedigree dogs.

"It has been a joy to travel through our image archives and curate a small sampling of the remarkable dog images we have in our collections - we ensured to pick a selection that really tells a story through history.

"I would welcome any art, photography or canine enthusiasts reading the book to come and further explore beyond the

pages by visiting us in The Kennel Club Art and Library Collections!"

Man's Best Friend – The hidden treasures of The Kennel Club Collection is published by Headline and will be on sale in hardback for £16.99 from all major book retailers.
