

Judges Panel report Martin Tait Chair of ALC judges Panel.

Judges Numbers looking at Max number of dogs per day will be on hold until we understand the impact of the grade review.

The Judges Panel would like the judges subgroup to consider including the Wall, spread and Long Jump under the same heading as the Tyre in regards to approach and exit diagram in the COBP.

#### Discussion item

In Standard jumping classes should the use of either the Tyre or Long jump[ be compulsory. Judges decision which they want to include in there course. This should ensure constant safe use of these obstacles and ensure they do not disappear from use.

#### Judges Subgroup

Matrix is currently under review and hopefully ready for 2025.

Judges CPD and assessments are in development to support current Judges.
